ELECTION OF MODERATOR

This part of the business being disposed of, Dr. Johnston addressed a few words to the Assembly, briefly reviewing events of the past year, mentioning such functions as he had been called upon to discharge officially. He then called upon the Assembly to elect a Moderator.

Nominations being called for, the following names were presented to the Assembly: Dr. James S. Shortt, and Dr. H. R. Grant.

It was moved, and duly seconded, that the vote be taken by ballot.

It was moved in amendment by Dr. A. T. Barr, seconded by Mr. J. S. Patterson, that the vote be by a standing vote.

Upon the vote being taken, the amendment prevailed over the motion and became the judgment of the Court. Upon the vote being taken, Dr. Grant was declared elected and, upon the motion of Dr. Shortt, the election was made unanimous.

Dr. H. R. Grant was thereupon conducted to the platform by the mover and seconder of his election, was welcomed to the chair by Dr. Johnston and addressed the Assembly briefly, thanking the brethren for the confidence reposed in him in choosing him to preside over the deliberations of the Assembly, and adverting to the important business which would fall to be transacted, in dealing with which he knew he would receive their hearty co-operation. He then asked the Assembly to address itself to those matters calling for immediate attention.

THANKS TO THE RETIRING MODERATOR

It was then moved by Mr. W. F. McConnell, seconded by Mr. J. M. Macgillivray, that the thanks of the Assembly be tendered to Dr. Johnston for the efficient manner in which he had performed the duties of the chair

[3843]

Re recommendation No. 4 as printed.

Mr. D. M. Rowat moved, seconded by Mr. Jas. Dutton, that this recommendation be referred back for Conference between the Committee which submitted it and the Board of Administration and the General Board of Missions to consider and report. This was agreed to.

Re recommendation number 5, as printed, Mr. W. G. Brown reported for the Committee and recommended as follows:—"That the present regulations remain, save in extraordinary cases where necessity or circumstances demand a reduction in the judgment of the Presbytery concerned."

He then moved, duly seconded, that the report be received and adopted. This was agreed to.

REPORT OF HISTORICAL COMMITTEE

The Assembly called for the report of the Historical Committee, which, as printed, and in the hands of Commissioners, was given in by Mr. A. L. Budge, the Convener, who addressed the Assembly calling special attention to several features. He submitted the following recommendations and moved, seconded by Mr. R. C. Acheson, the reception of the report, and consideration of the recommendations *seriatim*. This was agreed to.

(a) That the Church as a whole do its part to keep the machinery intact, namely the Committee as appointed by the Assembly; those Committees in the various Synods, Presbyteries and Kirk-Sessions.

(b) That the purpose of all these Committees be constantly kept before the Courts of the Church, and reasonable time be given for reading and considering the annual reports.

(c) That the report of progress be adopted in reference to the "Gordon Homestead" and the "J. Jones Bell Scholarship," the latter left to the special care of the Synod of Toronto and Kingston.

(d) That the request of the congregation of St. Andrew's Church, Niagara-on-the-Lake, which has been favourably received by your Committee, be commended to the pride and generosity of the Church, the details left to the Committee of the Synod of Hamilton and London.

(e) That your Committee be allowed to suggest the giving and the receiving of contributions from congregations who are rejoicing in their celebrations of Jubilees, to the funds mentioned in this report.

[3872]

The recommendations were considered and approved. The report as a whole was then adopted.

The Moderator conveyed to Mr. Budge the thanks of the Assembly for the valuable work that is being done by him.

REPORT ON REMIT

The Assembly called for the report of the Committee to consider and report upon the Remit from last Assembly *re* Appointment of Financial Agent. This was submitted by the Convener, Mr. J. A. Shaver, who moved, duly seconded, that the report be received and considered. This was agreed to. The report is as follows:—

"Your Committee on Remits beg leave to report as follows:—

In the first place your Committee would call the attention of the Assembly to the Minutes of the last Assembly, pages 53 and 54 by which you will see that the office of a permanent Financial Secretary was created and a temporary appointment was made when Dr. A. S. Reid was named to fill the office, his duties to begin not later than the 1st of August (see Minutes, page 60).

In the second place reports have been received from only 21 out of the 46 Presbyteries of the Church. Most of those reporting have evidently misinterpreted the Remit, and were under the impression that they were to answer the question whether or not they were in favour of creating a permanent office, whereas that question was settled last year, Dr. Reid being appointed for one year, and the Presbyteries were asked to make nominations for the permanent appointment.

Seven Presbyteries voted in favour of the permanent appointment, thirteen voted against the appointment. Three of those thirteen Presbyteries sent their reply in the form of an Overture (see Overtures Nos. 5, 6 and 15, pages 120 and 127). Also there is an Overture from the Synod of Hamilton and London, asking that no additional appointment be made to the Executive on salary.

Seven Presbyteries nominated Dr. A. S. Reid, two being conditional. Brockville Presbytery overtured asking the appointment of Dr. Reid; one Presbytery nominated Mr. G. M. Dunn.

In view of the facts already presented, that out of the 46 Presbyteries of the Church only seven have returned an answer favourable to the appointment of a permanent Financial Secretary, and that one Synod, viz., that of Hamilton and London, has overtured against such appointment being made, your Committee recommends that no appointment be made at the present time, and calls attention again to the fact that the office was created by the last General Assembly, but that in the meantime it remain vacant.

OVERTURES *Re* APPOINTMENT OF FINANCIAL AGENT

The Assembly called for the report of the Special Committee appointed to consider certain Overtures as follows:—

No. 5, Presbytery of Lindsay; No. 6, Presbytery of Guelph; No. 15, Synod of Hamilton and London and Presbytery of Bruce, with reference to the appointment of a Financial Agent.

[3873]

This was submitted on behalf of the Committee by Mr. A. G. Cameron, who recommended as follows:—"It is agreed that we recommend the continuance of Dr. Allan S. Reid in the position of Secretary of the Budget Committee for another year."

Thereupon Dr. Geo. E. Ross moved in amendment, that Dr. A. S. Reid be appointed as Budget Secretary for one year only. This was seconded by Mr. F. G. Vesey.

Upon the vote being taken as between the motion and the amendment, the latter prevailed, and became the judgment of the Court.

Dr. Geo. E. Ross moved, duly seconded, and it was agreed, that the question be sent down to Presbyteries for their judgment as to the permanence of the office, and if in favour of the office, that they be requested to make nominations.

Upon motion, duly seconded, the report as amended was adopted.

Re INCORPORATION

Mr. J. A. Shaver reported on behalf of the Committee to which was referred the letter from the Trustees, *re* Incorporation and recommended as follows:—"Your Committee having considered the matter of the request of the Trustees for incorporation of a Board sympathetically and carefully, were of the unanimous opinion that the time is not opportune to do so, but at the same time we wish to thank the present Trustees for their patience in this matter and ask that they would continue in the meantime."

Upon motion of Mr. J. A. Shaver, duly seconded, the report with its recommendation was adopted.

Dr. Grant requested leave for the Board of Education to withdraw, in order that the Overtures and recommendations might be considered and reported upon later. This was agreed to.

F. D. Douglas—Presbytery of Quebec. If Presbytery is satisfied as to his attitude towards the standards of our Church, it is recommended that he be asked to take the final year in Theology in one of our Colleges.

V. E. Orsborn—Inasmuch as the Assembly asked any members of Prince Edward Island Presbytery that were present at Assembly to appear before the Board of Education and none appeared, it is recommended that the former action of the Board be confirmed.

My illness at that time prevented the meeting. 1. "In whom is vested the supply of Pulpit ordinances,—the Session or the Presbytery?"

"Answer:—The Session, subject to and after consultation with the Presbytery."

2. "Can a congregation receiving no grant employ a student as supply when there is a sufficient number of efficient ordained ministers available, and when the Home Mission Board ruling is:—"That no private arrangements with students can be countenanced?"

"Answer:—No congregation could regularly do this. It would ignore the authority of the Presbytery."

3. "Is it permissible to pay a student \$1,800.00 per annum when the stated remuneration is \$15 per week and board?"

Answer:—"Yes, for a brief period with the sanction of the Presbytery, but the regulations of the Church assume that congregations able to secure the regular minimum stipend will proceed with all possible speed to call an ordained minister."

4. "Has a congregation which, by its own action, reduced its standing from that of an Augmented Charge to that of a Student Mission Field, the right of having a representative elder at the Presbytery?"

Answer:—"a) Congregations can not pass on their own standing. This is the function of the Presbytery. (b) All pastoral charges have the right to an elder to represent them in Presbytery."

It was agreed to receive and consider the Report.

[3892]

Upon motion of Mr. J. M. Macgillivray, duly seconded, the Report was adopted and the Committee thanked.

REPORTS OF STANDING COMMITTEES, ETC.

MINUTES OF MEETING OF COMMISSION OF ASSEMBLY, TORONTO, MARCH 9th, 1933

To the Venerable the General Assembly:

FIRST SEDERUNT

At Toronto, and within the Board Room of The Presbyterian Church Offices there, on Thursday the ninth day of March One thousand nine hundred and thirty-three, at ten o'clock in the forenoon, the Commission met pursuant to the appointment of the General Assembly, and as per notice to members, and was constituted, Dr. R. Johnston leading in prayer.

On motion of Dr. T. Wardlaw Taylor, duly seconded, Dr. R. Johnston was elected as Moderator.

Sederunt:—Dr. Robert Johnston, Ottawa; Rev. H. M. Paulin, Windsor; Rev. R. A. Cranston, Welland; Rev. W. Orr Mulligan, Montreal; Dr. A. S. Reid, Toronto; Rev. S. M. Scott, Picton; Dr. Jas. Wilson, Toronto; Dr. Hugh Munroe, New Glasgow; Dr. W. H. Leathem, Ottawa; Dr. F. Scott MacKenzie, Montreal; Rev. J. A. Shaver, Dundas; Dr. Thos. Eakin, Toronto; Dr. A. J. MacGillivray, Guelph; Dr. T. Wardlaw Taylor, Goderich; Dr. J. W. MacNamara, Toronto, Ministers; Mr. J. G. Pelton, Montreal, and Mr. R. J. MacLennan, K.C., Toronto, Elders.

Dr. T. Wardlaw Taylor submitted the following protest:—

"I beg leave to record my dissent from the calling of this meeting of the Commission of Assembly for the following reasons:—

1. Because the calling of the Commission to meet twelve days before the date appointed by rule for the meeting of the General Board of Missions deprives some members, who are also members of the Board of Missions, of their right to be present.
2. Because the existing financial condition of the Church does not create an emergency, but is a condition foreseen and provided for by the last Assembly, and it is incompetent for the Commission to review the action of the Assembly or amend the provision so made.
3. Because the Assembly committed to the Board of Administration, in conference with the other Boards, full power to revise the estimated expenditure of the Church, and it is incompetent for the Commission to anticipate or interfere with any action which that Board may take in the due discharge of the responsibilities committed to it by the Assembly.

And in consenting to take part in any business which may come before this meeting, I do so without prejudice, and subject to this my dissent and complaint to the next General Assembly." T. Wardlaw Taylor.

Dr. MacNamara asked leave to have his name recorded as joining in the protest.

Dr. Johnston then gave his reasons for calling the Commission.

It was agreed that the protest be tabled.

The notice calling the meeting was then read.

Messages of Regret were submitted from Dr. H. R. Grant and Dr. F. Baird.

The Moderator read a letter written by him to Dr. A. S. Grant and a letter of reply received by him from Dr. Grant.

The following Memorial was received from the Presbytery of Stratford.
 "A request from Atwood Congregation asking the Presbytery to memorialize the General Assembly to reduce the Minimum Stipend to \$1,500 a year was read by the Clerk. The request was supported by W. A. Dickson and T. G. Ratcliffe. It was agreed to endorse the request and forward it to the Assembly's Commission. (Sgd.) W. J. West, Clerk of Presbytery, Atwood, February 28, 1933."

A letter was submitted from Dr. A. S. Reid. It was agreed that the matter referred to in the letter should properly be referred to the Board of Administration.

Mr. E. W. McNeill, Treasurer of the Church, then appeared before the Commission and on request of the Moderator submitted an interim statement of receipts and disbursements for the year ending January 31st, 1933, as compared with those of the previous year, together with a statement showing receipts for the 1932 budget received from February 1st, 1933, to date. He also reported on the accumulated deficit, giving the receipts from various sources during the year applied to the reduction of the deficit and the amount of the accumulated deficit as at this date. Mr. McNeill also reported on the bank overdraft as it stood on January 31st, 1933, as compared with last year at the same date. Mr. McNeill stated further that he would be glad to answer any questions bearing upon his report, and should further information be desired, he would return if requested by the Commission.

The Moderator conveyed the thanks of the Commission to Mr. McNeill for the information he had given in his report. The Moderator also expressed the sympathy of the gathering to Mr. McNeill in his recent bereavement and the Commission stood for a short period in silence. Mr. McNeill then retired.

Upon the request of the Moderator, Mr. J. G. Pelton, the Chairman of the Finance Committee of the Board of Administration then addressed the Commission on the financial situation.

It was agreed to adjourn to meet in St. Andrew's Institute, Simcoe Street, Toronto, at 2 p.m.

The Session was closed with the benediction by the Moderator.

SECOND SEDERUNT

At Toronto, and within St. Andrew's Institute there, the same day at two o'clock in the afternoon, the Commission met, pursuant to adjournment, and was constituted, Rev. J. A. Shaver leading in prayer, by request of the Moderator.

The Moderator submitted a letter from Rev. W. G. Brown.

The Commission resumed consideration of the financial situation as set forth by Mr. McNeill and again by Mr. Pelton.

The Moderator reported that a deputation had come from the Presbytery of London. It was agreed to receive them. The following deputation appointed by the Presbytery of London then appeared before the Commission: Dr. James MacKay, Rev. F. W. Gilmour, Rev. D. McKay, Mr. W. D. Beamer and Mr. D. Montgomery. Dr. Jas. MacKay then addressed the Commission with reference to an Overture which is being forwarded from the Presbytery of London to the General Assembly, which the Commission was asked to consider. Rev. F. W. Gilmour then read a copy of the Overture. It was pointed out that the Commission could not receive the Overture, but might consider the following matters referred to in the Overture:—

Reduction of minimum stipend and reduction of grants to augmented charges and Mission Fields; reduction of salaries of missionaries in the Foreign Field; reduction of students' salaries on the field, reduction of all salaries governed by the General Assembly or its Boards; re-organization of office staff with a view to economy; reduction of cost of office accommodation.

Rev. D. McKay and Mr. Beamer also briefly addressed the Commission.

Dr. MacNamara reported regarding the steps taken by the Board of Administration by direction of the last General Assembly to secure a reduction in the overhead with reference to the rental of the Church Offices and salaries of the office staff. He also reported that a considerable saving had been secured through a new contract for the printing of the Acts and Proceedings of the General Assembly and that Dr. Rochester and the Record Committee had been able to effect a substantial saving in the cost of printing the *Record*.

The deputation then withdrew.

The Commission proceeded to consider the different matters referred to in the Overture.

Dr. Reid moved, seconded by Dr. Hugh Munroe, that in any action which may be taken upon these matters the Commission regards the action as administrative and not legislative. After discussion, it was agreed to defer this motion until the close of the Sederunt.

Consideration was given to the question of the Minimum Stipend. It was agreed, upon motion of Rev. H. M. Paulin, seconded by Dr. T. Wardlaw Taylor, that it be an instruction to the General Board of Missions, and to the Presbyteries of the Church, that in dealing with applications for grants, and for the settlement of Ministers, they proceed on the basis of \$1,500.00 per annum and a Manse or rented house as the Minimum Stipend. It was agreed that the matter of the maximum grant be left to the General Board of Missions.

Dr. F. Scott MacKenzie, submitted a statement on behalf of The Presbyterian College, Montreal, showing the necessity of larger financial support from the Budget.

Dr. Eakin made a similar appeal on behalf of Knox College.

Dr. MacKenzie was granted leave to retire to attend another meeting.

Remuneration of students serving on Mission Fields. It was agreed, upon motion of Rev. R. A. Cranston, seconded by Dr. W. H. Leathem, that it be an instruction to the General Board of Missions that the remuneration of students, when on the field, shall be at the rate of \$12.00 per week with board and travelling expenses.

Salaries. It was moved by Rev. R. A. Cranston, seconded by Dr. H. Munroe, and agreed, that it be an instruction that all salaries governed by the General Assembly or its Boards, be reduced as follows:— That all salaries over \$1,000 and up to \$2,000 per annum be reduced 5 per cent., and all salaries over \$2,000 per annum be reduced 10 per cent., and that this reduction come into effect on April 1st, 1933. It was further agreed that any person affected by this reduction who has subscribed to the Budget Deficit Fund is hereby released from further payment on their subscription. It was agreed, upon motion, duly seconded, that the Clerk of Assembly be instructed to notify the Treasurer of the Church of the above decisions.

Office Staff. The question of effecting further economies or a reduction in the office staff was considered, and on motion of Rev. H. M. Paulin and Dr. Leathem, it was agreed to pass from this item.

Expenditures for 1933. Mr. J. G. Pelton stated that the proposed expenditures for 1933 should be based on an estimated reduction of at least 15 per cent. in the budget receipts from those of the year 1932.

Expenses of General Assembly. Consideration was given as to various means by which the expenses of the General Assembly might be reduced, but it was agreed that no action be taken.

Home Missions. It was moved by Dr. F. Scott MacKenzie, seconded by Dr. T. Eakin, and agreed, that the Commission recommend to the General Board of Missions that they use every possible effort to bring to the attention of the Presbyteries of the Church the necessity of conserving the funds of the Church in the work under their control, in the matter of augmentation grants, students supply, and institutional work.

Colleges. It was moved by Dr. Wilson, seconded by Mr. Pelton and agreed that this Commission feels that the Colleges have not received an equitable share of budget funds, and therefore request the Board of Administration to deal as generously with the Colleges as the funds will allow.

Board of S.S. and Y.P.S. It was agreed that the allocation be left to the Board of Administration.

The Commission adjourned to meet again at seven-thirty p.m.

The Benediction was pronounced by the Moderator.

THIRD SEDERUNT

At Toronto and within St. Andrew's Institute there the same day at seven-thirty o'clock in the evening the Commission met, pursuant to adjournment, and was constituted, Dr. H. Munroe leading in prayer at the request of the Moderator.

The discussion with reference to the reduction of expenditures for 1933 was resumed.

Foreign Missions. Consideration was given as to the possibility of reducing the expenditures in the Foreign Mission Fields, and information was requested regarding the situation in British Guiana. Dr. Wilson spoke and outlined the efforts being made by the General Board of Missions to obtain a full understanding of the situation in this Mission, with a view to putting the work on a more satisfactory and economic basis. Mr. J. G. Pelton moved, seconded by Rev. W. Orr Mulligan, and it was agreed, that it be an instruction to the Board of Administration to limit the expenditures of the General Board of Missions to \$250,000 for the year 1933.

It was further agreed to urge the General Board of Missions to submit to the General Assembly a definite plan for the curtailment of the Foreign Mission work in view of the present financial situation.

Deaconess Board. The question of continuing operation of the Deaconess and Missionary Training Home in the present financial conditions, and the lack of openings for graduates was considered. It was agreed to leave this matter to the conference between the Spending Boards which has been arranged.

The Commission adjourned and the Sederunt was closed with prayer by Dr. Johnston.

ROBERT JOHNSTON,
Moderator.

J. W. MACNAMARA,
Clerk.

To the Venerable The General Assembly.

The undersigned would humbly beg leave to submit the following statement in support of the third reason of the dissent and complaint tabled at the meeting of the Commission of Assembly held on the ninth day of March, 1933.

1. The Commission called upon the Treasurer of the Church to submit a statement of the financial position of the Church as at the time of meeting.

2. The Treasurer, Mr. E. W. McNeill, submitted a statement showing that the accumulated deficit of \$198,000 had been reduced during the year to approximately \$184,000; that the capital at the credit of the Pension Fund had been increased and was then \$686,000; that the bank over-draft was \$111,000, but that the increase of \$6,000 was due to cash payments made upon account of moneys due to the Pension Fund and formerly credited to that Fund. The Treasurer stated that the financial condition of the Church was most encouraging.

3. After the Treasurer had withdrawn, the Chairman of the Finance Committee of the Board of Administration, Mr. J. G. Pelton, addressed the Commission. Mr. Pelton took issue with the statement of the Treasurer. When questioned, he declined to make any definite charges, but he did claim that the statement was misleading. He said, "These things can be viewed from different angles, and he denied that the statement of the amount expended by the General Board of Missions during the year, and which statement was tendered by the Chairman of the Board, was correct."

4. The Commission did not recall the Treasurer, or make any attempt to determine the truth of the conflicting statements of fact which had been laid before it.

5. The Commission did not possess the means of investigating the conflicting statements made by the Chairman of the Finance Committee of the Board of Administration on the one hand, and by the Treasurer and the Chairman of the General Board of Missions on the other. The Board of Administration alone possesses the means for such investigation, and to it the Assembly has intrusted full power and responsibility in the premises.

6. The Commission did proceed to a finding anticipating action by the Board of Administration, and did issue the matter without hearing the Treasurer in defence of his statement.

The complainant would respectfully submit that the meeting of the Commission was *ultra vires* as set forth in the dissent and complaint tabled in the Commission.

And that the subsequent action of the Commission was void as taken without examination of evidence, and as depriving the Treasurer of the Church of his constitutional right to be heard in explanation and defence of his statement.

T. WARDLAW TAYLOR.

THE GENERAL BOARD OF MISSIONS

HOME AND FOREIGN MISSIONS REPORT

To the Venerable the General Assembly:

Your Board of Missions beg leave to submit its report for the Board year ended March 31st, 1933.

Your Board has found it rather difficult to maintain the mission work of The Presbyterian Church during the year just closed, not so much on account of the lack of missionaries as because of falling revenue. This is a marked change in conditions as compared with 1926. Notwithstanding this, we have been able to hold the work that was given over to us although in the meantime a considerable deficit has accumulated.

Urgent requests are constantly coming from Presbyteries in the Home Fields and from the Councils in the Foreign Fields, asking us to extend the work. But for financial reasons this has not been possible except in cases where congregations and individuals have come to our assistance, apart from Budget givings, for which we are truly thankful.

Those loyal Presbyterians, "who being dead yet speaketh," in giving bequests for the mission work of the Church have rendered very valuable assistance in this time of crisis.

We ought not to be satisfied with merely holding the line but we should be prepared to go forward in extending the work of our Church. The investment of our lives, of our time and our substance will go a long way to make the extension of our work possible.

We have been able to maintain our work through all these trying circumstances, because of the large share that the women of the Church through their Boards have taken in placing workers both in the Home and Foreign fields. Otherwise we would have to call retrenchment. The part that the women have played on our General Board, by their wise counsel and wide experience, has been of great value in administering the work. Also, the relief that they have brought to our needy on the frontier fields in the distribution of clothing and in many other ways, has proved of great value to the people, and we wish to place on record our great appreciation of their contribution to the work of the Church.

Present world conditions create many problems both within and without the Church for which, as yet, there seems to be no solution. This situation is a challenge to the combined Christian forces of the world. Rank atheism, extreme socialism, radical bolshevism and irreligion (or lack of religion) make the work of the Church increasingly difficult, especially when these parties resort to force, in order to perpetuate their ideas.

The Gospel of Jesus Christ has the solution of our present world problems, if only applied. The weapons of our warfare are not carnal but spiritual and, therefore, mighty through God to the pulling down of the stronghold of sin and the bringing in of the Kingdom of Righteousness. The call to the Christians of the present day is to go up and possess the land for Him. Not only "The World for Christ" but "Christ for the World."

WE BEG TO SUBMIT THE FOLLOWING RECOMMENDATIONS:—

1. That we express our gratitude to Almighty God for His guidance granted us in pursuit of the missionary work of our Church during the past year.
2. That we gratefully acknowledge the heroic services rendered by our missionaries, and our delight because of the health and blessing vouchsafed them in their work.
3. That we convey to congregations and individuals who have contributed to the missionary work of the Church, our sincere thanks both for their financial support and for their sympathy and prayers.
4. That when once the Assembly fixes the Estimates for Home and Foreign Missions for the coming year, there should be no further reduction from these Estimates for that particular year.
5. That there should be no reduction in the minimum salaries, either for augmented charges, ordained mission fields and catechist salaries, or for the rates paid to the students, as fixed by the Blue Book, without first at least sending the same down to Presbyteries for their judgment.
6. That due notice should always be given to any proposed change in the regulations governing the conduct of the work of the Board of Missions as set forth in the Blue Book.
7. That if the sums received from Budget sources be not sufficient to maintain the mission work of the Church on the basis that it is at present, we ask the Assembly to approve of our Board drawing a sufficient sum against our Rest Fund to make up the difference, such sum not to exceed 25% of said Budget Fund.
8. That when plans are under way for the raising of the Budget, the spending departments of the Church be consulted, and these departments also should take part in informing the Church as to the nature and needs of the work.
9. A request has been made from certain quarters, asking the Assembly to appoint a Committee to investigate conditions in our mission in North Formosa.
10. A request has also been made from certain quarters asking the Assembly to appoint a Committee to confer with the Executive Council of the Women's Missionary Society, Western Division, with relation to adjustments in the administration of the Home and Foreign Mission work of our Church.
11. We ask the Assembly to consider an extension of two years on all furloughs due within the next two years, except in the case of sickness or impaired health.

All of which is respectfully submitted.

HOME MISSION REPORT

Reports of Synodical Missionaries

SYNOD OF THE MARITIME PROVINCES

The Synod of the Maritime Provinces continues, as before, without the service of a Synodical Superintendent. Such supervision as is possible has been given by Synod and Presbytery Conveners, all of whom carry as well the burden of pastorates. The chief deficiency in our present method is to provide properly for the supervision of student supplies, and for the encouragement and direction of weak and distressed fields. The distances to be covered, and the constant changes in the personnel of our Presbyteries, make efficient oversight as yet a matter of considerable difficulty.

With our stationary population, and in the prevailing conditions, it was hardly to be expected that we should be able to report notable progress in 1932. Nevertheless, on the whole it can be said that we are maintaining our own, and at some points are making considerable progress.

The Synod reports sixty self-supporting congregations, forty-six augmented charges, and thirty mission groups, including in all these two hundred and fifty-seven preaching stations. We have in the Synod over eleven thousand families, and eighteen thousand five hundred communicant members.

There is a slight increase in the number of ministers enrolled in the six Presbyteries of our Synod, and it is expected that with the settlements at present in prospect the number will be considerably augmented. The situation as regards supply, therefore, would seem to be improving, though there are still a good many congregations, chiefly rural, hoping and waiting for the coming of earnest active ministers to settle permanently with them. Besides the ministry of the Word, our people earnestly desire pastoral work, and for the man who will go in and out among his people there is assurance of a place in their hearts, and of secure support.

Our great need is to pass from our hitherto precarious conditions of supply to more permanent, contented, and efficient pastorates. Our Presbyteries are aggressively seeking to meet the situation, and unless we do so it is certain that retrogression will set in, particularly in the rural fields, the chief sufferers from unsettled conditions.

The following instances of progress may be mentioned: Louisburg, in the Presbytery of Cape Breton and Newfoundland, has been able to purchase a commodious building, and remodel into a comfortable place of worship, at the very centre of that historic town. This little body of Presbyterians shows commendable enterprise, and looks forward to the day when they shall have a minister of their own settled among them.

River Hebert, East, a coal mining district in the Presbytery of Halifax and Lunenburg, has, in recent years, been served by deaconesses. Of late a change has seemed desirable, and now with the generous cooperation of the W.M.S. (Eastern Division), this field is being cared for by a married ordained man who lives in the little bungalow purchased some years ago for a community centre. The community hall, which we are using for services, has been fitted with electric light, and otherwise improved. The hall is well filled at our services, and steps are being taken to effect permanent organization of the forty or fifty families who are dependent on our care. There is some prospect of the opening of a new mine, and the building of coke ovens, employing a large number of men. This will tend to the development of our work in the direction of Maqcan, where we have scattered Presbyterians hitherto unprovided with ordinances.

For the first time since 1925, we are taking adequate care of the congregations on the outer fringe of our Church towards the east. Bermuda, attached to the

Presbytery of Halifax and Lunenburg has called one of our young ministers from the mainland of Nova Scotia, Mr. V. E. Ford. St. John's, Newfoundland, has had settled over them Dr. J. B. Paulin, of Toronto, and Grand Falls, also in the Ancient Colony, has the ministry of Mr. Malcolm Mackay, a recent graduate in theology.

Two fields only are engaged in building, at the present time. Knox, Halifax, is now entering on a forward movement. With the aid of the Church and Manse Fund, they are erecting a neat frame church in the north end of the city, on a site three-quarters of a mile from any other church, Protestant or Catholic. The building will seat 250. The enthusiastic congregation hope to find themselves at home by mid-summer. Favourable prices of lumber, the donation of much labour and materials, all encourage the people in their work. This will give us our second church in the city, in and about which are approximately 70,000 people, with ten Presbyterian Churches prior to the disruption, all of which were lost.

In the Nine Mile River section of the Elmsdale congregation, in the Presbytery of Halifax and Lunenburg, our people lost their church by a tie vote, and for seven years have been using a school house and a vacant store alternately. They have purchased a disused Congregational Church in excellent condition, are taking to pieces, transporting the materials twenty-one miles, and reconstructing on a donated site, at Hardwood Land, much more conveniently located than the church that was lost in 1925, and five miles from any other church. Thus calamity is being turned into blessing. The people are giving to the point of sacrifice, so that it is probable that the church will be completed with very little debt, and at an outlay less than half of what a new church would cost.

The lack of manses remains a very serious handicap to our work, notably in centres like Moncton, Truro, Windsor, as well as other places.

As for finance, it would appear that we are not falling behind other Synods in the support of the corporate work of our Church. Locally, congregations are showing a spirit of caution, perhaps over-caution, with a tendency to delay in making permanent arrangements with ministers, but it does not appear that where the Lord speaks comfortably to His people through His servants, the congregation fails in doing their part. The present stress is set for the testing of us all. The limitations are not in the circumstances, which seem to try our souls. These are, of our Lord's permission for us, and are accompanied by grace sufficient to make His strength perfect in our weakness. The real limitation is within, in our failure to claim the promised presence and power of God for every condition that may arise in His service.

Respectfully submitted.

D. O. MACKAY,

Synodical Convener.

REPORTS FOR NORTHERN ONTARIO AND EASTERN MANITOBA

The beginning of the year 1932 found your Synodical Missionary in the Trans-Canada Highway Camps. Here he had full charge of the religious services for some eight camps with an average of one hundred and twenty-five men to each camp. Besides holding services in three camps each Sunday, he carried on meetings both secular and sacred during the week with a very encouraging response on the part of the men, and in every case with the co-operation of the officials. Song sheets, magazines and sheets with suitable hymns and selected Bible readings were provided by the Inter Church Camp Committee and the Women's Missionary Society, all of which were appreciated. Rev. W. L. Atkinson, our minister in Kenora, and Mr. Byers, principal of our Cecilia Jeffrey Indian School, gave most helpful services. A letter of appreciation from the Hon. Mr. Findlayson was received on behalf of the Ontario Government when the camps broke up in early spring.

Activities were then directed to the Presbytery of Winnipeg, where special attention had to be given to St. James Church there. Building operations for our new church at East Selkirk were resumed, and our mission stations visited. Attendance

at Presbytery meetings in Winnipeg, North Bay and Temiskaming and Algoma, along with the General Board of Missions in March, concluded the first four months of the year.

May and June were taken up with attendance at the Synod of Toronto and Kingston, the meeting of the General Assembly, public meetings in several churches, the supervising of remodelling activities in our new cause at Sundridge, Ontario, the dedication of our Church at Massey, and a Summer School Rally at Sault Ste. Marie.

July as usual was taken up with Summer Schools—some four being attended.

A resolution passed by the management of our Church at Morden to close August first, brought your missionary again within the bounds of the Manitoba Synod when he was able to re-establish the work in this hard hit field, personally directing its affairs for August, while passing upon the building operations at East Selkirk with a substantial part in the dedication and opening services of this Church. He was also able to represent the Board of Missions and give an address at the Dr. James Robertson Mass Memorial service at Kildonan.

Urgent matters in connection with Knox College and its Alumnae, the Presbytery meetings of North Bay and Temiskaming and Algoma, and the meeting of the Executive of the Board of Missions, took up all of September.

Following these activities, your missionary officially visited our Missions at Cochrane and Kapuskasing where a very serious and difficult problem had to be solved. He then visited The Pas and Cranberry Portage in Northern Manitoba both under our Missionary, Mr. Reynolds.

While visiting The Pas, your Synodical Missionary was able to negotiate for a new church home there. He was able to close a deal whereby the Hudson Bay Store in that town was bought for one thousand dollars. It may be said that the assessed value of this property was above five thousand dollars. Arrangements were completed to remodel this store so that a splendid auditorium with pews, pulpit and choir loft is being rushed to completion. A Sunday School room also downstairs and a suite of rooms for our missionary and his wife upstairs are nearing completion. The new move has created much added interest to our work there.

(It is cause for gratitude to God that despite the great depression, not a single mission field within the regulations which we have opened in our constituency has been closed for any reason whatever.)

For the future, while much is to be done in the strengthening of our stakes, we should seek when normal times begin to come, to formulate a policy to lengthen our cords, by establishing branch Sabbath Schools, which in time develop into mission charges and churches within our constituency. The situation indicated by the figures of the latest decennial census, as well as the personal knowledge which the Board may have, will be guides to these undertakings.

Your Synodical missionary respectfully submits this his report.

Faithfully yours,

W. M. MACKAY,

Synodical Missionary.

SYNODS OF SASKATCHEWAN AND ALBERTA

In my report for 1932 I shall take little time reviewing in detail the work in the different fields in the Provinces of Saskatchewan and Alberta, thus leaving more time for the consideration of the numerous and pressing problems which face us, problems becoming each year increasingly difficult. Suffice it to say that the work has gone forward regularly in both Provinces, and has been well maintained under exceedingly difficult conditions. This has been in large measure owing to the splendid loyalty and devotion of ministers, missionaries and people, to whose courage and self sacrifice I would like, as one who knows something of what it has meant, to pay full tribute. Our Church has reason to be proud of her workers in the difficult places,

and appreciative of the way they have preserved, in their service, the traditions of former days. I would like also to acknowledge the fine spirit of cooperation manifested by Presbyteries in both Provinces in carrying on the work, and their earnest endeavour to strengthen existing charges and to extend the work.

I shall deal first with the most encouraging part of our work, glad that in this year of depression and pessimism there is definite, constructive work to report. First, there is the fine record of the congregation at Wilkie. Here a little group of not more than twenty families, who had never had a church building since they organized as a minority group, with a settled minister for less than a year, under the guidance of this minister, Rev. W. J. Pellow, undertook the erection of a place of worship this summer. With such enthusiasm and unanimity was the work carried forward that on November 9th last, a church considerably larger than at first intended was dedicated to the worship of Almighty God, and before the close of 1932 was free of debt, a fine example in this regard to other congregations, east and west.

Next is the splendid achievements on the northern frontiers in the Presbytery of Prince Albert. Here on the Foxford field the Rev. James Wilson has given full proof of his ministry, and has shown rare ability to enlist the cooperation of his people, and to direct their willing service, so that, with very little money, a most worthy work has been accomplished. Three churches already stand as monuments to his leadership, one, the Herbert Memorial, in the Celtic school district east of Foxford, one at Smeaton on the new C.P.R. line from Nipawin to Prince Albert, and one at Meath Park, also on the same line, where our students have been serving for some years. This latter building is not yet completed but with the coming of spring will soon be made ready for occupation. The buildings completed have been erected at the small cost of about \$300.00 each to cover glass, hardware and shingles. All the rest, both material and work, has been contributed by the people themselves. I would like to make special mention of the generous offer of the Gear Brothers, to cut free of charge at their mill, all the lumber needed for churches (Presbyterian) anywhere on this field. These churches are ministering to their respective communities not only on Sunday but also through the week. At Smeaton, for instance, until such time as a regular school section can be organized, our church is serving through the week as a much needed voluntary school, with an attendance of about forty.

At Carragana, east of Tisdale, a former Soldier Settlement, on a well located lot, the gift of Mr. E. A. Heughan, Walkerton, Ont., another church is nearing completion. Here the same spirit of devotion and willingness to serve was manifested as at Foxford. In the erection of all these churches, property to the value of a substantial sum has been added to the assets of our Church, at a surprisingly small outlay of money, revealing a most commendable desire on the part of the people to help themselves. A fine church is also in process of erection on the Mistawasis Indian Reserve, where the Rev. W. W. Moore, B.A., is missionary. Already \$1,100.00 has been expended, financed by themselves. When completed it will contain a number of fine memorial windows. This frontier field, including the Carrot River Valley, Foxford, Meadow Lake and Loon Lake Districts, extends right across northern Saskatchewan to the borders of Alberta, connecting there with the Peace River territory, which extends right into British Columbia. The same thing as was done in Foxford and Carragana, could have been accomplished in all these other districts if we had been able to hold our fields by keeping them occupied through the year.

In Alberta crop conditions this year were much more favourable than in Saskatchewan. Of no part of Alberta could it be said that there was a complete crop failure. Our mission work has been well maintained at all points. During August it was my privilege to visit the Peace River Country, to learn at first hand its wonderful attraction and to meet its workers. From Grande Prairie under the guidance of Rev. E. A. Wright, our missionary located there, I saw the extensive area under his supervision, and what it means to cover it as thoroughly as he does. With him I motored one hundred miles west to Pouce Coupe in British Columbia, where I met Miss Hazel MacDonald, our deaconess missionary, and on Wednesday evening held with a small group of grateful people a communion service in Riverside Church on her field. An-

other seventy-five miles westward with the Rev. M. E. Burch, who was then on that field, crossing the Peace River on the way, brought us to Fort St. John, and the next day twenty-five miles farther west brought me to a purely pioneer district, where as yet we have no missionary. Returning to Grande Prairie a motor journey of a hundred miles north from there brought me to Brownvale, Mr. T. H. Hutton, missionary. Here I spent Sunday and conducted communion service at two points. The next day a trip fifty miles north brought me face to face with Dr. Margaret Strang, the heroine of the north, at Dixonville, where the Sunday before, August 21st, 1932, a fine log church, made more beautiful by handsome furnishings from generous friends in New St. James, London, Ont., had been dedicated by the Rev. James MacKay, D.D., minister of New St. James. Covering as Dr. Strang does a territory comprising some 600 square miles, she gives medical care and church service to that needy field, and has started educational work as well. She is doing the work not of one missionary but of three, work done by one simply because the other two are not there, and in the present state of our funds cannot be put there. What a responsibility faces our Church here. Are we standing by our pioneer missionaries as we should? Must lives of valuable workers be sacrificed by overwork before the Church awakes to its responsibility and opportunity? With the workers on all these fields your representative had lengthy and full conference regarding the work, its urgent needs and methods of improving our service, and as a result I trust all were left heartened and encouraged.

So much for this brief review of our work. Seven new churches this year of depression, five of them on the frontier, is a record of which no church need be ashamed. Now for problems facing us.

1. First, there is the problem of Relief. That is still with us. When last spring and early summer reports went forth of the promise of a fine crop throughout the West, it was received, I am sure, with great satisfaction throughout the Dominion. But in southern Saskatchewan these promises were not realized. A prolonged hot dry spell early in July shrivelled up many acres, rushed the harvest on unduly early over a considerable area, and left some districts no better than the previous year. The widely extended area of the 1931 crop failure was greatly reduced, from some 200 rural municipalities to about 90, practically all in the south. Food and fodder for animals were distinctly better this year than last, and for this there is ground for thanksgiving. Money is no more plentiful, however, the price of all farm products being extremely low. When Herman Trelle, the winner three years in succession of the world's highest award for wheat, can get at his farm in the Peace River only sixteen cents a bushel for his wheat, the plight of the ordinary farmer can easily be imagined. On account of this scarcity of money the need of clothing over a wide area is nearly as acute as the previous winter. This year again there has been a large work in clothing relief carried on by the Committee of our Church in Regina. This was made possible by the continued interest and generosity of the people in the east, particularly in Ontario and Quebec, though every province has shared in the good work. To all the friends who sent again so liberally to Western Relief our grateful thanks are given. They have again to many homes brought courage and comfort, where otherwise there would have been real distress and ever deepening despair in the prospect of a western winter with very little clothing. This work is covered in fuller detail in a separate report. Even in the north there are districts where fodder is very scarce. Since December the missionary in the Foxford field, Mr. Wilson, in the east and north has been unable to use his horse for lack of feed. This adds to the difficulty of covering the field, but it is being covered just the same.

2. Another problem is caused by the acute financial condition which has grown up these last few years. During the widely spread crop failure of the past years, taxes were, to a large extent, non-collectable. Municipalities carried on and kept schools open by borrowing from the banks, as it was expected that this would be of short duration. Now, however, owing to the prolonged period, bank loans to municipalities, and arrears of taxes in the municipalities, have assumed large proportions. Banks will no longer loan money to municipalities for the carrying on of their work.

Taxes, therefore, must be collected or schools closed and other public services abandoned. Where action is taken to collect taxes individuals are sometimes left with nothing. One family in a southern district tells of receiving notice from the Clerk of the municipality to appear and make declaration as to what the farm had produced, so that advances in previous years, and arrears of taxes might be charges against this. When the record was complete there was a balance of \$50.00 left for themselves with which to provide for their family for the winter. Another had \$40.00 left, some had nothing. Do these need sympathy, encouragement and help? You can answer that as well as I.

3. A third problem is that of men for our fields. And when I say men I do not mean simply someone on the field. Sometimes the fate of a field depends on the man who is sent. It must always be kept in mind that the need of the work is greater than the accommodation of any particular man or class of men. Only in this way can our work be carried on efficiently and real progress made.

4. A fourth problem is the quite remarkable call for mission work now facing our Church, particularly in the West. There is first the large number of Presbyterians, deprived of their churches in 1925, who are still looking to the Presbyterian Church to care for them. The last census returns show 67,000 who registered themselves as Presbyterians in Saskatchewan, 72,000 in Alberta. Owing to distance from existing churches less than one-third of these are now enrolled in any congregation. What about the other two-thirds? These total close to 100,000 in these two provinces. Are we to turn a deaf ear to their call? Must we say to them: "We are glad you are still Presbyterians but we can do nothing for you?" To respond to the calls of groups of such people for Presbyterian services furnishes a magnificent opening, a compelling appeal, but because of the decline in funds available the undertaking of new work is prohibited, and these Synods find themselves with hands tied. The same is true in regard to the following up of those making new homesteading ventures, large numbers of families whom continued drought has driven from their farms in the south, as they face a new start in the bush country of the north. They need the Church as never before, but through lack of funds our Church is unable to minister to them; a serious situation.

5. All these bring us to a still greater problem, *viz.* How can we keep our work going? This is a problem for which a solution must be found. In attempting this different things may be done.

(a) The missionary revenue may be increased and receipts brought up to the need of the work. This is always a possible remedy where expenditure exceeds receipts, a positive, constructive remedy, which ought always to be faced first. But can it now be done? These are days of falling revenues in our Budget returns. There has been a decrease in every Synod, but the decrease has not been uniform in each. There are fairly wide differences. Here are the percentages, based on the last statement sent out from the office January 31st, 1933, showing the decrease in each Synod.

	Per cent
Maritime Provinces.....	25
Montreal and Ottawa.....	27
Toronto and Kingston.....	13
Hamilton and London.....	16
Manitoba.....	14
Saskatchewan.....	9
Alberta.....	8
British Columbia.....	11

This was to me a surprise, and I need scarcely say a delight, to find that notwithstanding the handicaps of drought, crop failure and extremely low prices for all farm products, the western provinces had not been the cause of increasing the percentage by which the whole Budget had fallen short, but had assisted very materially in lowering the percentage.

These are days of depression, and money, when any appeal is made is reported scarce. But we all know that there is lots of money in the country, depression or no depression, for selfish purposes. How many of us, even in needy districts, have seen any marked falling off in the various forms of selfish pleasure? Plenty of illustrations can be cited. The reduction of church contributions or the discontinuing of them altogether is frequently the first step in so-called economies. If revenue is to be increased it will never be done till we instruct our people in the matter of their relation to material things, generally summed up under the one word "money". Such a programme of instruction is long overdue. Call it Christian Stewardship or whatever name you like, but do not limit it to tithing only. While that is important it is only a small part of what is included in our right relations to material things. Such instruction should have to do with the acquiring of money, the spending of money, the saving of money and the giving of money. With right views on these things money may become the greatest means of grace and blessing to anyone.

(b) Expenses may be decreased. While no official action has been taken along this line, this is now being done. Right from the administration department down to the frontier mission fields men are doing heroically. Among all the men under my jurisdiction I do not know a man who to-day is getting what he, according to the terms of his call, is entitled to get. All have taken large cuts. When discussing whether expenses should be reduced let us not forget it is now being done.

(c) Neighbouring charges may be amalgamated. One man may serve two charges instead of one. Where the distance between them is too great a fortnightly service in each might have to take the place of the weekly service. This is not by any means desirable but is a possibility where necessity demands a reduction.

(d) We may use our eldership more largely, especially for the occupation of winter fields, thus reducing transportation costs. This has been done in several places already to good advantage.

(e) Charges may be closed and work abandoned. One hesitates to even mention this, but it cannot be evaded. If the others fail this may be a stern reality.

No one of these possibilities will likely in itself be sufficient. The probability is that a combination of several of them may be needed. May we face our situation humbly, yet determinedly, and whatever step is called for may we have the grace and the courage to take that step, that we may still hold up our heads and say no work has been abandoned.

H. R. HORNE,
Synodical Missionary.

SYNOD OF BRITISH COLUMBIA AND SOUTHERN ALBERTA

Subsequent to the Board Meeting last year the Presbytery of Macleod in Alberta was added to the Synod of British Columbia for purposes of supervision. This report is given with the larger area in mind.

In British Columbia our Church was given additional visibility by the erection of one church building and one manse. Three building lots were purchased and preparations for three new churches are under way.

In this sense also, though less visible, the evidences of unfolding and developing Christian graces in our membership give great cause for rejoicing. To the Budget and for maintenance the contributions of the assisted congregations were nearly equal to that of the preceding year. Only one small special for maintenance was received during the year. This was done in the face of unprecedented adverse conditions in our social, commercial, and industrial life. Knowing the conditions one cannot but wonder at the evidences of self-sacrifice, devotion and determination with which our people face the task of carrying on. Only an intimate knowledge can appreciate the patience and courage required to do it. The living church will give evidences of

growth. We are apt to rush to statistics to find them. These may be disappointing while the fruits of the spirit may be reassuring.

The past year is the same as others only on the surface. In spite of, or perhaps by reason of, our difficulties our people are moving towards the higher ideals of a Christian church. The real assets of our mission fields and self-sustaining charges are being made manifest. We are to-day more ready than ever for a real forward movement in expansion of area served as well as in spiritual attainment. Among other things such a forward movement will find a different method of winter supply, especially in British Columbia. This year's report is made possible largely because we had continuous and fairly suitable supply. The isolated groups were steadied by the ministry of the word and the leadership thus given. If this condition could be made reasonably sure the work of carrying on would be very much easier. With us, no hindrance is so great as the recurring vacancies every winter.

This is not the place for statistics, while space and cost, forbid much detail—the purpose of this report, however, may be best served by brief reference to each Presbytery.

PRESBYTERY OF MACLEOD

This Presbytery is situated in the southern part of Alberta and extends from the Saskatchewan boundary to that of British Columbia. This magnificent and extensive area suffered severely in the disruption of "twenty-five" followed by the dearth of supply for possible fields. Owing to the state of the funds our fields are reduced to the minimum. Four were supplied during the year. Other fields are under observation and contacts are made with a view to regular services. A substantial foundation is laid for the time when the Church is ready for a Forward Movement.

PRESBYTERY OF KOOTENAY

The Presbytery of Kootenay is a mining area. The price of metals is so low that the industry is at a standstill. Our people are mostly wage earners. For the past three years wages were getting less, until now at a greatly reduced wage and with employment at most only for a few days a week, the problem of financial support is very serious. For example, in the Slocan region, once a prosperous silver lead region, the only employment is by way of relief road work for a few days a week. Nevertheless we have three congregations in that area determined to carry on. They cannot support as they were accustomed to do, but they want Presbyterian services and are prepared to find some way of getting them, believing that a better day is coming soon. Anyone afflicted with the blue ruin complex should visit some of those places.

At the disruption the Kamloops' area lost every minister and every church to the United Church. The Assembly of that year resolved that the Presbytery retain its identity, but that until it was able to function it would carry on under the care of Westminster Presbytery. Since then four churches were built and one repurchased. For the last three years there were three ordained men within the bounds. The nearest of whom is distant from Vancouver—twelve hours travel by train. The Assembly has not yet granted independence. The major occupations are fruit-raising in the Okanagan Valley and dairying in the north. There have always been prospectors in the hills and placer workers finding gold in the streams. During the year certain discoveries in the historic Caribou region have drawn thousands of men to the whole region looking for gold. Gold quartz operations on an extensive scale are being prepared. When the present deep snow is gone there will be an old-time rush following the lure of gold. One craves for our Church a full share in the cure of souls which the opportunity offers. The Presbyterian fashion suits the men of the north.

PRESBYTERY OF WESTMINSTER

In this Presbytery is concentrated half the population of British Columbia and more than half its immediate financial resources. The influx of unemployed continued until near the end of the year. The social and economic disturbances have increased

in an alarming way. Suffering and want are pressing hard on the consciences and resources of our church people, who are already hard pressed to carry on their congregational work, a work that is harder because the most of them are paying for new buildings. From the viewpoint of the Church the need for and the opportunities for beginning more work in and near Vancouver is also pressing. During the year two new Sunday Schools were developed by the Sunday School Committee to the point where regular services should be conducted, and these were placed under the care of adjoining congregations. A new school was organized in Prince Rupert, one in Vancouver and one in Pitt Meadows. The high light of the year was the visit of Rev. W. G. Brown, Moderator of the Assembly, and the opening of a new church at Bradner. It was a great occasion for that community as well as for this Presbytery. When this church was completed there was no one to move a vote of thanks without including himself in that congregation. All had given much free labour, and they have a church without any debt. It would cost about two thousand dollars.

VICTORIA PRESBYTERY

This area includes Vancouver Island and the islands adjoining. Vancouver Island alone is larger than the Province of Nova Scotia. Apart from the Cities of Victoria and Nanaimo it is comparatively sparsely settled. With one exception the fields have been occupied throughout the year. Port Renfrew was opened four years ago, but the lumber operations had so declined and the cost to the Church was such, that no services were given last year. There is need for extension work in Victoria and in the more closely settled communities in the north.

OBSERVATIONS

As an illustration of the distances between so many of our congregations and the isolation in which our ministers labour, there are four ordained men at work for the last four years, who never get to Presbytery. They never meet their brethren except at Synod once a year. The Synodical Missionary is usually the only Presbyterian minister that they see throughout the year. The same is true of our students and catechists.

Owing to the policy of our Church no new work was undertaken apart from that of the Sunday School Committee. In British Columbia it is still true that only in the older portion of the Province have we established our cause. In the north where there were once good congregations especially along the Canadian National Railway, we hold no services of any kind from Prince Rupert to the Alberta border.

The census reported eighty thousand Presbyterians in British Columbia unafraid to be so recorded in spite of the urge to the contrary. We can account for about twenty-five thousand of that number. The remaining fifty thousand or more are still among us, but not with us. No doubt many of them are in this north country or going there with the increasing number of settlers.

At an angle across the Province from Rock Creek in the south east to Atlin in the north west there are individual prospectors and large companies looking for gold. They are finding enough to justify the government and others in making preparations for a new rush if not a stampede in the spring—at least to the Caribou country. Should part of what is predicted actually happen in this connection we must follow the men or accompany them with the Gospel of Christ.

The work of your synodical missionary was much as in former years except that it became imperative to have more conferences with sessions and managers, and these entailed more travel. A letter or a circular has little value in such times as these. I can assure the Board that many small, but worthy groups were grateful for the provision thus made for them.

The thanks of the Synod are due to the Women's Missionary Society and to the Sunday School Board for their timely and efficient assistance.

Synodical Missionary.

Non Anglo-Saxon Work

CHINESE WORK IN CANADA

Never has the work among the Chinese in Canada been so full of promise. Business difficulties and unemployment seem to have turned the Chinese mind to things that matter. Everywhere the missionary is welcome to-day. Everywhere there is increased interest in the gospel message, and attendance at classes. Groups of Chinese have come asking for the re-opening of classes. One group asked that they study the Bible that they might learn of God's Will for them and their war-threatened country. "God," truly, "moves in a mysterious way."

Population. The Chinese population remains about the same at 55,000. There are many taking advantage of the slack times to visit China and their families. Most of these will return. On the other hand there is a growing native born population which forms an important phase of our work. Hundreds of girls born here are now growing into womanhood. New homes, are, in consequence, being set up, and family life—so long absent among the Chinese here is becoming common. The establishment of these homes will do more to solve Chinese difficulties in this country than anything else. The home has ever been the most influential part of Chinese life. We had five marriages in our missions last year, and the case of a young man of one of our missions marrying a young woman from the other, makes a truly Presbyterian family.

Workers. We have 19 workers in the field; 10 Chinese and 9 Canadian; five of the Canadians and one of the Chinese are part time workers. We also have a veritable army of volunteer workers from Victoria to Halifax. Miss Levina Dickman of Toronto resigned during the year. Her place was taken by Miss Yeung—a product of our Canadian Mission work. We also lost to our Chinese work, C. A. Colman, our pioneer missionary, who passed to his heavenly reward. He, with Dr. A. B. Winchester, began Chinese work in British Columbia forty-one years ago. During all these years Mr. Colman laboured among the Chinese people. His was a faithful service. He was in his 80th year, yet only two weeks before his death he was preaching in Vancouver's Chinatown. Many seeds has he sown. God is giving, to-day, and will give, the increase.

New Work. In addition to our regular work carried on at the various missions and class centres, the past year saw a number of things happen that are most heartening. Let us but refer to them. At Prince Rupert the Chinese children of the city have been gathered into our Sunday School. A volunteer Chinese young woman is looking after this. At Prince Albert Chinese are now taking an interest in our local Church. All the Chinese children at Regina are now attending Sunday School. A Boy Scout Troop has been begun at Montreal. A Boy Scout Troop, a Mission Band and a C.G.I.T. have been organized in Toronto. A new Bible Class has been begun at Windsor. A Presbyterian Y.P.S.C.E. of 35 members, regularly constituted, and under young Chinese leadership was formed in Victoria, while at the same mission, Victoria, the Choir and Minister have been gownned, greatly adding to the reverence of the worship services; but not adding to the expense of the mission since all the sewing was done by the Chinese women of the congregation. At Vancouver we had to employ extra help in our kindergarten work because of the increase in enrolment and attendance. These, in brief, surely bear the mark of great promise.

Finances. Giving, by the Chinese, during the year, despite the hard times, has also increased. Both Chinese missions raised their full Budget allocation; and in addition raised the full amount asked for toward the General Church Deficit. This together with the Chinese W.M.S. allocations, brought the total for the two congregations to \$419.00. Moreover all running expenses are met by the Chinese. Vancouver's expenses were \$1,428.00. Also Vancouver mission reduced its local building debt by \$500.00 and paid the entire salary of the Chinese teacher. The Chinese ministers are sending back to the Board the 10 per cent asked for by the Assembly.

Training Workers. It has been said the future is full of promise. The fact that the Chinese people are deprived of the rights of citizenship still hampers. Despite this, young Chinese men and women are beginning to take their place in the Church's work. We have now several teaching Sunday Schools. Three whole families, including the fathers, mothers, because the children were attending Sunday School, we baptized and brought into full communion with our Church. Two young men—products of our mission work, recently returned to China to do medical work there. This makes three now. We have Miss Leung in Training for nursing and Miss Yeung now in charge of the Toronto Kindergarten; while one young Chinese man we hope will enter one of our Theological Colleges this fall to train for the Christian Ministry. An influential Chinese on hearing of this Movement among the young Christian Chinese said: "This is the best news I have heard in years—for unless China's heart is changed there is not much hope for her." "Christ in them," is still "the hope of glory."

Literature. Much success is attending the distribution of our Chinese literature. This is now organized in several Provinces. A Chinese man in Vancouver recognizing the need of this form of preaching the Word, and the great influence this yields, gave us a liberal donation to this end. We have been able on that account to do much in this way, especially now when so many Chinese have time on their hands through lack of work.

Contact with China. We, in Canada, count our connection with China itself very important. This connection is made in many ways; by men writing home to their native villages; by men visiting China; by our Church's representative in Canton City, Dr. Jessie MacBean, as well as Mrs. Burkwall. In this way we have a large and important part in the evangelizing of China. Our work in Canada therefore, becomes doubly important, in consequence. It is said the Pacific Ocean separates us from the Orient. It no longer does so—it connects us. Captain Dollar, the grand old man of Oriental trading—shortly before his death said: "The opportunity in China is so great, I cannot find words to express myself."

Our link with China and the Chinese is Jesus Christ. He alone can meet this greatest of opportunities.

Respectfully submitted.

HUNGARIAN WORK

Hamilton. Although it is not completed yet, the building of the new church is the most significant fact of the events of last year. For, although physical things are but expressions of spiritual life, there was a natural reaction of this great work on all activities of the congregation throughout the year. Interest was doubled in all activities and the congregation, in spite of all the hardships that had to be gone through was more closely cemented. This is even more important if we consider that dis-integrating elements have tried their best to hinder us in everything we undertook. The Board of Missions having granted \$1,000 toward the site, the congregation having raised with the help of its friends another thousand dollars, work was started on the new building as Mayor Peebles said at the turning of the sod "as an act of faith." Faith is "catching," so all those who had a share in the work retained their faith through the great undertaking. Free labour and material to the extent of about \$8,000 was donated. One must realize what that means by citing just a few instances. One member gave 27 days of work. Another three weeks, a friend did all the sewer work free, plumbers donated all the plumbing material and labour. Of course, everyone realized that this was the only way we could have a church, having no funds at hand. The church when completed will have a total amount of \$5,000 against it, which considering everything is not much. The church auditorium will hold about 500 and a Sunday School auditorium that with a gallery holds about 700. (There

were several occasions when it was filled to capacity this year.) It is of solid brick construction with stucco outside and plaster inside. The whole building is kept in a plain Calvinistic style outside and inside, only the tower having a decorative effect with its main spire and four turrets and arched small windows all around.

Attendance at services was good last year, the communion dispensed six times with a good part of the congregation taking part. The Sunday School kept up an average attendance of 91 per cent. The young people were very active and helped a good deal with the building. A Boy Scout Troop was organized which is steadily growing. A communicant's class is held with six weekly. The children's and women's department was greatly strengthened by the appointment of Mrs. R. P. Kovacs and she did particularly good work with her women who in their spare hours sewed and embroidered to swell the building fund of the congregation. A Ladies' Aid and W.M.S. was recently organized to be towers of strength in our work. We conduct a Saturday morning school for the children. Special educational lectures were held during the winter for adults.

The *Figyelő*, or *Hungarian Observer* began its seventh volume. The very fact that it is still published is a reason for thanksgiving, for Canada has been considered to be the graveyard of publications. We think, however, that anything worth starting is worth maintaining and the *Observer* fills a great need. It should be published weekly instead of monthly, but it is extremely difficult to bring it out monthly. This publication is not only a source of spiritual strength for Hungarian Presbyterians in Canada, but also serves to create a bridge between the Canadian and Hungarian mind through articles in English on Hungarian background and vice versa.

Monthly services in Brantford, Caledonia and Guelph were held, whenever the state of country roads permitted. One should live in isolation to realize the meaning of these services to these faithful groups. All these groups had at least four communion services during 1932.

What we stated above is a record of our stewardship during the past year. The general church should know more, if space allowed to furnish information in detail, of what is being done in her behalf among her Hungarian Calvinist sons in Canada and whatever may sound boasting (because we do not dwell too much on our difficulties), we claim is nothing but the work of God with our cooperation!

Southern Alberta. Rev. Bela Bucsin is in charge of our work in Calgary, Lethbridge, Taber, Raymond, Brooks and Leduc. In spite of the difficult financial situation, Mr. Bucsin reports encouraging progress in every locality. The people realize more than ever the necessity of religious life and consequently they are faithful in attending services, bringing their children for baptism and religious training and taking interest in all activities of the Church. Unfortunately, it is difficult adequately to serve every point owing to distance. There are regular weekly services in Calgary and monthly services are held at the other points, when the missionary stays for a few days and holds as many meetings and visits as many families as possible. The people take communion on every occasion it is dispensed, that is, six times a year. Last Christmas about 500 took the Lord's Supper in the six settlements. The average attendance at the services in Calgary is 180, at Lethbridge 75, at Raymond 50, at Leduc 90 and somewhat smaller number at the other points, but very regular. Collections vary between \$1 and \$10. Aside from looking after their own local expenses and having given \$150 toward the Budget, these congregations have supported five families who were about to be deported. Forty-one children were baptized last year, 13 couples married and 16 children were received into full communion of the church after religious instruction and memorizing the catechism. Five adults adopted our Presbyterian faith, having come from different denominations.

These congregations aim without exception to have their own house of worship as soon as conditions permit and all have small building funds growing slowly from special collections. Special emphasis should be laid on the faithfulness of our Leduc

congregation. This settlement on the fringe of the Peace River District is very recent and although practically every family is just struggling with the problems of creating life in the wilderness, they are optimistic and maintain their faith in God. They get no relief and many of them have not yet seen a crop and are practically penniless. But they have their rough homes, their daily bread and their health. The monthly visits of the missionary mean a good deal to them and they stay up till the early hours of the morning at their meetings, singing, reading the Bible and discussing their mutual problems. The scenes attached to the distribution of clothing that came through the generosity of our Eastern churches are difficult to describe. Clothing is scarce and poor and meals one sided with these people in those pioneer districts. Needless to say, they were impressed by all the fineries and warm clothing and food delicacies like fruit, etc. They send God's blessings to all those who contributed toward these shipments.

As soon as conditions permit it would certainly be necessary to assign another missionary to this great field, where the present worker must travel about 1,000 miles each month and even so he can only cover the larger settlements, whereas our people are fast settling Southern Alberta in small groups.

Welland and Port Colborne. This double field has made progress in every respect during 1932. Rev. Frank Nodge (Nagy) reports good attendance at services. The people took a live interest toward all activities. In Welland the communicants roll shows 137 with 52 families, 10 baptisms and 6 weddings, indicating a proportionally healthy growth. The Ladies' Aid group has been very active and helped the congregation various ways, raising \$257 altogether. The Y.P.S. carried on its usual educational and recreational program during the last year and also helped the congregation financially a good deal. The Sunday School gained members and with two teachers at its head, does a fine work among the children. Fifty-four children attended the Daily Vacation Bible School, some of whom were adherents of other faiths. The congregation raised \$884.07 and contributed toward the Budget of the Church. There is every hope that conditions improving this group will advance to the glory of God.

Our Port Colborne congregation consists of 36 members, but an average of 28 attends the services and there are 22 children in the Sunday School, proving, that the smaller a congregation, the greater the proportional attendance. There is a choir of 18 members and I consider this group about the best singers (among the Hungarians) in all Ontario. Unemployment affected this group a great deal, many members having departed to other localities, but the present membership is very faithful and is planning for better days. This group is very happy to have weekly services.

Windsor. Our Hungarian congregation in Windsor was just being consolidated when unemployment and other problems came. However, their new building is a great source of strength and the minister, Dr. E. F. Molnar is doing a very distinctive spiritual work, which is felt in the community in various ways. There is a strong evangelical spirit in the congregation. It is encouraging to note that the members are taking a growing interest in our Canadian church work, its missions as well as Canadian life and literature. The young people have on several occasions presented Canadian literary works. The Sunday School has already raised some fine specimens, some of whom are already preparing themselves to assist the minister in his work. Mrs. Molnar with her musical talents has helped a great deal in the choir, through concerts and also through a faithful group of women, who not only held spiritually profitable meetings, but raised a good share of the congregation's expenses. As everywhere else, social work represents a considerable part of the minister's efforts, but in this respect some elders lend fine assistance by visiting with the minister and by themselves and in various ways. The congregation uses its building every day and if we consider what they could do without it, that church on Parent Avenue, in the heart of the Hungarian settlement, is not a liability, but an asset.

FRANK KOVACS.

UKRAINIAN WORK, TORONTO

During the past year Ukrainian Mission in Toronto made a marked advance.

Our membership almost doubled. In spite of financial difficulties and depression, contributions of the members for the support of the mission grew from \$153.00 to \$401.00. This is a real achievement in view of acute suffering of downtown population in Toronto. There are families of five living in one room, and they are not always certain that they will have it next month. There is a lack of dress, shoes and food. In the face of all this, the increased giving is a very cheerful feature. The greatest inconvenience for the Mission was the lack of a suitable place for worship in the downtown district. To solve this problem the congregation rented a large house, furnished it and accommodated two rooms for their meetings. The rest of the rooms being rented supplied in part the money necessary for the rent of the whole building.

The Mission has two preaching stations, one on Royce Avenue and the other on Bathurst Street. Royce Avenue Presbyterian Church allowed us kindly to use their old church for Sunday services. Invitations of Rev. H. A. Berlis to join them in communion services have proved a great help in spiritual life of our people.

The method of carrying the missionary work is the preaching of the Gospel, visiting homes, hospitals, jails, etc., distributing of literature, assisting people in their difficulties, showing slides, open-air meetings during the summer, cottage meetings and personal evangelism. In this work hundreds of Ukrainian families in Toronto were touched in one or another way.

The work is not without its peculiar difficulties. "Reds" are doing their best to undermine our work, but in spite of all this we are glad to report a good growth and an increase.

It is my duty and pleasure to state that much of the growth of the Mission and much of the good that has been done was due to the untiring efforts and cooperation of our deaconess, Miss Maystrowich.

Respectfully submitted.

MICHAEL FESENKO.

UKRAINIAN WORK, OSHAWA

The following is my brief report for the year 1932.

I am pleased to say that despite the exceptionally depressing conditions in Oshawa, the Ukrainian Presbyterian Mission has made a substantial progress. It is true, that financially we do not amount to very much, since many of our members and adherents had to go on relief lately, but otherwise this was our best year since we organized. During this year we have gained a number of friends and adherents and received 13 new members on profession of faith.

Two church services are held every Sunday except July and August during which the evening services are omitted. Church attendance increased considerably. Our Sunday School now numbers 45 scholars.

During the week we have mid-week services, lectures, singing and play rehearsals.

In the summer of 1932 our congregation elected three elders. The election and ordination was conducted by the session of Knox Church, Oshawa. Now we have our own session.

There is a very active Ladies' Aid Society in our Church. Their annual bazaar last fall brought them about \$100. Of this sum they used \$85 to pay six months' interest on the church mortgage.

Last summer we organized in our Church what is known as the Enlightenment Society. Many of our members and adherents belong to the society. It is under the auspices of this society that I lecture on various subjects—on the average two lectures a month.

We feel the need of a Presbyterian publication, but financially we are not strong enough to undertake it. To meet the need partly, last summer I started publishing a weekly bulletin, called the *Bell*. This is simply one copy of five large typing sheet pages of articles and comments of general and religious interest, as well as important news. It is printed in small letters by hand. This is a mediæval way of doing things but it seems the only way under the circumstances. The Enlightenment Society supplies me with the necessary paper and I do the rest of the work. This work took much of my time in the beginning but I have acquired speed now.

The *Bell* is published every Saturday. The sheets are tacked on a bulletin board, specially made for this purpose and kept in the church basement. People read it after evening church services on Sunday, and during the week when they come to various meetings and rehearsals.

Special attention is given to the important events in the religious life of the Ukrainian people here and abroad. The purpose of the *Bell* is to interpret these events to the Oshawa Ukrainian congregation in the light of the evangelical religion, as it is presented by the Presbyterian Church.

The total amount raised by the congregation in 1932 was \$425. Out of this we paid interest on the mortgage, lumber bill, tax, coal, light and water bills, the caretaker, etc.

Frontier Fields

PEACE RIVER DISTRICT

The year which has just closed has seen advance and consolidation in spite of difficult times.

The main advance was the building of the church at Dixonville. A detailed account of this will be found in Dr. Margaret Strang's report. After years of student supply in the summer months, it is a great satisfaction to see the work permanently established, and now in such capable hands as those of Dr. Strang.

The most evident consolidation has been in Grande Prairie. Every branch of the Church's activities has shown a decided increase, and interest is still growing. When the depression lifts, I feel sure that the Grande Prairie field will be able to contribute substantially towards the missionary's salary.

The work at Heart Valley and Wanham has been well sustained. People at these points are very grateful for the services of our Church, and in Heart Valley, they have expressed a desire for a church of their own. I have had very trying trips into this district but have always felt amply repaid as invariably there was a good attendance. New St. James Church of London, Ontario, has given \$100.00 towards the purchase of the log church there, which is owned by the United Church.

Bear Lake and Flying Shot, the other points supplied from Grande-Prairie, have maintained their interest and appreciation of the services which we have been able to render.

The points supplied from Grande Prairie are:—Grande Prairie, Flying Shot, Bear Lake, Wanham and Heart Valley.

Lymburn and Swan Lake districts had student supply during the summer. The Lymburn services I have maintained during the fall and winter months. The people here are very appreciative. It is a very needy field and it is their desire, as well as mine, that a church be erected.

Pouce Coupe and district has been ably manned by Miss MacDonald, our deaconess, after the Rev. Mr. Burch returned east. For a detailed account of this field, I would refer you to her report.

Brownvale and district have been ministered to by our student, Mr. T. Hutton. In spite of difficult times, he also reports progress.

I wish to express my grateful thanks for the many bales of relief clothing, and also for cash donations which were sent here. The sorting and distribution of the clothing was one person's work, but that was gladly undertaken by Mrs. Wright. We greatly enjoyed and appreciated the visit of Dr. and Mrs. MacKay, of London, Ont. also, the official visits of Miss Lamont and the Rev. Mr. Horne.

Yours sincerely,

E. A. WRIGHT.

PEACE RIVER DISTRICT—DIXONVILLE AND CLEAR HILLS

Work here has made good progress during the past year.

Services have been conducted regularly every Sunday at Dixonville, and every alternate Sunday at Clear Hills. In addition there have been two or three services at distant and outlying points, at the request of the settlers. Sunday School has been organized at Dixonville, with two teachers. Church attendance varies a good deal, depending largely on the weather, but on an average, has been good.

The Budget allocation for these two fields was \$50 for 1932. By collections and a canvass conducted by the Ladies' Aid, this amount was over-subscribed by \$18.25. This means a great deal in a community where money is as scarce as it is here.

The Ladies' Aid has done good work this year, in local relief, establishment of circulating libraries, canvass for church budget funds, and provision of some furnishings for the new church.

Night School and Choir Practice for the young people of the neighbourhood were conducted during the spring and summer, but with very much regret this had to be dropped after August, due to the pressure of other work.

The log church at Dixonville was built during the summer, with funds provided by a private party in Edmonton, and the finishing was made possible by the gift of Trust Money from the Session of New St. James Presbyterian Church, London, Ont. Complete furnishing for the building, including pulpit, pulpit chairs, organ, baptismal font, carpet, stove, communion table and communion set, were also sent up as private donations from the members of New St. James. Their minister, Rev. James Mackay, D.D., presided at the church opening on August 21st. He also conducted communion services at both preaching stations, baptized five children and ordained three elders at Dixonville.

Funds have been provided by members of New St. James, and by the personal work of Dr. Mackay, to hire a housekeeper for the missionary and to build a woodshed and cistern at the manse at Dixonville. All of these were much needed and much appreciated.

Medical work keeps the missionary busy. There have been fifteen maternity cases, all attended at home, several accident cases, including fractures; three patients taken to hospital at Peace River; an epidemic of chicken pox and another of influenza; the ordinary run of illnesses and a Public Health examination given to all the children of one school section.

Many bales of relief clothing have been sent up this year and the calls for the contents have been numerous. Owing to hard feeling between neighbours over the distribution of clothing last year, the missionary is handling it alone this winter. Needy cases are investigated and relieved. Those who can do so, gladly pay a very little for what clothes they receive and all funds thus received, are turned in to purchase wool, shirting and overall denim, which is made up by those who need these articles of necessary clothing, not provided in the bales.

The freighting, sorting, acknowledging and distribution of the bales is work enough for one person, but it is a most necessary duty, one that can be turned to good account for the Kingdom, and it would be hard indeed to say what the people in this district would have done without such help this winter.

There were three Christmas trees in as many different places during the holiday season. Gifts and decorations for these were sent up by various church organizations in Calgary, Edmonton and Exeter, and by private parties. There were one hundred and eighty children remembered, each one with a useful gift, a toy or game and a sack of candy apiece. It was all the Christmas some of them had, and they surely did appreciate the thought and generosity of the distant folk who had made their treat possible.

In this district and the Battle River prairies to the north, an area of over 2,000 square miles, with a population of 6,000 to 8,000, there is no High School. Such an institution is a real need, and partly or wholly under church auspices, with boarding house well supervised, would be a tremendous asset both to the community and the Church.

Prayer meetings have been instituted weekly at both Dixonville and Clear Hills, and there are many signs of quickened interest in the things that are spiritual and eternal.

Yours faithfully,

E. MARGARET STRANG,

Medical Missionary.

PEACE RIVER DISTRICT—POUCE COUPE

Since writing you Mr. Wright paid me a flying visit and said he wanted me to write you a more complete letter than the one I had sent. So I am writing you again. Mr. Wright had to leave on the freight the next morning so he came over for breakfast about 7 a.m. and the thermometer then registered 55 below. About nine o'clock it went down to 62.

After coming back from my vacation I had a camp for the girls at Swan Lake. There were thirty-one of us at camp for a week, and it only cost me \$18. I had just that much money either given to me or paid by the girls. The hard times this year helped us. Last year everyone had plenty of vegetables and so we had to buy bread and butter. This year we had enough home made bread and butter and cake to carry us through the week. Even though it was a dry summer it rained as soon as we started for camp. There were several things we needed but I did not dare leave the camp because the rain had put the roads in such shape that it might take me an hour to get to town or it might take me all day. The youngsters enjoyed themselves, even with rain and dodging wasps and hornets, and wanted to stay longer.

In September I started going to Tupper every other Sunday, carrying on the service that Mr. Wadland had started. There is a large community there and we had quite a good attendance but not many of the grown-ups came out. My last service there was held on Armistice Sunday. The roads had been in terrible shape and then the snow stopped all cars. I think by starting in as soon as possible in the spring quite a good congregation can be worked up there. Most of the folks have at least two miles to walk to the school house.

When Mr. Burch went up to Fort St. John I took over the services at Riverside and High Ridge. At both places every one who comes to church stays for Sunday School too. While I was on my vacation Mr. Wadland missed one Sunday getting to Riverside, which left them for four weeks without a service, and so Mr. Proctor, the Anglican minister, thinking Riverside was being neglected started to hold services there. It has not affected my services at all and it gives Riverside a service every Sunday. The United Church minister used to go to High Ridge, but he has stopped through the winter months and so my service is the only one being held there now.

I have a splendid group of Girl Guides, 18 of them, in Pouce Coupe. I have just about six Guides in Dawson Creek, and 20 little Brownies. We meet each week as a rule, but I have had to drop them since Christmas time. There is only one girl at High Ridge and she came to camp with us. I go out to Riverside every Friday and have Guides, Scouts and Brownies together. We have a fine bunch of youngsters out there, fourteen of school age.

And last but not least there is the Riverside Church Circle which meets once a month. We have put on several dinners which were the means of raising most of the money. Beside that sent in, the Circle has about \$12 on hand, which will be used to fence the church, so that we may have some flowers growing there next summer. At our next meeting we are starting a quilt for the Red Cross Hospital in Pouce Coupe. The women out there have an institute too, and I am one of the directors.

I must not forget to mention the relief work. Our own church at Goderich, Victoria, Vancouver, Red Deer, Edmonton, Toronto, Montreal and Calgary have all been most generous in their supplies. I think there have been hundreds of people who have written or called at the house asking for clothing.

And then there are always the miscellaneous things.

I am still not very keen about preaching sermons but I do like the work of helping where I can and with the youngsters.

Yours most sincerely,

HAZEL M. MACDONALD.

INDIAN WORK

Report re the work among the Indians on the different reserves within the bounds of the Presbytery of Brandon, Manitoba.

OKANAI'S RESERVE, ELPHINSTONE

We took charge of the work on this reserve, September 15th, 1931. We moved into the Mission House and live on the reserve among our people.

Service has been held in the church here every Sunday morning at 11 o'clock. The people have been very faithful in their attendance, in cold or heat, in rain or shine. The largest attendance was seventy and the lowest sixteen. The average for sixty-one Sundays has been a fraction over forty. The people join heartily and reverently in the praise part of the service and listen attentively to God's word and the message from it for the day.

A number of the people do not understand English so after I have read the lesson in English, Chief Geo. Bone reads it in the Cree and then follows with prayer in the Cree. And he has great freedom in prayer. The Holy Spirit is manifestly present as he prays. The sermon too is spoken through an interpreter so that the old people may get the message in a language they understand.

The first communion service we had, there were twenty-one, who sat at the Lord's Table, thus obeying the Lord's command, to do this in remembrance of Him, until He comes again.

Offerings are taken at every service and although the people are poor we have to date remitted to the church treasury one hundred and two dollars (\$102). We have on hand nearly twenty dollars, which with the collections for the next three Sundays, will be sent forward in time to be credited on this year. The full amount will run over one hundred and twenty-five dollars (\$125).

In addition to the regular Sunday services we are kept busy during the week with many duties, visiting the sick and the aged and seeing that they lack for nothing.

In this connection the government supplies a stock of medicines and medical supplies, which are under Mrs. Paterson's care, to be given out according to need. The government or rather the Indian Department of the Government has asked her

to dispense these supplies, she being a trained nurse. And in addition to this work she co-operates with the government doctor in caring for those who need such care.

The government also supplies flour, bacon and tea for old people on the reserve, who are not able to work. These are stored in a building for the purpose near the Mission House and at the request of the Department we give out these rations to those who are on the list, all old and needy people.

Last winter the Department forwarded flour and extra bacon and tea for relief work for those on the reserve, who were in need and were not on the regular list.

There is also a branch of the W.M.S. here in which the Indian women take great interest. They have their regular meetings, which are well attended, take offerings and remit these to the W.M.S. Treasurer. Mrs. Paterson has charge of this work and finds the Indian women greatly interested and regular in their attendance. The amount of \$17.50 is just being forwarded.

SUPERVISION OF OTHER RESERVES

As you will no doubt remember I was asked by the General Board of Missions, after their meeting last March, to take the supervision of the work on the other reserves in the Presbytery of Brandon. These reserves consist of Rolling River, Lizard Point and the Bird Tail.

This necessitated my visiting these different reserves for the purpose of baptizing the children, marrying, dispensing communion, and discussing the work with the different missionaries, and planning how it best can be carried on. This work has made necessary a lot of driving as these reserves are widely scattered. Our missionaries on these reserves are seeking to win souls for Christ. As a sample of what is being done let us look at what has been accomplished in Birtle Indian School and town. Sacrament of the Lord's Supper was dispensed in June last. There were received into church membership on profession of faith twenty-seven in all. Eighteen of these were senior pupils from the school. In addition to these there were a number joining by certificate which brought the number on the roll to fifty-two. The service was held in the Baptist Church, and it was full to the door. Thus the work is being extended under the blessing and guidance of Our Heavenly Father.

I made two visits to Pipestone Reserve where there are about twenty families, some of them Roman Catholics. They have been without service for many years and have grown indifferent. Rev. John Thunder was missionary there for years, but it seems impossible to rouse any interest at present.

All of which is respectfully submitted.

ROBERT PATERSON.

Institutional Work

SCOTT INSTITUTE, TORONTO

"Behold the days come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord." Amos 8:11.

The past year has been characterized by famine, both spiritual and material. We, at the Scott Institute, have tried very hard to satisfy the people's thirst for the word of God, and their hunger for the Bread of Life, and also minister to the material needs of our Jewish people. During the year God has enabled us to do yeoman service as ministering angels at this time of need and distress, and as torch-bearers in the hour of darkness and despair. Throughout the province, friends have been raised up who are praying for our work, and praising God for the ministry of the Presbyterian Church in Canada, in the Scott Institute.

No written report can convey either the amount or the intensity of the work nor can mere language describe the varied and complex missionary activities carried on in this Presbyterian centre for Jews. To understand, you must be present and see the work for yourself. No one, but those who have actually witnessed the stream of people coming into our Institute, can possibly imagine the amount of work done in our Mission. On a recent Thursday night 75 Jewish families were waited on and given their rations of groceries for the week, in one hour. That means that it took less than one minute to wait on a person. Necessity is a great teacher, and in the midst of this urgent work we must so systematize and improve our methods of work, that we shall give the maximum of our strength, with a minimum of waste of either strength or time.

During the past year we have witnessed a great spiritual awakening. Our evangelistic services have been attended by capacity audiences, averaging a hundred adults per meeting. Our mid-week prayer meetings have an average attendance of fifty Jewish men and women praying in the name of Christ. The past year has been the most trying in the history of our missionary work. Men and women who used to contribute to our work have had to come and seek aid, and beg for food at the Scott Institute. Hundreds of Jews have come in, pleading for a morsel of bread for their children. We supplied to the poor, not only food, clothing, coal, but also medicine for the sick, crutches, eye-glasses, and numerous indispensable surgical appliances for the bed-ridden and convalescent, who would otherwise have suffered unbearable hardships.

But remember, dear friends, that it was just at a time similar to that through which we are passing now, political, social and religious upheavals, that Jesus Christ Himself appeared for the redemption of the world, to heal the sick, clothe the naked, and bind up the broken-hearted. We feel very strongly that the Church ought to obey the admonition "The work which I do, ye shall do also."

Our hearts are full of joy and thanksgiving, and it should cause us to give God all the glory and praise, that at such a time as this, when strong business concerns are collapsing under financial burdens and strain, when all the worldly resources seem to be exhausted, we can report that our never-failing God has supplied all our needs: that the year has been a year of increase with us; increased numbers of Jews attending all our evangelistic and devotional meetings; increased attendance at our Young People's Society; increased burdens and work upon the shoulders of your missionaries at the Scott Institute; increased influence among the Jews, as well as in the community at large; increased activities in connection with our Mission; increased receipts of donations for our work; increased number of friends and praying people who are upholding us before the throne of Grace. To date, all our bills and debts are paid up, and small balances remain in the Jewish work, Fresh-Air work, as well as the Soup Kitchen Funds.

Throughout the months of May and June we held evangelistic open air meetings in College Street, where hundreds of Jews listened eagerly and attentively to the Gospel story and the good news of Jesus, the Messiah, the Son of David and the Son of God. Last season we had the most successful meetings in the history of our Mission, in the point of numbers, as well as in the attention and goodwill of our audiences. It was also the first time that we had a small orchestra, playing and leading in the service of song. The Jewish people are very fond of music, and as soon as they heard the singing accompanied by the orchestra, hundreds of them gathered around our missionaries. After the singing was over, we preached Christ and Him crucified. On many occasions the crowds were sorry to see us close the meeting and were loathe to disperse, remaining and attempting to discuss Christianity with us.

The Summer Home at Grimsby Beach, which is free from debt and is now owned by our Church, carries on fresh air work during July and August. Two hundred and ten mothers and children were guests in the season of 1932 at this summer home, where they gained in strength and health, and many received a new lease of life. Here we minister not only to the physical but also to the spiritual needs of our people.

Every morning, table worship is conducted by the children themselves; and in the evening a sing song and twilight service concludes the day's activities. After the children have retired, Miss McArthur, our deaconess, gathers the mothers on the verandah, and there in the quiet of the evening, they listen to the still small voice of the Spirit of God, and the Word of Life is made plain to them.

During the year we performed four marriages, four children's baptisms, one adult baptism and four confessed Christ as their Messiah.

In conclusion may I ask your fervent prayers for the missionaries at the Scott Institute and suggest that at least one additional worker be appointed so that we may be able to do our work more efficiently and grasp the wonderful opportunities that present themselves at this time in our work among God's ancient people, the Jews.

Respectfully submitted.

PRESBYTERIAN GIRLS' HOME, TORONTO

During the year 1932 forty-two girls and thirty-one children were cared for in the Home. Of this number twenty-nine girls and twenty-five children were admitted during the year. Nature of cases: Maternity 25, Discipline 4. Nationality: Canadian 21, English 5, Finnish 1, Irish 1, Welsh 1. Of the twenty-seven girls discharged during the year, sixteen returned to their parents or guardians, two were married, one returned to school, and positions were found for eight girls. Of the thirty-one babies in our care during 1932, there were nineteen adopted into good homes, four were taken care of by the mothers, and four were placed in boarding homes, two died at birth, and two are still under the care of the Home.

In our Home life, we stress religious training, and the highest ideals of womanhood are kept before the girls.

This past year, we have noticed more than ever how grateful our old girls are to this Home; their Home in a time of dire need. They return again and again expressing their gratitude in many different ways. We feel that they are fighting bravely for a new place in the world.

We give thanks to God for His guidance during the year just closed, and we look forward to a new year even more devoted to the work for our girls.

NEIGHBOURHOOD HOUSE, HAMILTON

It is difficult to describe the work that goes on in a field of this nature by mere numbers and other statistical data and since space is limited, I must leave everything except the real essential descriptive facts to the imagination of our Board of Missions. As it was originally intended and since then again confirmed, this work is carried on according to the principles of a Christian social settlement. As membership in various activities was about 550 in 1932, it may be safely stated, that even if the adults of the neighbourhood (being mostly newcomers of various races) are not included, practically the whole district is affected through the young people and children.

Besides the minister in charge two full time workers are giving their very best to this settlement, that is, Miss Maria Sloane, who spent decades in mission and social work in service of her Church, and the Beach Road district could not be imagined without her familiar figure, and Miss Marie Snor, who during the last few years has done work far in excess of an average young worker. Indeed, she has exerted herself perhaps too much, as on writing these lines, she is ill as a result. But we prayerfully hope that she will soon resume her duties amongst her children and young people. One must understand, that aside from the regular activities hereunder described, the workers at Neighbourhood House cheerfully take on themselves the cares and the various personal problems of young and old. What these problems are, one may imagine by considering the hard times we are living in and that only a small percentage of the population of the neighbourhood have employment. A part time boys' worker is also engaged, and four regular helpers give assistance in clubs and the summer school, and there are many occasional helpers.

The regular activities include the Sunday evening service, the Sunday School (attended by the Protestant children of the neighbourhood), a daily play school (except Saturday) for children under school age, a Saturday playtime for all children, attended by 125 to 150 children; three afternoon and two evening clubs for girls; one afternoon and three evening clubs for boys, involving about 100 (above 10 years of age); one club for unemployed young men (25); mothers' club (about 40); some of the above mentioned girls' clubs have sewing classes in connection with their regular meetings. Music lessons and practice hours are given to children talented in that sphere. A "Well-baby-clinic" adds to the pleasant noises of the institution once a week. Books are lent to members from the small library. The workers paid 239 calls to homes of members during the year.

Under the classification of special activities we may mention the Daily Vacation Bible School during July. Several concerts were held, also picnic and hikes were great events in the lives of the children and young people, whose parents have no cars, nor money to take them to excursions during the summer months. The shower baths in the basement of the residence also added to the children's summer enjoyments. The sandpile and playground have been always available for tiny ones during the summer. Handwork by boys and girls we encouraged by exhibitions, which aroused special interest in the parents of the children toward the educational program of the institute. The rummage sales last spring and fall were not only amusing and profitable for the people, owing to the "extremely low" prices, but also to the faithful committee of ladies who helped gather the material for same and who enjoyed bargaining for penny prices with buyers of about 20 nations. The city camp received as its guests 128 girls under the supervision of the Neighbourhood House. Several times a generous supply of fruits and vegetables was sent by neighbouring farming communities and the people appreciated distribution of same. For gifts of clothing, food, etc., let this report suffice to all our benefactors, who are too numerous to be mentioned by names.

Attendance during the eleven months of the year was 28,735 and the average monthly attendance was 2,612, whereas the largest monthly attendance was 3,175. The average daily attendance at the Daily Vacation Bible School was 134. 45.9 per cent of the membership was Anglo-Saxon and the rest was made up of different Europeans. The 57 per cent of Protestant membership was balanced by 37 per cent Roman and Greek Catholic members and 6 per cent declared themselves as non-descript, by admitting no religious affiliation.

Two hundred and ninety dollars were raised for all purposes in the institute and received as donations from friends of the work during the past year.

FOREIGN MISSION REPORT

EVANGELISTIC WORK

Our evangelistic work has suffered greatly from lack of missionaries. Though the mission has now been established for sixty years there has never been a time when there has been more than one, and frequently there has been not even one, fully qualified ordained man free to devote his entire time to evangelistic work, since the institutions necessarily have first call on our staff. The native church has, as a result, always suffered somewhat from lack of over-sight. This year, for example, there have been visited, places where no missionary has been seen for over five years, and yet we have only seventy-two preaching appointments in our whole territory.

Much emphasis has always been placed on strict evangelism. For this purpose all the congregations join together into groups of three or four, and at least once a year have special evangelistic services. Besides this we have an evangelistic band headed by one who, having come through an experience in conversion such as is the privilege of few, can now appeal irresistibly to those whom he has left in native darkness. Usually the churches are too small for the crowds who gather for these meetings, and at such times public halls, market squares, or even temple courts are used. Occasionally, though very rarely, opposition is met. Once the police had to remove some men who were making their presence objectionable. These particular men were idol carvers, and seeing their trade threatened they had, like Demetrius of old, attempted to break up the services. Again, a very prominent man of a certain village became interested in Christianity, and as a result refused to support the annual native festival. Following this he had a bomb thrown into his house. This persecution however, though it injured his body, served but to increase his faith. Active public opposition such as this, however, is rare. There may be, and frequently is, persecution of a very severe type from a believer's immediate family when he becomes a Christian, but public interference with evangelistic work is not very common.

The native church is quite alive to her responsibilities to her young people. In this matter we are faced not so much with heathenism as with the new social outlook of the youth of this as of every land. Our task is the winning of the youth from atheism rather than idolatry.

Almost every congregation has a Sunday School, giving a total enrollment of nearly three thousand pupils, many of whom come from non-Christian homes. Presbytery has tried to increase the efficiency of the teaching staff by holding teacher-training classes in various districts. One of our staff gives very material assistance to the Sunday School workers by carrying on with them a correspondence course based on the Sunday School lessons. The summer vacation Bible Schools are growing each year. Last year there were seventeen, with an enrollment of four hundred and seventeen. Another member of our staff carries on a memorization course with young and old. For memorizing fifty selected verses from the Gospel of Saint John the candidate is given a copy of the New Testament Scriptures; for memorizing fifty verses selected from the Old Testament the candidate is given a copy of the Old Testament. For memorizing a further one hundred and thirty verses from the Old and New Testaments all expenses are paid to a three day Bible conference; for a still further five hundred verses learned by any woman, all fees etc. of a term at the Women's School are paid.

The policy of the native Church this year has been one of concentration rather than expansion. With less than 1 per cent of the population of our territory in any way associated with the Christian Church, their influence cannot be expected thoroughly to permeate the community as a whole. Furthermore, the effort of

trying to maintain struggling groups of twenty-five or thirty Christians widely scattered is not only pathetic but ineffective. For the present, therefore, concentration on work already established would seem to be the better policy.

In the matter of self-support there has been little progress made in the last decade, but the economic situation at home with the resultant cut in the grant to the native Church has compelled the Church here to face the prospect of either reducing the number of her workers, or of herself raising the money necessary for their support. In choosing the latter course she will not only maintain her present strength, but will probably find an increase in her own vitality, for these two factors seem to be closely inter-related.

This year the mission celebrated its Diamond Jubilee. For this we were honoured by the presence and services of the Rev. and Mrs. W. G. Brown. We understand that this is the first time that a Moderator of the Church in Canada has visited a foreign mission field during his term of office, and we recognize the distinction which was ours. Over a thousand people came to Tamsui for these services, which lasted three days. The older ones told of the difficulties of the past in establishing the Church in this island, and rejoiced at its growth, while the younger ones took away a new spirit as they realized at what a price the foundations of their spiritual freedom had been established. Mr. Brown was able to visit several of the churches and preaching halls of our field, where messages from the Mother Church brought cheer to the hearts of the Christians of Formosa.

THEOLOGICAL COLLEGE

The Theological college this year has continued to function in Oxford College, a building erected fifty years ago by a friend of Dr. G. L. MacKay in Oxford County, Ontario.

The registration this year has been larger than for several years, due partly to the increase in the number of students from the Ami tribe. We now have eight Ami students as well as twenty-three Formosans. Since there has been no increase in the budget of the college we have had to exercise most rigid economy in order to make ends meet. Two Formosan students graduated this year, and seven entered first year.

The fiftieth anniversary of the opening of the college was made the occasion for instituting a library fund, the purpose of which is to increase the efficiency of our very limited collection of theological books. Over three hundred yen has been collected.

The students continue to carry on evangelistic work in nearby villages, as well as to supply for preachers and pastors who may have occasion to leave their pulpits. Many of the students get appointments in the summer months. The scholarship of the majority is very high, and we look forward hopefully to their contribution to the Church here.

MIDDLE SCHOOL

The Tamsui Middle School has an enrollment of some two hundred and twenty boys, of whom one hundred and sixty are boarders. The native staff consists of three Japanese and seven Formosans.

In April, which is the beginning of the school year, over one hundred boys applied for admission. This is lower than in previous years, but undoubtedly the depression had much to do with it.

The course of study is the same as that of a government Middle School, except the study of the Bible which is a required study in all years. All our boys go through a five year course in the following subjects: Japanese, Chinese, English, History, Geography, Drawing, Arithmetic, Algebra, Geometry, Trigonometry, Physics, Chemistry, Botany, Geology, Ethics, Music, and the Bible.

Searching text-books for the school is an endless problem, for the Japanese love the use of new text books every year, and the books can be bought only in Japan. It keeps the staff busy looking over the pile of books each year, and choosing the best, and then reporting to the government the names and titles of all the books that are to be used.

Japan has made great strides in athletics during recent years. Our boys play English Rugby, baseball, basketball, tennis. During last term our basketball team defeated Taihoku Imperial University.

There is a healthy atmosphere in the school. The religious life of the boys claims the attention of the entire staff. Bible classes and prayer meetings are held every week. Before the boys left the school for their summer vacation, cards were distributed. The students were then requested to have the cards signed by a pastor or preacher whenever they went to Church. The records showed that many non-Christian boys went to Church during the holidays. Many of the boys, unfortunately, have no church near their homes. Such is one of the problems of a mission field.

HOSPITAL

During the year the medical staff was depleted by the withdrawal of Dr. M. G. Graham, and the nursing staff increased by the addition of Miss Hermanson. We are fortunate in having a good staff of Formosan men and women, without whom the work could not exist. During the year three nurses graduated, and five new pupil nurses entered the training school. Quiet and steady routine work is carried on in all departments with the forty-odd employees all co-operating to give the hospital a good name in the community.

Considerable and increasing attention is being given by the government authorities to work usually described as Social Service. In May and November special sessions were held in the out-patient departments of the hospital. At these, evangelistic and public health addresses were given. After the meetings patients received free medical examination and, where necessary, treatment.

The women's out-patient department continues to render efficient service on three afternoons a week. During the year 448 women attended a total of 1,258 times.

Our faithful and earnest evangelist has given another year of efficient service, preaching, teaching, exhorting, and in many other ways helping the sick. There are two Bible women working amongst the female patients. The whole work is an effort to heal the sick and to present Jesus Christ to all. To the villages up and down the land men and women who have learned of the Gospel while in the hospital have returned, and in the village church they have been seen for the first time, come, as they have, to offer thanks to the Great Physician for the healing He has given them, and to join in the great company of believers.

An incident taken at random from amongst the thousand of in-patients may be quoted as illustrating the kind of services rendered throughout the year.

On the East coast a doctor from the foreign staff of the hospital was visiting a

native practitioner, once an assistant in our hospital. He met there a man who had an infection in his hand and fore-arm, resulting in much loss of skin, and the patient was in despair. The man's employer was kind and willing to help, and it was arranged that the patient should come to the hospital at half-rates, these being paid by the employer. At the hospital the extensive surface was skin-grafted. The operation was successful, and the surface is now covered with healthy skin, and the man is a friend of the hospital for ever.

In this, the eighth year since the inception of the Leprosy Department, 154 men, women and children have made a total of 3,962 visits to our special out-patient clinic. The treatment of this disease is a very prolonged affair, and many tire too soon, but some persist year after year. The great mass is improved, but there is nothing to add to what has already been written on the obstinacy of leprosy to curative treatment. The Mission to Lepers continue to make financial grants to this work, and there is a subsidy received from the Government of Formosa, so that this work is carried on at no expense to the Church. A regular lepers' service, in addition to those held on clinic mornings, is held every Sunday morning.

The following is a quotation from the report of a deputation from the Presbyterian Church of England which visited Formosa this summer:

"The Japanese have also given much attention to hospitals and public hygiene. It is quite impossible for us to enter into competition with government hospitals in either buildings or equipment. . . . We were very glad to see one institution which, when it is completed, will out-match anything of the same kind provided by the government. That was the Leper Colony in the north of the island (Formosa) which is coming into being under the inspiration and guidance of Dr. Gushue-Taylor. . . . This is not a work for which we are in any way responsible, but we might well regard it as a privilege to assist."

On January 19th the foundation stone of the Happy Mount Leprosy Colony was laid by His Excellency Mr. Innoue, Chief of Police of the Government of Formosa, acting on behalf of His Excellency the Governor General.

The Hospital has been able to get through the year without any grant from the Home Boards. This has been possible because we have received from the Foreign Community and the British Consulate approximately Yen 6,100.00 (one Yen equals 50c. at par) for services rendered, and because we have drawn to the extent of Yen 1,700.00 on a small balance account which has accumulated during previous years. At the present rate the balance will vanish within two years. Charitable treatment has been given to the extent of Yen 6,700.00 to individuals in the need of treatment, but with little or no means with which to pay. Our income from the foreign community will be decreased by Yen 1,100.00 this year, but we still hope to be able to continue the work without any grant from the Home Board.

Manchuria

The story of the Manchurian Mission for 1932 may be summed up in one word—PROGRESS. The outstanding features of this progress are: (1) A hungering on the part of the non-Christians for the Gospel and a deepening of the spiritual life of the Christians. (2) The largest number of converts in the history of the Mission. (3) The givings of the Chinese Christians were more than double that of any previous year. (4) Eight new outstations have been opened in spite of the storm which has been raging around us.

We have two resident Missionary stations, namely, Szepingkai and Taonan. The outstations worked from Szepingkai are Kailu, T'ungliao, Cheng Chia T'un, Maolin, Shuang Shan, Kung Chu Ling, Kuo Chia Tien, Tsi Lu Shu and Lu Chia Kou. The following outstations have been opened from Taonan—Chiang Ch'iao, Tailai, T'a Tze Ch'eng, Chen Tung, Pai Ch'eng Tze, Wang Ie Miao, Kaitung, and Chan Yü.

SZEPINGKAI

Dr. Goforth is in charge of the Szepingkai district and in spite of his advanced age, is by reason of his intense activity, an example to all and a tower of strength to the whole Mission. Mrs. Goforth carries on an extensive correspondence in connection with the Evangelistic Fund and during 1932 received \$12,123.61 Mex. in unsolicited donations from friends in the United States and Canada. Fifty evangelists have been supported in this way. Thus we have not only been able to hold the line but even enabled to advance at a time when the financial depression would not have permitted our doing so. Mrs. Goforth has also in this way been able to contribute toward the Taonan Flood Relief, the Mukden Hospital, and the Newchwang Bible School where our evangelists are trained.

Mr. Paul Goforth, the Mission Treasurer has carried on his work in an able and efficient manner.

We were greatly encouraged by the visit of our Moderator, Mr. Brown and Mrs. Brown, who in spite of the unsettled conditions prevailing, came to us in April.

Preaching has gone on throughout the year in Szepingkai in two Chapels. For two months a large tent was used as well. Bible classes were conducted in the homes. A meeting has been held every Sunday evening for two years in a shop and 6 young men from there have been recently baptized. The proprietor of a neighbouring shop, seeing the benefits derived from such meetings has opened his place for similar ones. There are over 200 Church members on the roll but owing to the unsettled conditions, a large number have moved away. There were 50 baptisms during the year. The congregation raised \$800.65 Mex.

KAILU

Kailu is a city of 20,000 people and is situated 200 miles west of Szepingkai. The work there is carried on by two evangelists. Large number come to hear the Gospel and many homes are open for visitation and Bible teaching. Half the population of Kailu county are Mongolians and many of them understand Chinese. Though 10,000 Chinese soldiers are stationed in the district, banditry still flourishes. There are 70 Church members in Kailu, of whom 21 were baptized this year. The amount raised by the Church was \$310.85 Mex.

T'UNGLIAO

T'ungliao is at the rail head 140 miles west of Szepingkai. The work in this city of about 60,000 is carried on by three Chinese preachers. The city was under bandit rule for several months until the Japanese troops drove them out. Later, the Volunteers broke into the city, which has seen constant street fighting throughout the year. As a protection from the bandits and Volunteers, T'ungliao is now surrounded by electrically charged wire. During the trouble, our Church premises have been preserved, though buildings nearby were shattered. During the Autumn, it is estimated that 7,000 died from cholera. In spite of all these troubles, or perhaps

because of them, many have turned to the Lord. There were 29 baptisms during the year and \$188.85 Mex. were raised.

CHENG CHIA T'UN

We opened up Cheng Chia T'un three and a half years ago. The city has a population of about 50,000 and is 60 miles west of Szepingkai. Preaching has gone on daily in two places. An important branch of the work, house to house visiting, has been carried on partly by volunteer workers. The Church in Cheng Chia T'un has given to the ministry six men and three women. They are being trained as evangelistic workers. The Communion roll now stands at 168, though a great many of these have moved away on account of the disturbed conditions. This number includes the 97 baptized during the year. The amount contributed by the Chinese Christians was \$243.82 Mex.

MAOLIN

This outstation was opened by the Cheng Chia T'un workers. The town has a population of 4,000 and is 40 miles north of the city. Volunteer work had been done by the Chief of Police, Mr. Wang, a Christian who moved down from Taonan and his was the Macedonian cry. Thirty families have turned to the Lord and 92 have been recorded for baptism. Mr. Wang's faith is seen from the following incident. The cook at the police headquarters became demon possessed. While the others looked on in consternation, Mr. Wang prayed for him in the name of Jesus and before his prayer was ended, the demon had been cast out. The outlook here is most hopeful.

SHUANG SHAN

Shuang Shan means "twin mountains." During the summer a request came from Mr. Kuo, a Christian residing there and in response to this request preaching was carried on in a tent until the cold weather set in. Now a Chapel has been opened, the local Christians contributing one third of the rent money. Mr. Kuo has read the Old Testament over 90 times and the New Testament over 100 times. Among the Christians are a number of prominent people including the wife of the County Magistrate. A hundred have been recorded for baptism. The most influential man in the county gave 400 pounds of grain to feed the poor on Christmas. One of the recent converts is a woman doctor, a former idolatrous leader. Now she lives a changed life and uses her power of leadership in the service of the Lord.

KUNG CHU LING

Kung Chu Ling is a city of 40,000 situated in the centre of a fertile and thickly populated district. It is 34 miles north east of Szepingkai. This outstation was opened in the fall of 1931. Altogether 46 have been baptized. Of these the youngest was 11 years of age and the oldest 84. This old man and his brother were forced to leave their farms and flee into the city. Thus they have had an opportunity to hear the Gospel and 20 in their family have become Christians. He said, "we would be in darkness still but for the bandits." A number of opium slaves have been freed from the habit through the power of a risen Saviour. There are some substantial men among the converts including 6 doctors and 4 bankers, one of whom tithes. There is a spirit of Prayer among the Christians and wide open doors present themselves. The amount of money raised by the Church was \$195.54 Mex.

KUO CHIA TIEN

This centre is situated 16 miles north of Szepingkai. The city has a population of 15,000. The cause is carried on at Kuo Chia Tien by one evangelist. There were 24 baptisms during the year. The amount of money raised was \$50.95 Mex.

TSI LU SHU

Tsi Lu Shu is a country outstation 16 miles south west of Szepingkai. Banditry is very bad in the district but our work has not been hindered. Every shop in the town is open to the evangelist and there is an eagerness to hear the Gospel. The Church roll stands at 22, of whom 14 were baptized in 1932. The amount contributed was \$16.80 Mex.

LU CHIA KOU

Lu Chia Kou presents an opportunity. It is situated a few miles from Tsi Lu Shu. The building provided by a Christian, is meant to hold 50 people, but is crowded on Sundays with as many as 100 eager to listen to the story of the Cross.

TAONAN

The missionaries stationed at Taonan are Rev. and Mrs. Davis, and the writer of this report and his wife. We are loyally backed up by a band of consecrated Chinese workers.

Taonan is a large city of between 80,000 and 100,000 people. The prevailing colour is the grey of the mud walls and its one great drawback is the continuous dust storms for a considerable period of the year, but the souls of the people are just as precious in the sight of the Lord. In order to reach them, the Gospel story is proclaimed daily in three Chapels. Preaching to the Christians and non-Christians in their homes is carried on both by the men and women. Bible classes are held for the instruction of the converts. A colporteur spends all his time selling Gospel portions and preaching in inns, tea shops, and on the market place.

Taonan was favoured with a visit from Dr. Goforth during February, when he held special meetings. There was a large attendance of Christians both from the city and outstations and much blessing resulted. At that time the Chinese Pastor asked for contributions toward the building of a Church, he himself giving \$100.00. The land has now been bought and some buildings suitable for evangelists' dwellings erected. Our hope is that sufficient funds may be raised in 1933 to build the Church.

We have a large number of Christians in the surrounding country but work has been considerably hindered by the unsettled conditions. However, some village preaching was carried on in the Spring. During the Autumn, Taonan city was in danger from the floods. Great loss was suffered by the country people but we have been able to help a large number of families who lost their crops.

Though the cholera plague was severe, none of the Christians succumbed to this dread disease. Martial law prevailed for a time and though the country round about has been in a disturbed condition, the city has remained peaceful.

In the Autumn, we held an 8 day Bible School followed by 5 days revival meetings led by Pastor Ch'i, the able and consecrated Pastor of Kirin. Many of the Christians have been living changed lives since. Large numbers featured the three day Christmas celebration and the Church, though enlarged three times during the year, was crowded with all standing room in the aisles taken.

There were 75 baptized during the year and after having removed the names of those who have died and moved away, the Communion roll stands at 142. The total contributions of the Taonan Church for the year were \$1,658.66 Mex.

CHIANG CH'IAO

Chiang Ch'iao, 130 miles north of Taonan, the scene a year ago of the battle of the Nonni River, is an outstation just opened this year. The evangelist, once a great sinner, has been used of the Lord to bring blessing to many. One of the converts, Mr. Kong, is an officer commanding the railway guards. He was a zealous idol worshipper and had just raised money to build a temple when he became demon possessed. After the evangelist prayed for him, the demon was cast out and he and his whole family came out for Christ. Mr. Kong, his wife, and his mother-in-law, all gave up opium smoking, whiskey, and other hindering things. His fierce temper has been softened. Though his mother at first threatened suicide when the idols were torn down, she has since become an ardent Christian. There have been 22 baptisms at Chiang Ch'iao and the congregation raised \$225.30 Mex.

TAILAI

The work in Tailai was carried on by two Chinese preachers. Since the opening of the Church there, two evangelists have been raised up. One of these, now the preacher at Chiang Ch'iao, was a backslidden Christian. A man owed him money

but could not pay the debt so turned over a house of ill fame to him instead. Mr. Tu came to Tailai to collect what was owing him. He dropped into a Prayer meeting, was much moved, confessed his sins and burned up notes worth \$1,400.00. He then washed his hands of the whole business and sent the unfortunate women to their homes.

There were 37 baptisms during the year. Owing to disturbed conditions, 19 members moved away and the Communion roll stands at 57. They raised \$362.50 Mex.

T'A TZE CH'ENG

T'a Tze Ch'eng, is a busy inland town about 115 miles north west of Taonan. The evangelist's salary is largely raised by contributions from our other Churches. They raised \$161.96 for this purpose. Thus T'a Tze Ch'eng becomes a Home Mission enterprise. The Christians there provide their own building and most of the running expenses. There were 16 baptisms during the year and the number of baptized Christians now stands at 46. There were around 60 others ready for baptism in the fall, but the town was captured by bandits and completely looted, and we have not been able to reach them. The preacher has returned to the town and they have opened up work again, but at the moment of writing, news has reached me that the town has been again captured by bandits, but no word has come from any of the Christians.

One of this year's converts, formerly an opium smoker, a morphine fiend, a drunkard and a gambler has since becoming a Christian, shown no signs of his former habits and dissipation.

One of the T'a Tze Ch'eng Christians, Dr. Ch'en has opened a hospital in Tailai on faith lines. His aim is to reach people with the Gospel. The local Christians contributed \$107.20 Mex.

CHEN TUNG

Chen Tung is a county town about 45 miles north east of Taonan. It is just recently that work in this outstation has been started. The telegraph operator who was baptized in Taonan last March provided the building and most of the expense in connection with the opening of the Chapel. In all he has contributed around \$100.00 Mex. There was an excellent service at the opening exercises when all the prominent men of the town attended. Since then there have been a large number converted and they entered into the Christmas festivities with zeal. The outlook is most promising.

PAI CH'ENG TZE

It is just a little over a year since the Chapel was opened at Pai Ch'eng Tze, a railway junction 29 miles north of Taonan. There have been two evangelists working there during the year. The young preacher who started the work has now gone to Bible School for training, and a pastor has been put in charge. The colporteur has been faithful in preaching and selling the Scripture portions and has been helpful in opening the Chapels at Chen Tung and Wang Ie Miao.

One of the converts is a Mr. Yang, 50 years of age, who lives 3 miles out of the city. He heard the Gospel for the first time in the summer and asked "Can such as me believe?" The reply was, "It is for sinners", and he was taken into the enquiry room and taught the way of salvation.

WANG IE MIAO

Wang Ie Miao is 80 miles north west of Taonan. The district has been greatly disturbed by banditry but two of our evangelists walking into the town the day after it had been looted were a "seven days' wonder" to the frightened inhabitants. A crowd of 500 gathered on the street corner to hear the Gospel and many believed. Since then a Chapel has been opened with a Korean preacher in charge. It is a strategic place from the viewpoint of Mongolian work and a Mongolian Bhudhist Temple is situated there.

In the town there is a Mongolian princess around 70 years of age. She has an excellent education, which is exceptional for a Mongolian woman, but her former

glory has departed and she lives in a dilapidated house, in a frugal manner, with a slave to wait on her. She received a copy of the book of Jonah on one occasion and told the story to the missionary on his return visit. She said she was praying to Jesus as well as to Buddha. When the chapel was opened, she wanted to burn incense to Jesus. However, since she understands the way of salvation more clearly, she has thrown away her idols, has come out as a Christian, and gives testimony to the saving power of Christ.

The offer of rooms has been made by a Buddhist priest in the Mongolian temple at Ke Ken Miao, 30 miles east of Wang Ie Miao. This will afford an opening there.

KAITUNG

Kaitung is a county town about 50 miles south of Taonan. Work is just being opened in this busy centre. There are a few Christians who have moved in from other places. Our plan is to shepherd them by holding Bible Classes in their homes and reaching the people of the town largely by preaching in the homes.

CHAN YU

Work at Chan Yü is being opened up immediately. Mr. Hsiao who became a Christian last year at Pai Ch'eng Tze has offered us a building free of rent since returning to his home town. Mr. Hsiao is a man of great faith and during the winter knelt on the street in Pai Ch'eng Tze and prayed for a paralytic. He prayed the prayer of faith, and the cripple was healed. He has a remarkable testimony and is being used of the Lord in Chan Yü. This centre is 115 miles south west of Taonan.

From these brief notes on our year's work, it will be seen that there has been progress throughout the whole field. During the year, parts of our district were like a wild sea owing to the activity of bandits. Though, at present, there seems to be a lull in the storm, there are plenty of signs that peace and quietness cannot be expected for some time to come, but we look forward to the future with confidence and hope for while we are clinging to the CROSS, we can keep above the clouds.

Shanghai

This year marks a great transition in my work and life as I look back. The Japanese undeclared war destroyed a very large area of the section in which our family lived. Our home was completely destroyed by fire. Fortunately my wife and children escaped a day ahead. Our new born daughter died partly on account of the turmoil. I had a very serious nervous breakdown. Thanks be to God, I am getting much better now.

As a result of war, sickness and death, I gradually come to my own with a higher aim, purer motive and much more appreciation of the fine opportunity that I have in the Christian Literature Society. As I can see it now, we must preach more zealously the Gospel of Christ and keep in close contact with people. "To save the souls of men and women" is my sole objective, and with the help of our Heavenly Father one must seek every means to reach that goal.

Some new connections have been made during the year. The first one that I think will interest friends in Canada is my new connection with Fitch Memorial Church. This church has been called the Presbyterian Press Church for some time. During the Japanese undeclared war, the pastor of the church and his entire family except one little daughter were captured by the Japanese soldiers and from the day of captivity to the present day no trace of them has been found. It is really a great tragedy. I am now filling the vacancy after a fashion, that is, an understanding is

reached that once or twice per month I will preach in that church. I am looking after the Church Bulletin, and I have also started a weekly prayer meeting with some of the members near my home. My services are all free, and I am happy in this new connection.

Then I have arranged with Nantao Christian Institute to hold a weekly round table conference with some young men who are eager to seek the truth and learn more of Christ and God. This has been started for some months and has helped me immensely. One of these young men expressed his desire to join the church to my great delight.

I am resuming my prison evangelistic work, preaching to the condemned once a month. I have also made arrangements with a preaching band to preach to patients in the Lester Chinese Hospital once a month. These various contacts help my soul very much.

This term I have also accepted an invitation from the local Y.M.C.A. as a Bible teacher or rather to discuss religious problems with young men. The course is called "Comparative Religions." I will lay more emphasis on the Christian religion. There may be a chance for me to do the same thing, though the course is entitled The History of Philosophy, once each week in the Shanghai Baptist University Commercial School which is only next to our Christian Literature Society Building. This will give me splendid contacts with young business men in Shanghai. I accepted this after consultation with Mrs. MacGillivray and other members of the staff.

You will think that since I undertake to do so much I may be liable to neglect my literary work. As a matter of fact I do more literary work since I have so many fresh interests and I have a bigger horizon than before. I hope by keeping at those lively connections I may be able to produce, with God's guidance and will, literature that will really convert people to Christ. What I need most now is faith. I have been praying earnestly for spiritual gifts for this great task of Christian evangelism.

The Shining Light has been running smoothly with a circulation of 5,000 copies each month (we print 5,600 copies each time). The emphasis is now laid on moral stories and Christian teachings. We are just running a new translation of the "Pilgrim's Progress as a serial in *The Shining Light*. The old translation was done sixty years ago, and the language is not very up-to-date.

Due to war, some of our books in press were destroyed by fire. I had one thus destroyed, namely "Characters of Modern Times." Fortunately a greater part has been restored and it is now in the press.

Well, with newer vision I can see bright days ahead, for China is more ready than ever before to accept Christ and His Teachings. Many lives are changed. Dr. E. Stanley Jones' visit stirred many Christians who otherwise perhaps would be still indifferent. Several thousands of Dr. Jones' books were sold during the year as a result of his visit.

I am hoping to write a book on "Chinese Life Changers" some of these days. With co-operation of Mrs. MacGillivray and Miss Brown we have put General Chang Tse Kiang's Story of my Conversion into English, and before long it may be available. It is one of my wishes to do more along that line for my Western friends as a way of expressing my indebtedness to them. Conversion stories of Chinese when put into English perhaps may interest friends in Canada and elsewhere.

In conclusion allow me to express my deepest gratitude for the interest you have shown in me and my work and for the continued support I receive from you. My only ambition is to put all my resources under God's loving care. Whatever I attempt will not be for my personal interest, but will be for the glory of His name. May the year 1933 be a year of fruitfulness and spiritual progress for all Christian workers here in Shanghai and throughout the world. May the Churches in Canada, and especially the Presbyterian Church in Canada receive God's rich blessings in every way!

Mission to Koreans in Japan

The work among the Koreans in Japan continues to grow and the Lord continues to bless. As we report on the work for another year we would thank the Giver of All for the way in which He has blessed this work. We would also record our deep appreciation and thanks to the mother church for giving to us for a very short time our beloved Moderator, Rev. W. G. Brown and Mrs. Brown. It was a great joy to both missionaries and Koreans to meet and know Mr. and Mrs. Brown. We have met a good many Board Secretaries and other distinguished visitors who were touring the mission fields but it has never been our privilege to meet one who seemed to size up the situation in the different fields so quickly and so accurately as Mr. Brown. One felt when talking to him about the work, that one not only had a sympathetic listener, but one who seemed almost intuitively to understand a situation and arrive at a straightforward comprehensive understanding of the mission problems.

STAFF OF WORKERS

The Presbyterian Church in Canada supports a staff of six missionaries, the Board of Missions supporting Mr. and Mrs. Young. The Misses MacDonald and Murphy are supported by the Women's Missionary Society, Eastern Division, and the Misses Anderson and MacLean are supported by the W.M.S., Western Division. The Eastern Division also supports a large number of native workers of whom six are pastors, one is an evangelist, two are Bible women, and also partially supports nine theological students, who give valuable assistance to many groups on Sundays and at midweek services. During the year Miss MacDonald passed successfully her third year second term language examination and Miss Murphy her second year examination. Both are now giving much time to the work.

CHURCH BUILDINGS

At present there are nine Korean owned church buildings, all of which are small but were secured largely by local effort. During the year 1932 four of these buildings were built and preparations are now being made for the building of four more this year. The readiness with which the Christians undertake the responsibility for these buildings, as well as the efforts they are making along lines of self-support, is a cause of encouragement to us all.

METHODS OF EVANGELISTIC EFFORT

Among the young people the work in the Sunday Schools, Christian Endeavour Societies, Night Schools, Daily Vacation Bible Schools and in the Kindergartens was stressed during the year. The reports show a steady increase year by year. Tent meetings were held during the summer months and always drew large crowds of people who might not otherwise have heard the Gospel. In March, Rev. M. B. Stokes of Seoul, Korea, conducted special evangelistic services in Nagoya, Osaka and Kyoto; and many who attended were greatly blessed.

A GLANCE AROUND THE CHURCHES

Moribe, situated between Kobe and Osaka is one of a very few of our country groups. About a year and a half ago Mr. C. S. Kim discovered this Korean community and started a Daily Vacation Bible School for the children there. Later this developed into a Sunday School and was the beginning of the church. Following this and without any financial assistance these zealous folks started a Kindergarten. Early this year also without asking any financial assistance, they built a church for themselves. If it were in Toronto it might not be dignified by that name, but just where it stands near the Korean village and crowned by a small tower in which is the only church bell in any Korean church in Japan, it looks good. If you appreciate real earnest prayer or are interested in seeing men redeemed from sinful lives you will not be disappointed at Moribe.

At Ogi a new place has been secured for worship with the result that the group has taken on new life. Miss Murphy and her teacher have charge of the Ogi Sunday School and of the women's work there, and rejoice to note the results of their efforts.

Formerly the Sunday School met in the home of one of the Christians, and into a space of probably ten feet by ten were crowded about fifty children and their teachers. Even so one could not doubt the value of the school when one heard the little ones repeating verses from the Word and singing lustily the well known hymns. About a year ago, an afternoon class was started for the women, and they were told the Gospel story and taught to read Korean so that they might read the Bible for themselves. Since a suitable place has been secured for worship the women too have taken a new interest, and a new eagerness to learn is manifested.

The ten groups in Osaka have increased to twelve and two church buildings were enlarged to double their former capacity. The Tongbo congregation which is the oldest Korean one in Osaka has now a regular attendance of over one hundred. There are over one hundred thousand Koreans in this city and most of them are living in the slum districts. Many have gone the way of hopeless victims of the opium and morphine habits. Not even leprosy can produce such pitiful wrecks of humanity as these soul and body destroying drugs.

A little over a year ago Christian work for Koreans was started in the Wakayama district which city is an hour distant by fast electric tram from the city of Osaka. Mr. C. S. Kim worked for eight months in that city before leaving to study in Westminster Seminary, Philadelphia. Before leaving he had the satisfaction of seeing the group well established and in possession of a new church building. At present the group is led by Mr. Ro, a student in the Presbyterian Seminary, Kobe.

The ancient city of Kyoto has its quota of Koreans and the groups here are prospering under the fine leadership of Pastor Chai and the faithful Bible woman. Our first Korean Christian group on the west coast was developed by Mr. Moon, a recent graduate of theology. For a time there was opposition on the part of some Koreans living there, but there is now a faithful little group in the city of Fukui and good prospects of starting work in the city of Kanazawa in the near future. Mr. Moon is supported in this work by the young people of Knox Church, Toronto.

Nagoya has a Korean population of over fifteen thousand with an ever increasing work being carried on, the foundation of which was well laid through the faithful efforts of Pastor Ye during his three years service there. He accepted a call to a church in Korea last summer and Pastor Pak who had worked for four years in Osaka, is now carrying on in Nagoya. In May Miss MacDonald was appointed to work in Nagoya for a year. She reports fine work being done in the various Sunday Schools and in the Daily Vacation Schools. In the night schools many young people who work during the day are securing a little education and at the same time are hearing the Gospel of Salvation. There are two W.M.S. auxiliaries, one in Toyohashi and one in Nagoya. The women pledge themselves to do visiting and also help with the church rent. The Thanksgiving meeting was especially fine and many women gave personal testimonies to the grace of God. The great need is a suitable church building sufficiently large to accommodate all the church members and the workers are happy in the prospects of having a building before next summer.

At present there is only one Pastor working in the Tokyo district, as one was recalled by the Seoul Committee. The work is much too great for him but we are hoping that it may be possible to send another pastor sometime later this year.

Pastor Hahn is still the only Korean evangelist at work among the Koreans in Hokaido and Saghalien. He visits the latter twice a year and the last time he was there had the joy of attending the opening of a new church on the east coast at Siriteri. Hundreds of miles away from the nearest evangelistic worker the Christians by their efforts raised the funds and built the church. The pastor reported that he had never seen such zeal and joy as was shown by the Korean Christians in that place. We hope that the day is not far distant when those isolated people will have an evangelist of their own.

IN CLOSING

As a mission we are most grateful for the generous support given us by the home church. In a time when the bottom seems to have dropped out of the world financially, it is most encouraging to find our home church and particularly the

Women's Missionary Society, East and West, doing business as usual. We are grateful too, for the funds for building homes for our missionaries and the two houses are now in the process of construction. We wish to record our thanks also, to the many friends who have so kindly sent us Sunday School supplies, clothing, church papers and especially for the volume of prayer which we know is ascending on behalf of the Christian work for Koreans in Japan. Our needs remain the same:—an ordained missionary who has caught a vision of the need and who is consecrated to the Lord's work; a medical unit for Osaka, consisting of a foreign lady doctor, a Korean nurse and a small fund for a dispensary. Both needs grow more pressing as time goes on, and we ask that you pray especially about them, that if it be God's Will they may soon be met.

Jhansi

The political situation in India has greatly improved since the commencement of 1932. There are two main reasons for this. One is the policy of firmness adopted by the Government and carried on by Lord Willingdon, our able Viceroy. The other is, the people, for the most part, have become tired of the destructive policy of Gandhi and his Congress Party.

Mr. Gandhi, who is still in prison, has entered upon another propaganda, more commendable, perhaps, than the last. He is striving to obtain a measure of justice for India's sixty millions of outcastes, or untouchables. The treatment of this class is one of the shameful acts of Hinduism.

While caste customs and prejudice are weakening amongst enlightened people, it is still such a strong force, it prevents Christian workers from making converts, except in few numbers.

In past years our evangelists have aimed to preach the Gospel in about 400 villages, and follow with teaching where the Word was received. Last July the Mission Council decided on a more intensive policy. They called in most of the district evangelists, who were under a spiritual depression because their efforts met with little success. They felt that only men with a passion for souls should be sent out, and should live amongst the people they aimed to win, and by kindly service and example in addition to preaching the Gospel, they should endeavour to bring men into the Kingdom.

In carrying out this programme Mr. Lowther selected a spot in Jhansi city where no mission work was being done and rented a native house where he is in the midst of thousands of non-Christians. At the commencement last December he gave his neighbours a fine object lesson by having his house and courtyard cleaned up. This made it look like a new place.

Mr. Lowther's motive is to win the people by living amongst them and getting to know them, living where they will feel free to visit and talk with him. We trust that his efforts among the thousands of people in that part of the city will be blessed.

Before moving to Jhansi city Mr. Lowther did a commendable work in organizing our two congregations, which has resulted in more efficient Christian service. There is also more order and reverence than formerly. The mission houses and grounds now have a much nicer appearance. The mission also has a good mission library of carefully listed books and pamphlets.

The evangelistic staff has been strengthened by the coming of Dr. Thurrott, who previously spent one year in India and has a working knowledge of both Hindi and Urdu. She is not only a medical doctor, but also an enthusiastic evangelist. She loves to sing and makes great use of singing in her Gospel meetings, with the result that crowds of men as well as women gather about her and her Bible women to hear the Message.

This touring work was begun last fall. In the mornings they preach in the villages within a few miles of their tents, but in the afternoons people throng to their camping place for medicine of various kinds.

We sometimes feel pessimistic when we think of the few converts who are being made from among non-Christians, but it is cheering to attend church service in Jhansi and see the large congregation of Christians. If these scores of boys and girls can be rightly trained for service, right here is one of the most urgent and fruitful fields for mission effort, but at the same time we believe we should more and more endeavour to take the light to those in darkness, and inspire the Indian Christians with the evangelistic spirit.

Both the Girls' and Boys' school under the capable and careful care of Miss Moodie and Mr. MacKay are growing. The value of this educational work is great as it includes the training of the hand, head and heart of the girls and boys.

Mr. MacKay has 120 names on the roll with 95 in the hostel as boarders.

The staff of the Boys' School are all Christians in name. It may seem strange, but these teachers are the most serious problem in the boys' work, as so much depends on having instructors of the right spirit. We believe that in a few years, when some of our own boys are trained, this difficulty will be overcome. In spite of this in some ways the school has progressed. Dr. Howie, from the Bhil Field, who was kind enough to examine the boys physically placed most of them in "A" class as perfectly healthy. Healthful sports, good food and prompt medical attention, when necessary, account for their good physical condition. Some of us think, also, that mentally and spiritually they are about the average. They are looking forward to next July when they hope to move to the new hostel.

Mr. MacKay wishes to acknowledge the assistance of Miss Moodie in arranging for the boys of "A" and "B" classes to read in the Girls' school; also Miss Moodie and Miss Simpson for their care of the smaller orphan boys of the boys' hostel. He is grateful to Mr. Lowther for his counsel and help.

Mr. Cheshire's work as an evangelist has, of necessity, been dropped to a large extent, but each morning, before commencing work, he and Huriya have a short service with the men employed in building the Boys' Hostel.

Our Council appointed Mr. Cheshire, who helped supervise the building of the Industrial School and the Church, supervisor of the building. They were wise, for the workmen are constantly complaining that no flaw escapes his eye and only first class work is allowed to remain. The building, which is now about half completed, gives promise of being one of the best built buildings in the mission.

No outside contractor is employed, as Mr. Cheshire has employed our own Christian men as far as possible. Three of the men from the farm have assumed responsibility for a part of the work.

The money sent out by the Home Board will meet about one half the expense.

The building will be large enough to accommodate at least 150 boys. It is situated near the Boy's School which is on the west side while it is, on the south boundary of the mission property. On the north side there will be a fine level campus.

Miss Moodie's report of the work in the Girls' School is a cheering one. There are 135 names on the roll. Twenty-four of these are small boys whom Mr. MacKay could not very well accommodate. The staff of 10 well qualified teachers are doing good work. The girls receive an all round training. Six of them have expressed a desire to become church members. Mr. Lowther is giving these further instruction. Some of the girls have been taught part-singing. They sang with pleasing effect at the Jhansi Union Convention.

Sports have been organized and the girls are showing an increasing interest and delight in games. This, along with careful medical attention, has kept them physically fit. The Girl Guide groups also help in this respect.

Another step in the right direction is that the parents are now paying a larger part of the school expenses.

We all feel that the good work being done in the Girls' School should be encouraged and hope that it may be possible to erect a hostel for the girls and teachers during 1933.

Our new missionaries, Miss McKechnie and Mr. Deane are both busy with the language. They like India and her people and are looking forward to the time when they will be able to minister to their needs. You may read their messages and first impressions in our larger report.

Miss Simpson is very busy with her medical, and evangelistic work. In this land of poverty and numerous ailments she is in great demand. During 1932, she with her assistant nurse, treated 7,300 out-patients and over 127 in their Jhansi hospital. During the week several villages are visited where the people hear the Gospel story as well as receive medical attention.

Miss Simpson is also encouraging the Christians to develop cleanly habits and to keep their homes clean and tidy. Periodical inspections have led to a marked improvement in their homes.

During the absence of Mr. and Mrs. Hawtin from the farm, the mental and the spiritual phases of the work were well looked after by Mr. Cheshire and Mr. Lowther. A new school and some residential buildings were erected.

This year the farmers like others of the same occupation the world over are feeling the depression. Nearly all farm operations are being carried on at a loss. However, two of our men are doing well. Harisingh, the model farmer and workman, has months of work ahead of him. He is now busy making the doors, windows and roofing for the boys' hostel.

Kubersingh's dairy business has grown to such an extent he now delivers 1,800 lbs. of milk a day. These two men employ a large number of men and are a great help to the community.

We would like to interest some home congregation in an opportunity for mission work. Mr. and Mrs. Hawtin will soon need a successor and would like to have a good man with them for a few years before they retire. There is scope here for one specially trained.

On behalf of the mission staff we thank all the kind home friends who have made it possible to carry on.

On behalf of the Mission Council,

A. HAWTIN,
Chairman.

The Bhil Field

In presenting a summary of the work carried on in the Bhil field during the year nineteen thirty-two, we can best cover the ground under four headings, educational, vocational, medical and evangelistic. We choose this order so that in summarizing the most important of all, evangelistic, we may be given an opportunity of mentioning not only general progress but specific instances.

EDUCATIONAL WORK

Our centre for primary educational work is Amkhut where about one hundred and fifty pupils are taught up to the 6th grade. The scholars in Amkhut are mainly in residence. In addition to Amkhut, there are primary schools in Mendha, Sardi, Chicheniya, Pangora, Toran Mal, and Jobat, with a total attendance of about one hundred pupils. It has not been our policy as a mission to educate other than Christians, so that this total of two hundred and fifty is almost entirely made up of the children of Christian parents.

In Mendha and some of the other stations, there is great difficulty in getting suitable teachers for the schools. This results in an added call upon the time and effort of the missionaries. So many of the other peoples of India look upon the Bhils as "monkey" people who are incapable of development. A teacher with this attitude would work more ill than good. Unfortunately the class of teacher whom others are prepared to release is mostly of such a mind. It becomes necessary, therefore, to train a teaching staff from among our own people and by way of our own schools.

During the year there have been eight Christian boys attending the State High School in Ali Rajpur. Four of these are in the matriculation class and will be writing their matriculation examinations in March. Yohan Bhuriya, who wrote his matriculation examinations last March, was successful and he is now a first year Arts student in the Indore Christian College. Two boys are studying theology in Gujranwala and one medicine in Miraj.

In July, a theological class, with two enrolled, was started in Ali Rajpur. This is a small beginning but we are taught not to despise the day of small things.

The schools give a splendid opportunity for teaching the Bible in ways that will not stop at the child.

VOCATIONAL WORK

In India, vocational work is essential. Everyone of our boys should be taught a trade. As far as such work is concerned, Amkhut has led the way. From the beginning of the mission work there, all our Bhil young men and boys have been given training in brick-making, carpentry, masonry and farming. The mission also has farms at Sardi and Chicheniya.

Dr. Buchanan has recently imported a hive of Italian bees, with the hope of starting a bee-keeping industry among the Bhil farmers. He has also brought in a small herd of thirteen Sindhi cattle to help improve the breed in the Bhil country.

In addition to being an object lesson to the Bhils, the vocational work generally will give them something to fall back upon when the crops, as during the present year, fail. In the end too, it should help them to become better Christians and to achieve self-support of the Bhil preachers.

MEDICAL WORK

Most missionaries find it necessary to take up medical work in their stations. This is true in the Bhil field and, to a large extent, the bulk of the work falls upon the wife of the missionary. When necessity arises or opportunity affords, the medical staff from Jobat make calls at the various dispensaries and can pay tribute to the splendid work being done.

During 1932, the Babies' Home at Amkhut, in addition to the special work for which it has been designated, has had occasion to extend its activities to the treat-

ment of adult patients, in order to assist the dispensary work carried on by Dr. Panhalkar. Without the Amkhut dispensary and Miss Soutar's capable readiness to help out, many precious lives of Christians and others at and near Amkhut would have been lost.

Jobat, where our only hospital is located, is naturally the centre of our medical work. The staff report that, this year, 437 in-patients were treated there, about one-third of them requiring operation, the majority, however, of a minor nature. Compared to 1931, there were 121 more cases treated in the wards, and, what is an even more significant fact, more of them remained there until the stage of recovery than during the previous year. In other words, we are gradually overcoming the bugbear of patients leaving before their treatment is well-started because of a death in the hospital or for any other reason.

The same tendency to the breakdown of superstition and prejudice is noted by Miss McConnell in maternity work. "We have always tried to encourage maternity cases to come to the hospital, but, for a long time, they would not come. In 1931, we had the first Hindu baby born in hospital and we felt this was a great victory. In 1932, we have had nine babies, both Hindu and Mohammedan. I am convinced that if we had a maternity ward we could keep it filled all the time."

A conservative estimate, based on actual conditions found in the villages by the Jobat staff, shows that an average of one in three of the population requires medical or surgical treatment. The year's outdoor figures of 3,830 new cases and 4,206 "repeats", they state, only begins to touch the immense field for medical work in Jobat and surrounding states.

We have occasion in dispensary and hospital every day to spread the gospel, but, in most cases, time permits only seed-sowing and that on poor ground. By increasing the community's health, the medical work betters the ground for the seed's growth and the reaping will, sooner or later, be in the districts.

EVANGELISTIC WORK

India might be divided into two districts, from the point of evangelism, one where the ground is very fertile for the sowing of the Gospel, and the other where the ground is hard and stony. The Bhil farmlands are unfertile and the heart of the Bhil, as far as ready reception of the Gospel is concerned, bears a close resemblance to the ground. Every gain in the membership of our churches represents hard, hard work. A few incidents from the various stations will bear out this fact.

This is the first year in which converts have been baptized by our missionaries in Barwani. They write, "It was with glad hearts that we saw first Natha then Bhoja, afterwards Masoor, his wife, and two boys aged ten and twelve, courageous enough to take this step and, forsaking all else, to put their faith in Him who is able to save to the uttermost. These are the first fruits and the promise of the many who are to follow. Satan has not been idle. The caste from whence these men came have decided that, should any others come to our compound for medicine or any other reason and stay for longer than half-an-hour, they shall be fined the sum of Rs. 5. We are still suffering under a law of religious intolerance. It was necessary, therefore, to send all those requiring baptism to Amkhut, a distance of over sixty-five miles, where Dr. Buchanan kindly braved the wrath of governments to perform the ceremony."

"Burio Khan of Kuksi," writes Dr. Buchanan, "professed his faith in Christ. Burio means vile. He is from a very degraded class of Mohammedan sweepers that I worked for in Ujjain 40 years ago." These sweepers had been, formerly, Hindus of the sweeper caste and had become Mohammedans. In time, enquiry of missionaries working in Ujjain failed to show any trace of the community and it appeared as though sin had wiped them out. This man had come away down to Kuksi, 170 miles from Ujjain, and, hearing the Gospel, becomes a brand plucked from the burning. "I baptised Burio (Vile) Khan and added the new name, Jalal Masih, i.e., Glory of the Messiah."

Then there is the story of Wali of Jobat, an isolated one, it is true, but illustrative of the difficulty which even a believer may have in following the gleam. She had received teaching during the two years of building work and finally decided to run away to Chicheniya and ask to be received as a Christian. Her parents followed her there and tried, in every way possible, to get her to return home. On one occasion, her father and others came and started to drag her off but she called for help and was released by our worker there, Victor Master. In the evening, the father returned with a policeman and claimed Victor had caused injury to him, showing the marks of a self-inflicted arrow-wound. Wali, however, stood firm and has been baptised, but who knows what persecution she has yet to face.

A Hindu carpenter of a so-called high caste, who was working on the new bungalow at Ali Rajpur, and had been under instruction daily with other workmen for a year, was convicted by the Holy Spirit and could not sleep at night. He came and told the missionaries of his condition and they prayed with him and told him he would have to commit his all to Jesus. He agreed that this would be necessary. He was counting the cost. His caste people turned him and his family out of caste, and they made him move out of his house into another part of town, and they would have no dealings with him. Surely he was much like the young man to whom Jesus restored his sight and who was excommunicated. His caste people increased the pressure, he wavered, he said he would have to postpone his final decision as he was making a marriage arrangement for his son and a decision for Christ would turn all his plans topsy-turvy. He was taken back into caste, and he left town saying he would return some day. We can not realize the almost irresistible pressure brought to bear on such poor souls. This is the rule rather than the exception, and stories could be quoted from every station illustrating this.

Thirty years ago Motlo of Pangora was much inclined to be a Christian. His conduct proved his sincerity but he declined to be baptised and openly confess Christ. Bye and bye he moved off to a lonely wild part of another village, and Dr. Buchanan saw little of him. He died a few years ago. "Amidst the thanksgiving on Christmas day, when 27 were received at Sardi, there was an extra joy to us older missionaries that Motlo's son and daughter, both married, with their mates and their own kiddies, joyously confessed Christ openly," writes Dr. Buchanan.

During the year, there have been baptisms in the stations as follows:—

Adults		Minors	Adults		Minors

(REV.) C. L. WOOD,

Poland

Ukrainian Presbyterian converts who, after the war returned back to their Motherland, were the cause of the Presbyterian Movement among Ukrainians, which is the restoration of historical Ukrainian Reformed Church, that was exterminated by opposing forces about two centuries ago. This new Movement having no proper leadership, nor ministers, requested the Presbyterians in Canada to supply the need. In answer to this request the Church sent me, in 1924, to survey the field and in the Spring of 1925 the regular mission work was opened by our Church in Western Ukraine.

Among the reasons for the mission work in Galacia was the thought that it was better to go over to Ukraine and kill the dragon there, than to chop his tail off here in Canada, for the greatest opposition here in Canada we had was from the Greek Catholics, and a successful mission in Ukraine would not only make all their arguments void, but certainly would kill the dragon. We were also certain that if we would attack the Atheists and Bolsheviks in Ukraine in a vigorous Presbyterian way, the results would show themselves in Ukrainian immigrants in Canada.

On account of confusion caused by the union of some Presbyterians with the Methodists, the Ukrainian Mission was forgotten for sometime until I brought to the attention of the new church leaders the fact of the existence of the missions. Realizing the great importance of the work in Ukraine, for the Presbyterian Mission among Ukrainians in Canada, the Church sent me back to the field in 1930.

On my arrival I found the Presbyterian congregations in Ukraine as "a flock without a shepherd, which was attacked on all sides." After two and a half years of work that was full of hardships and in many needs, I am glad to report that our missionary efforts were abundantly blessed by the Lord. In Ukraine we have now a Presbytery organized according to the Rules of our Church; consisting of 4 ordained ministers, 5 evangelists, 21 congregations and many preaching stations. Our Presbytery received all the ecclesiastical and civil rights from the Government, the right to appoint the ministers, conduct vital statistics and the right to teach religion to the children of our faith in the State Schools. The Polish Government gives equal protection and rights to all the Churches. We received also the right to ordain ministers. Now our weakest enemy is the Greek Catholic Church, for it is already disintegrated and fallen to pieces, and we are not proselytizing Catholic believers, but we gather in our Church those who left the Catholics. Our most serious enemies are Atheists and Bolsheviks. Due to the weakness and dishonesty of Greek Catholic priesthood the Bolshevik propaganda touched many Ukrainian villages. But we were able to conquer for the Lord some of the villages that were a hot-bed of Atheism. We are regarding our mission in Galacia also as a starting point for a larger missionary enterprise as soon as the Bolsheviks in Russia will fall, which may happen in the nearest future.

There are great possibilities among 30 millions of Ukrainians under Soviet Russia for the Presbyterian Movement, and it came to our knowledge that there are already some Presbyterian congregations. Our mission workers in Galacia are getting ready for that expansion.

Owing to the fact that Galacia was the battle field of two great empires, the country is one of the most ruined spots in the whole of Europe. Our congregations are trying to do their best financially but it will take some time before they will be able to get on their feet. In the present stage of the Movement their greatest need is to build the places for worship, and it takes all their effort.

We are looking forward still to a greater work, and our greatest task now is to train in the proper Presbyterian spirit the rising generation. Regular Sunday School work is being organized.

Ukrainian Western Presbytery understands the difficulties and the influence of the world crisis on their Presbyterian brethren in Canada, and they are not asking for a financial support of the Movement, but they request you to provide them with leadership, for they believe that only your Church can supply them with the leadership that is uncomprisingly tied to the traditions of Calvin and Knox. They need also your moral protection from the danger of being swallowed by the unionists of every color in Europe.

I bring to you now, on behalf of the Western Ukrainian Presbytery, the most hearty thanks for your sacrificial effort to protect and help us, and we call the blessings of the Lord upon you and Canada.

REPORT OF WORK OF THE WOMEN'S MISSIONARY SOCIETY, (E.D.)

To the Venerable the General Assembly:

Once again with a year's experience behind us we present the Report of the W.M.S. (E.D.), and in so doing we wish to thank Almighty God for His goodness to us, and for the measure of success He has enabled us to accomplish as stewards in the work of the Kingdom.

We were greatly pleased that Dr. Robert Johnston, whom we claim as a Maritime man, was honoured by being chosen as Moderator of the General Assembly of our Church this year. I am sure he brings to it the ability, dignity and Christian spirit such a position demands.

It will be unnecessary for me to say anything in regard to the Foreign and Home Mission work of our Society as our Secretaries are giving full reports of their departments. We would say, however, that despite the difficult times through which we are passing, we were able to meet all our obligations and are pleased to report the following:

Foreign Missions	\$13,431.19	Members	4,110
Home Missions	8,155.58	Average Attendance	1,956
Total	\$21,586.77	Added Members	162
The statistics are as follows:		Life Members	54
Presbyterials	8	Home Helpers	521
Auxiliaries	213	Copies of Message taken	2,900
		Boxes sent	78

The request which came to us from the Board of Missions to raise \$5,000 in two years over and above our other givings toward the debt of the Church was enthusiastically received by our Society, and we have no doubt this amount will be raised.

We are not blind to the fact that we are entering a year with a depression greater than our country has ever known, but we feel the Lord's work must go on, and that times like these should call forth the best that is in us. Our women in the Maritimes are as loyal as any in Canada, and I am sure will do all in their power to meet the crying needs of the hour.

Our Missionaries in the Foreign fields and our workers in the Home fields are depending on us to support them with our prayers and our means. Shall we fail them? I think not.

There is one great problem before us, however, and that is, how to present the cause of Missions so that every woman possible should be persuaded to link up with the Missionary Society within her church. May I suggest that the ministers could help greatly along this line in the pulpit and by personal contacts. When we think of the comparatively few women who attend our monthly meetings, we wonder that so much is accomplished. We rejoice that in many places Young Women's Societies are being formed so that we are assured that when we older women pass on, the ranks will be filled by the younger generation.

We view with some alarm the report of the Appraisal Commission in their suggestion, that missionaries present Jesus Christ and His teachings alongside the pagan religions of the Orient, but we thank God that we have men and women who have taken a stand against it. Jesus own words should give us courage in a time like this: "And I, if I be lifted up will draw all men unto me." Is it not true that instead

of praying for good times we should pray for a spiritual awakening all over our land, bearing in mind the words of our Lord, "Seek ye first the Kingdom of God and his righteousness and all these things shall be added unto you."

(MRS. W. McK.) JESSIE MACLEOD,
President, W.M.S. (E.D.)
Sydney, March, 1933.

HOME MISSIONS

Your Home Mission Secretary takes great pleasure in presenting her first Home Mission Report.

The responsibility of such an office one year ago, loomed large on my heart, but by the grace of God and the cordial assistance of those who have journeyed in an official way many times before, with splendid co-operation from Home Mission Secretaries and Workers, I was able to carry on.

It was an inspiration to receive the reports from our Home Mission Secretaries, showing a great deal of work accomplished for the Kingdom of God. These Secretaries, at great inconvenience to themselves, copied a questionnaire on Home Missions and sent copies, and a letter as well, to every Auxiliary in their Presbyterial. According to reports, this questionnaire was well received, which convinced all of the need. I need not dwell any longer on these reports.

Our Church, believing that it must care for its future leaders, and being ably supported by its W.M.S., has opened Hospitals, Educational Institutions, Schools and Residences. Many of our boys and girls can get their secondary education at home, but for those who cannot, we must give them oversight in a Christian Home with necessary comforts in a pleasant and healthy environment. Such, we believe, have been:

1. Pictou Residence for Boys in close connection with Pictou Academy from which we hope to have future ministers and missionaries. Bursaries, \$150, were given to two men.

This Residence has been closed.

2. New Carlisle Residence for Girls in the far eastern section of the Province of Quebec. From isolated homes, these girls come to enjoy the congenial life of the Home while pursuing their studies. Mrs. McGregor, who felt that she must resign as Superintendent, was faithful in her duties for many years. Miss Jean MacGregor, our Treasurer, had been appointed to this responsible position, but this Home being closed, also, was appointed Field Secretary.

3. Chalmers Jack Mission, where Miss Ruby Johnston carries on all the activities of a regular congregation, assisted by elders from North Sydney and Miss Dolly MacNeil, whose services have been engaged for another year, taking the place of Miss Mary MacDonald, who resigned early last year on account of illness in the family. Here the Bible has a central place and many conversions have taken place, and we believe that the work is all owned and blessed by God.

4. Welcome and Welfare Work.—Miss Fraser, ever a warm friend of the new-comer or stranger, has carried on, sympathizing, comforting and assisting in many ways in this great work. Miss Deane, who worked for six months in Titusville, Barnsville, Saltspring and Upperton, in New Brunswick, substituted in a capable manner at the Pier while Miss Fraser was on her vacation. She reports some 40 Presbyterian families with whom Sunday School, Mission Bands and Circles, W.M.S. and Cottage Prayer Meetings were held and 240 visits were paid.

Miss Anne Hayman, of Truro, and Miss Mary MacKenzie, of Fredericton, P.E.I., were both graduated from the Deaconess Training Home in Toronto in the spring, but on account of scarcity of funds, they have not yet been given work.

Miss Isabel MacDonald, Student Deaconess, did good work in Glace Bay outlying districts and also Chalmers Jack Mission.

Strathcona.—Miss MacKenzie went to Knox Church, Halifax, in November and there gave excellent service. Since January, when Miss Roy gave up, no work has been carried on. The Convener of the Home Missions Committee of the Synod hopes to get a settled student there before long.

Whitney Pier.—Miss Sylvester, who had been ill part of this year, has now returned to work. This work has been very satisfactorily carried on by Miss MacDougall, who, from May to September, acted as substitute in this field.

After looking over the reports of the workers, we find that an infinite amount of tact and wisdom that cometh from above, is required to deal with the problems in the Home Mission field. The workers have been conscientious and devoted, and have tried to instil into the young an interest in and a love of the Master's work both in the Home and Foreign field.

The Bible is a Home Mission Book, for you remember when Jesus saw the multitude, He was moved with compassion for them as they were as sheep without a Shepherd, scattered abroad. Read Saint Luke 24: 44-48.

A prominent man in missions said, not long ago, that three things are necessary in all missionary work if we would accomplish it successfully:—

1. A knowledge of present facts.
2. A vision of future possibilities.
3. The infilling of the Holy Spirit to perform the task.

Our Church is a missionary Church—no other Church has done more to help evangelize the world.

With such knowledge for ourselves, I think our chief concern is to tell our future leaders, the Church of to-morrow, of the condition of the Church since 1925. In the Home field, Dr. Grant tells us we have 170 augmented charges receiving from \$300 to \$600 annually, \$90,000 in all. In addition, there are over 200 mission fields, supported in part, and in some cases in full, out of the mission funds. Many of our young people are members of our Church, and if they knew they would gladly help carry out Christ's "Go Ye", beginning at Jerusalem. Show them how big the task is, that there never was such a large Home Mission Field as now; tell them of the loyalty of many Presbyterians in scattered places, trying to uphold the Blue Banner of Presbyterianism, and tell them also that these workers need help and encouragement. Have we ourselves visited a weak cause where there is no settled minister, or even the mission nearest us? Such a visit is well worth while, many times more so than any inconvenience which we may have surmounted to thus visit our workers. There is a sympathetic relationship established, a cheer imparted, and an opportunity given to others through the knowledge gained.

Help your young people to hold a Christian Endeavor service somewhere near. Get them to write to workers—to aid them in their times of discouragement. Why not remember the Mission nearest you, or even your own Mission Band with some fudge or cookies? Show our younger generation that we expect great things of them and they will not disappoint us. They will soon see where their talents and money are needed. Tell them of Dr. Margaret Strang, her log-cabin, its furnishing, her horse-back rides, etc. Thrilling, I should say, and she says that the people ask for "more of the Gospel and still more of it."

The future of the Home Mission work will be assured when we women who know the work, will teach the young, in an interesting way, the story of Home Mission work, and unless we do this, our Home Missions will suffer, our Foreign Missions will suffer, and likewise future generations. Christ, who did this Home Mission work in and around Galilee, has left this charge to us. Are you doing it? Am I?

(MRS. ALEX.) A. REDMOND McDONALD,
H. M. Secretary, (E.D.)

FOREIGN MISSIONS

The following is a brief summary of our Foreign Missionary work for the past year:—

BRITISH GUIANA

Our work in this field has been much disorganized. Reports are slow in reaching us and very incomplete.

The Girls' Training Home at Suddie was closed in December of 1931 and the Superintendent, Miss Barlow, went home and it was months later that we were officially notified of the fact.

Some time in June, 1932, we received a letter from Miss Barlow asking to be relieved of the superintendency of the Home and suggesting that Miss Cropper might take over her position, while she, Miss Barlow, could do part time work and live at home with her mother, who needed her companionship. While our Board accepted the resignation of Miss Barlow it was decided not to make any appointment until we had a report from Mr. Marshall, who was then on his way to make a survey of that mission.

Miss Aird, also, who had been home on furlough was returning to her duties and on her arrival there took up her residence in the mission home in Georgetown which had been closed during her absence. A recent letter from Miss Aird tells us that she is just recovering from an attack of malaria, during which time she was in hospital but at the time of writing she was back to work. She writes that Miss Cropper having resigned and Dr. and Mrs. Cropper in ill-health, the mission is very much under-staffed. She also states that if she is to remain in Georgetown, some furniture would be required for the mission home.

There has also been a letter from Mrs. Fisher dealing with matters relating to the Training Home, which I shall read. She also reports that Mr. Fisher is not well and might not be able to furnish a financial report for this meeting.

JAPAN

In our report from Japan we are glad to note the usual spirit of interest and enthusiasm. The work continues to grow and the Lord continues to bless their efforts. Our missionaries express deep appreciation and thanks to our Church for the privilege and joy afforded them in the visit of our ex-Moderator Rev. and Mrs. Brown.

It is with much satisfaction we learn by this report that the Church has taken over the support of Mr. and Mrs. Young as suggested by our W.M.S. last year, which permits of our Society to assist in the further extension of the work. We are glad to be able to continue our usual contribution of \$10,000 to this very commendable mission, and we would appreciate very much being informed just how our money is applied. An additional \$100 is forwarded for literature; this being a gift from the Sunday School class of Miss Annie Murray in New Glasgow.

Our Miss MacDonald with Miss Anderson of the Western W.M.S. was appointed to work in Nagoya for a year. This is a city with a Korean population of 15,000, the missionary foundation which was well laid by pastor Ye during his three years of service. Miss MacDonald writes very encouragingly of the progress which is being made in the various branches of work, and the report closes with sincere gratitude to the home Church and very especially to the Women's Missionary Societies, East and West for their continued interest. We are glad that arrangements have been made by the Western Society, for the accommodation of our lady missionaries in their new bungalow at Kobe when in that city.

KOREA

Our annual grant of \$500 toward the support of Pyengyeng College has been forwarded and gratefully received. We are endeavouring to have it sent each year at a stated time, so it would reach there when needed.

NEW HEBRIDES

We still continue our yearly contribution of £50 to the Santo Training School, which was gratefully acknowledged in an interesting letter received from Mr. Bowie.

(MRS. A. D.) MARY J. FALCONER,
Foreign Missions Secretary (E.D.)

NATIONAL MISSION WORK

HOSPITALS

Hospital work is carried on at 3 centres, Vegreville, Alta.; Canora, Sask.; and South Porcupine, Ont. The hospital at McMurray, Alta., was closed in April. Excellent service is still being rendered in all our hospitals, despite the continued scarcity of money.

Vegreville, Alta. "Rolland M. Boswell" Hospital reports 339 patients, 112 surgical cases, 57 obstetrical and 170 medical. The Hospital Aid of Vegreville continues its interest, by gifts and service.

Canora, Sask. The "Hugh Waddell Memorial" Hospital reports 486 patients admitted, 148 operations performed and 65 maternity cases. This year, the gift of the Hospital Aid was a portable Fracture Table, costing about \$200.00.

South Porcupine, Ont. The "Presbyterian Hospital" reports a larger number of patients than in 1931. There were 238 patients, 67 medical, 83 operative, 35 obstetrical, and 22 accident cases. A number of out-door patients were also given treatments and dressings. The patients were drawn from many different races.

PRESBYTERIAN RESIDENCES

There are 6 Residences in 5 centres: 2 in Vegreville, Alta.; and one each in Prince Albert, Sask.; Saskatoon, Sask.; New Liskeard, Ont.; and Huntingdon, Que. The total enrollment is 94, the decrease being solely due to the continued depression.

Vegreville. There was a total enrollment of 35. Many New Canadians, who are needy and worthy are receiving an education and being taught the Gospel message.

All the pupils made good marks in their examinations, 4 girls receiving prizes for making the most progress during the school year.

Prince Albert. Nine pupils were enrolled during the year, 4 graduated in June, 2 of them entering Saskatchewan University, one the normal School and one is taking a secretarial course.

Saskatoon. Owing to the continued financial stringency, only 10 girls were registered during the year. Every economy has been practised and expenses have been considerably reduced.

New Liskeard. The Residence has been full to capacity, 15 being enrolled—10 girls and 5 boys. One boy obtained the highest marks in the whole school. Miss Margaret Robertson is the Superintendent.

Huntingdon. This Residence is also filled to capacity, there being 25 registered—10 girls and 15 boys. All are doing excellent work at the Academy.

INDIAN RESIDENTIAL SCHOOLS

With all its difficulties and anxieties, particularly in regard to finance (in view of the 10 per cent. cut in Government grants, and a later one of 5 per cent.), the work of the Indian Department is in a healthy and promising condition. Never was there a better prospect both with parents and children.

Birtle, Man. Eight pupils are ready for discharge, and 28 applying for entrance, but we are limited by the Government to 115 pupils. Twenty-eight presented themselves to join the Birtle Presbyterian Church when it was organized, and helped with W.M.S. givings of \$100. and Budget of \$400. Health has been generally good. The new building, the large area of land, and the great interest of Indian parents makes this a fine centre of service to our Church under the able leadership of Mr. and Mrs. Currie.

"Cecilia Jeffrey," Kenora, Ont. The fact that only 60 acres of arable land are available in this rock-bound school site makes financing particularly difficult. The Brass Band has been a great help to morale and discipline. "It is making marvellous progress and amazed the white people, who had the privilege of hearing it play at the official opening of the Trans-Continental Highway in July." Boys and girls picked \$300. worth of blueberries to help finances. We owe much to the Rev. W. L. Atkinson, of Kenora, for his kindly interest. Each Communion a number of the children have been baptized and received into full Communion. He says of the Principal, "Mr. Byers is certainly making a Christian impress on our children at 'Cecilia Jeffrey'."

Mistawasis, Sask. The Improved Day School, conducted by the Rev. Wm. Moore, in addition to his ministerial work, has thrived. We owe much to Mrs. Moore who arranges hot lunches. Ten of the boys and girls were sent to Birtle Residential School, the Principal twice motoring 1,100 miles to meet the parents and convey the children. The W.M.S. and Mission Band sent good contributions. Chief Dreaver and his Band built a new Church.

We wish to express our appreciation of: (a) the work done by the Principals and staffs of these Schools, and the progress made by the pupils; (b) the sacrifice made by Indian parents in their separation from their children; (c) the kindly cooperation and help given by Presbytery, Home Missions Conveners and Synodical Missionaries; (d) the genuine interest shown by the Department of Indian Affairs at Ottawa.

Especially would we give tribute to the Deputy Superintendent, Duncan Campbell Scott, who retired during the year, and whose kindly counsel was unailing. We would welcome Mr. McKee, the new appointee.

To those who pray for, study and support this work, we give thanks.

CHINESE IN CANADA

The Women's Missionary Society supports work, and 8 full time workers, in Victoria, Vancouver, Toronto, and Montreal, while in Regina and Brockville as well as in the regular centres much good work is done voluntarily. Visits to Chinese homes have also been paid in sixteen other towns and cities.

The regular work includes the holding of kindergarten classes (to and from which many of the children must be conducted); classes for various ages for the teaching of English, Chinese and music; the direction of Mission Bands, C.G.I.T. Groups, Bible classes and mothers' meetings. In two centres Bible Vacation Schools were held during the summer. Literature has been distributed from various centres and everywhere Chinese women are visited in their own homes and help given in many and varied ways.

WELCOME AND WELFARE AND DEACONESS WORK

The Welcome and Welfare and Deaconess Department is responsible for meeting and ministering to Presbyterian newcomers at the port of Quebec, forwarding their names to their nearest minister and Auxiliary, following up by visitors from the local Societies, and gathering into our Church life all who are able to attend.

Deaconesses at large visit, particularly, the outlying districts of the cities along the lines of Home Missionary work, bringing in recruits for every department of the Church. Missionary Deaconesses conduct Sabbath Schools, Mission Bands, Girls' Groups, Young People's Societies, W.M.S. Auxiliaries, and hold Church services where there is not a minister.

These workers are stationed as follows: Miss Scott, Port Worker, Quebec; Miss Munro, Deaconess at large and Station Worker, Montreal; Miss Hugill, Deaconess at large, Ottawa; Miss Murray, Visitor to women in 7 large hospitals and the Mercer Reformatory, in Toronto; Miss Walker, Deaconess in Scott Institute, Toronto (Jewish work); Miss Maystrowich, Deaconess in Ukrainian Mission, Toronto; Mrs. Steinmetz, Deaconess (part time) Hungarian Mission, Toronto; Miss Allan, Deaconess at large, Hamilton; Mrs. F. Kovacs, part time Worker among Hungarian women and children, in Hamilton; Mrs. Mackenzie, in charge of Presbyterian All People's Mission, R.R.4, Winnipeg; Miss Todd, Deaconess at large, Winnipeg; Miss Jenkinson, Missionary Deaconess, East Selkirk, where last year a church was erected, furnished and entirely paid for; Miss Macarthur, Deaconess at large, Regina; Miss Ross, Deaconess at large, Saskatoon; Miss Matthews, Deaconess at large, Red Deer; Miss Macdonald, Missionary Deaconess, Pouce Coupe, Peace River; Miss Grigor, Deaconess at large, Vancouver; Mrs. MacLean, Missionary Deaconess, Vancouver.

These workers are engaged in the building up of our Church, whether in the crowded cities, or in the far distant outposts.

There is a Welcome and Welfare Secretary in every Auxiliary who, if notified, will gladly forward names of removals or of young people going into the cities to enter business or educational fields, so that these may be visited and related to some organization of the nearest Church.

Summary: In addition to the work of our Hospital Visitor, 3,889 people were met at the Port of Quebec and their names forwarded; 18,240 visits were paid; 1,433 letters written concerning newcomers or removals, and 1,723 have in some way connected themselves with the life of the Church.

SUPPLIES

The activities of the Supply Department were engaged during the year in the preparation of the supplies required by (1) Hospitals at South Porcupine, Ont., Canora, Sask., Vegreville, Alta. (2) Presbyterian Residences at Huntingdon, Que., New Liskeard, Ont., Prince Albert and Saskatoon, Sask., Vegreville, Alta. (3) Indian Schools at Kenora, Ont., Birtle, Man., Mistawasis, Sask. (4) Deaconess work at 9

points. (5) Chinese work in Canada at 5 points. (6) Mission Fields and Indian Reserves in Canada under the care of our Church. The value of these supplies is estimated at \$21,816.96. These figures give no real idea of the work accomplished by the women of our Society who meet regularly every week or month, giving their time and skill that the various departments of our work may have the necessary supplies. Many special gifts are gratefully acknowledged—a portable organ, a piano, a sewing machine, a victrola and other articles.

The estimate for additional furnishings and renewals, in 1932, was \$2,150. Of this sum \$1,563.22 was expended.

Western Relief. An appeal for supplies of clothing was made to Ontario and Quebec through Provincials and Presbyterials—the shipments to be made direct from Presbyterial centres or congregations to Mrs. H. R. Horne, the representative of our Church on the Voluntary Rural Relief Committee in Regina. Although local calls for clothing were numerous, our women responded nobly to this appeal and shipments were made from 130 points, most of these in Ontario and Quebec, but some from all the provinces.

The privilege of free transportation granted by both Railways enabled us to undertake this work.

Church Extension. As usual, \$1,000 was given to the General Board of Missions for work in frontier fields.

OVERSEAS MISSION WORK

BRITISH GUIANA

The Women's Missionary Society (W.D.) at present, has no worker in British Guiana; but, when the policy of the work to be carried on there by the Presbyterian Church in Canada is decided, it will endeavor to assist, by doing all it possibly can for the women and children.

JAPAN—KOREAN WORK

Work among women is increasing. They are eager to study the Bible. There are 19 Women's Missionary Societies with 412 members, and Miss MacLean has prepared Bible Topics for the year's study.

Kindergarten schools, under Miss MacLean, are firmly established. Pupils learn of Christ through Bible verses, Bible stories and hymns. Parents are now appreciative of the benefit of these schools to their children.

Miss Anderson is doing evangelistic work in Nagoya, where there are 15,000 Koreans. She has 6 Christian groups and several outside the city.

The supreme need is a medical woman for Osaka, in whose slum district many of the 100,000 Koreans in the city, live. Large numbers die because of deplorable sanitary conditions and because they are too poor to have Japanese doctors.

MANCHURIA, CHINA

To our regret, Miss Crockett's resignation from our Society, in August, meant the closing of our work in Manchuria as she was the one remaining missionary in Szepingkai. Miss Errey as nurse evangelist was ready to sail in August but that then was impossible and we are advised not to send any further representatives at present to that war-torn country. We have offered to support Bible women for Mrs. Davis and Mrs. Reoch in Taonan should they so desire.

SOUTH CHINA—CANTON

Dr. Jessie MacBean acted as Superintendent of the Hackett Medical Hospital during the year of Dr. Hoffman's furlough. She returned for her own furlough in July and has been almost steadily telling the story of her important work to our Provincial Societies.

Because of our annual grant, Mrs. Burkwall keeps us in close touch with the

Church of Christ in China. She, herself, attends Synod meetings, the business and Executive Committees, also those of the Fourth Presbytery; assists in the Annual Conference for Women Workers; gives much time still to the Shek Lung work, and keeps her own home open to the workers from there. This last year she was able to keep in touch with a number of the Chinese women and girls whom she knew in Canada, and who have returned home to Canton.

SHANGHAI

Another point of contact with China is the Christian Literature Society towards whose support we are privileged to send a small annual grant. Mrs. Donald MacGillivray continues her splendid contribution towards the work of this Society in spite of indifferent health. She writes that later they will ask for the support of a Christian Chinese girl in their department. An interesting suggestion is made by the Christian General, Chang Chi Chang, who has been influenced by the late Dr. MacGillivray's books, and which he is endeavoring to forward. It is, that groups of ten be formed, each one striving to form another, these to go out with the saving knowledge of Jesus Christ convinced as he is that "neither is there salvation in any other" for China.

FORMOSA

Marked progress has been shown in every department of missionary effort in 1932.

A unique event in the history of the Presbyterian Church in Canada was celebrated in North Formosa—the Diamond Jubilee of the establishment of its first mission in the Orient, by Dr. G. L. Mackay, and the Church paid tribute to the many consecrated missionaries, who, throughout these sixty years, have led many Formosans from heathendom to Christianity. Mrs. Brown, who accompanied her husband, the Very Reverend W. G. Brown, on his official visit, represented the Women's Missionary Society of the Presbyterian Church in Canada throughout the formal celebration.

The W.M.S. staff includes Misses Adams (on furlough), Burdick, Douglas, Ramsay, Chisholm, Taylor, Argall, Hermanson, MacVey—one special worker, Mrs. Koa, and seven Bible women. A valued nurse, Miss Senior, resigned at the end of the year.

Evangelism is emphasized in every phase of missionary endeavor—in schools, and hospital, as well as the house to house visiting and teaching, in churches, homes and open-air meetings in town and country. In this the missionaries are helped by faithful Formosan Christians.

A new road has been built to the East Coast, hitherto difficult of access, and, evangelistic work is being extended to that district which is inhabited by the aboriginal tribes of Formosa.

Hospital and Public Health work are becoming increasingly important features of missionary enterprise, and the Formosans gratefully receive treatment and advice.

The chapel at Happy Mount Leprosy Colony, donated by the W.M.S. (W.D.) is nearing completion.

A Mission Band, with a membership of over 60 boys and girls, has been organized, the first Mission Band in North Formosa.

The very successful Formosan W.M.S. celebrated its tenth anniversary in 1932, 500 women attending the meeting.

INDIA

Four new missionaries were sent out in 1932, Dr. Elizabeth Hope Thurrott and Miss Eleanor McKechnie, to Jhansi, and the Misses Bessie M. MacMurchy and Iris M. Errey to the Bhil Field. Three missionaries came home on furlough, the Misses Stringer and Whatling for the first time, and Miss Robson, in broken health after twenty-one years of service.

Jhansi. Dr. Thurrott, having the language and knowing the district, is doing evangelistic and medical work in the villages. Attendance at the "Helen Macdonald" Memorial School increased to 135 girls and 24 boys (these in primary class only). Five senior girls were received into the Church. Graduate pupils have gone to Katui and Lalitpur for further training. Miss Simpson and staff cared for 127 in-patients and 7,300 out-patients in small hospital-dispensary at Jhansi, also a family of 11 orphans under 7 years of age mothered by Gracebai.

The Bhil Field. Miss Williamson reports that 18 graduates of Amkhut school have gone to Khandwa, Jubbelpore, and Ajmer for Bible School, High School, Teacher's and Nurse's training; 6 senior boys and 3 girls have joined the Church on profession of faith. Miss Soutar has had 165 patients in the "Abey Memorial Children's Nursing Home," also a family of 9 orphans and infants. The improved health of the school children has justified its existence many times.

Miss McConnell sees breaking down of prejudice in the many maternity cases now coming to Jobat Hospital, which is always filled. Miss Douglas is carrying on kindergarten and evangelistic work in Jobat while Miss Maxwell, on her return from furlough, conducted most successful camp meetings where a new road was being built between Amkhut and Bhabra, and is indefatigable in her efforts to win souls for Christ.

STUDENT DEPARTMENT

An increasing effort has been made to welcome students and nurses coming as strangers to Colleges, Normal and Training Schools, and to link them up with local Churches. Personal contact has been sought with students known to be interested in missions. Closer cooperation between the Student Christian and Student Volunteer Movements for Missionary Education in the colleges has the sympathy and, whenever possible, the aid of the Student Department. Rev. Hugh MacMillan and Dr. Jessie MacBean have given valuable service to these student organizations.

CANDIDATES

Seventy-six applications came into the department in the past year. Unemployment and the lure of far fields accounted for many of these, but interest in missions brought many others.

Three new missionaries were appointed to overseas service during the year. Miss Phyllis Argall, B.A., M.A., of Kobe, Japan, was appointed, for three years, to the teaching staff of the Girls' School in Tamsui, Formosa; Dr. Elizabeth Hope Thurrott, of Newcastle Bridge, New Brunswick, for six years a medical missionary in Jhansi, India, was appointed to evangelistic medical work in the villages about Jhansi; and Miss Gertrude Mary Sherrick, B.A., of Weyburn, Saskatchewan, was appointed to school work in the Bhil Field, India.

Three appointments were also made to national work—Miss Sadie McQueen, a former teacher in the Mistawasis Indian day school, was appointed to the staff of the "Cecilia Jeffrey" Indian Residential School, Kenora, Ontario; Miss Frieda Matthews, Deaconess, of Stirling, Ontario, to deaconess work in the Red Deer district of Alberta, and Miss Margaret Robertson, formerly of Knox Church House, Toronto, to the superintendence of the W.M.S. school residence, New Liskeard, Ontario.

During 1932, 7 new W.M.S. missionaries sailed for overseas service, 3 going to Formosa, 4 to India.

PUBLICATIONS

The aim of the Publications Department is to keep our women informed on every phase of the work being done. The *Glad Tidings* magazine has a subscription of 20,900. Two-year study books were issued for women and children, and a one-year book for girls. Three thousand "Seven Seas of Service" were published; 700 "Who

Is My Neighbor?"; 2,000 "Study Guide for Young Women." Leaflets published include: 5,000 Guide for Auxiliary Officers; 5,000 Ideal Home Helper Secretary; 5,000 Mission Band Order of Service; 5,000 Visiting in Various Hospitals; 5,000 Gift of Prayer; 10,000 Monthly W.M.S. Envelopes leaflet, 10,000 Thank-offering Hymn; 2,000 Advance Announcements; 6,000 Affiliation Services; 5,000 Western Relief; 1,000 What Is In Thine Hand?; 500 Indians of Canada; two pageants were mimeographed; 4,500 Annual Reports and 100 Advance Reports were also printed.

LANTERN SLIDES

Five new sets of slides were prepared and sent out during 1932: "The Little Brown Brother" (Canadian Indians), Formosa, "Gem of the Orient" (Jubilee set), "Land of Light and Shadow" (Jhansi and Amkhat), and two Mission Band sets, "Over the Sea to Formosa," and "Happy Days in India." The slides were sent out 404 times, the calls coming from all the provinces from British Columbia to Prince Edward Island. Printed slips giving the names of the sets, the number of slides, and the addresses of the Provincial Secretaries to whom application may be made, have been distributed and proved very useful.

LIBRARY

The demands on this Department have been many and urgent. Hundreds of pounds of literature have been sent out and Bibles and Hymn Books supplied. A special call from the Home Mission Committee for reading matter to be sent to the Chaplain in Northern Ontario, who has nearly 3,000 men under his care, was responded to most generously by Toronto Churches forwarding over 700 pounds of good magazines and books. The Library Department has been particularly beneficial to Mission Stations, new groups being the recipients not only of Bibles and Hymn Books, but small Sunday School Libraries as well.

Workers on the W.M.S. Staff in 1932: Overseas missionaries 26; National missionaries, 62; Field Secretaries, 3; Office staff, 7.

THE PRESBYTERIAN COLLEGE, MONTREAL

REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of the Presbyterian College, Montreal, begs to present its report for the year 1932-1933.

From a financial point of view, the year has been exceedingly difficult. Your Board has practised the strictest economy in every direction, but nevertheless is compelled to report an adverse balance of \$1,278.50 for the year just ended. The deficit would have been much larger but for the generous assistance of several friends of the College, who gave contributions toward operating expenses amounting in all to \$4,517.56. The amount received from the Budget of the Church was only \$9,000. It is gratifying to note that this amount will be increased to \$13,000 for 1933, but yet the estimated requirements for the year, without taking into account the deficit carried over from 1932, and with no provision for unforeseen repairs or expenditures, are \$15,153.00. It is evident therefore that unless individual friends of the College come to its assistance again, there will be a further deficit to reckon with next year.

This condition of things is very unsatisfactory, and your Board therefore would earnestly urge the General Assembly to consider sympathetically a larger recognition of the claims of the colleges in the apportionment of the Budget funds of the Church. This work is of central importance, and if it suffers, the effect is bound to be felt in every branch of the Church's activity.

The thanks of the Board are extended to the contributors mentioned above, and to many other friends who have contributed scholarships and bursaries. The sum of \$3,000 was received during the year from the estate of the late Miss Forsyth of Montreal, the income of which is to be used for scholarship purposes.

Your Board begs to remind the General Assembly once again that at the earliest possible moment the teaching staff ought to be increased. It is unfair that professors should be asked to do double duty indefinitely. With the present staff of three, it is necessary to secure outside assistance each session, and while your Board has been exceedingly fortunate in this respect hitherto, yet it is at best a make-shift policy, and decidedly not in the best interests of the College.

According to instructions received from the Commission of the General Assembly which met on March 9th, 1933, the salaries paid to the Principal and Professors have been reduced by ten per cent. Your Board urgently requests that the General Assembly reconsider this action of the Commission in so far as it affects college salaries, believing that these salaries were already too low before the cut was made, and asking the General Assembly to remember also that the entire work of teaching in the Presbyterian College, Montreal, is being done by a staff of three, with the exception of Apologetics and the Psychology and Philosophy of Religion, for which the Board paid last year only \$500.00. In view of the heavy burden which the Principal and

Professors are thus necessarily forced to carry, your Board unanimously recommends to your venerable body that college salaries remain unchanged, and that this decision be made retroactive to April 1st, 1933, from which date the reduced scale has been in effect.

A financial statement for the year is appended herewith. All of which is respectfully submitted.

D. M. ROWAT,
Secretary.

ALEXANDER BISSETT,
Chairman.

Montreal, April 19th, 1933.

REPORT OF THE SENATE OF THE PRESBYTERIAN COLLEGE, MONTREAL

To the Venerable the General Assembly:

The Senate of the Presbyterian College, Montreal, begs to submit the following report for the Session 1932-1933.

The work of the Session has been carried out with harmony and efficiency and has attained satisfactory results. The lecturing in New Testament has been undertaken by the Principal and Professor W. Harvey-Jellie, in addition to the work of their Chairs; and assistance in Apologetics has been given by Professor Howard of the Diocesan College, to whom the thanks of the Senate are again extended. The work of the Session was assigned to the following lecturers:—

Old Testament Literature and Exegesis—Professor W. Harvey-Jellie.

New Testament Literature and Exegesis, 1st and 2nd Years—Professor W. Harvey-Jellie.

New Testament Literature and Exegesis, 3rd Year—Principal F. Scott Mackenzie.

Church History and Homiletics—Professor A. F. Scott Pearson.

Psychology and Philosophy of Religion and Apologetics—Professor O. W. Howard.

Systematic Theology, History of Religions and Church Government—Principal F. Scott Mackenzie.

According to the recommendation of the last General Assembly, a special course of three lectures on the life and work of the late Rev. James Robertson, D.D., was given in November by the Rev. Jas. S. Shortt, M.A., D.D., to commemorate the fiftieth anniversary of the appointment of Dr. Robertson as Superintendent of Missions in Western Canada. These lectures, which were open to all friends of the College, were very interesting and instructive, and were much appreciated. The thanks of the Senate are extended to Dr. Shortt for his services.

There have been twenty-six regular students in Theology, of whom three have pursued work, extra-murally under the direction of the Faculty as prescribed by the authority of the Assembly. Two students in the final year have taken the honour work leading to the degree of B.D. and have received this degree on graduation. The students have attained an unusually high level of academic qualifications and have been assiduous in class work.

There have been twenty-seven students in Arts preparing for Theology, all but two of whom are proceeding to a university degree. The responsibility of the College for non-matriculated students has been discontinued—thus somewhat reducing the number of registered men. And yet, notwithstanding this fact, the total registration is considerably larger than last year.

The total registration of students is as follows:—

Theology, 3rd Year—*Six*: Thomas J. Watson, B.A., Cecil H. Kennedy, B.A., Howard A. Doig, Donald N. MacMillan, M.A., Kenneth W. House, B.A., Russell C. Archer.

Theology, 2nd Year—*Eight*: John H. Patterson, B.A., Edwin J. White, B.A., Ronald Rowat, B.A., John W. Foote, Joseph Cathcart, Wm. L. MacLellan, B.A., Geo. Lloyd Fulford, B.A., W. Lyall Detlor, M.A.

KNOX COLLEGE

REPORT OF BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of Knox College begs to submit its Eighty-ninth Annual Report.

Your Board has pleasure in reporting that the administration of the College has been conducted with efficiency and at the lowest possible expense to the Church. Notwithstanding the fact that only 80 per cent of the rooms were occupied, the College residence was operated at a profit. The conduct of the residents, both candidates for the ministry and others, was exemplary.

Your Board was fortunate enough to be able to arrange that the work of the Chair of Systematic Theology should be undertaken by the Rev. Dr. Stuart Parker, whose services met with cordial acceptance by the students. As in past years, the regular members of the Staff cheerfully undertook to do the double duty which the present under-staffed condition of the College renders necessary; and in this connection, your Board feels that your Venerable Body should know in some detail the extent of the work done by these Professors, which is as follows:

Professor Eakin, Old Testament Literature and Exegesis, Theoretical and Practical Homiletics, Pastoral Theology and Elocution.

Professor Cunningham, New Testament Literature and Exegesis, also classes in Tutorial Greek.

Professor Bryden, Church History, as well as the History and Philosophy of Religion.

Dr. Stuart C. Parker, Systematic Theology.

The above work, which was done by nine Professors and Lecturers in 1921 is now being done by four, but whilst this is the case your Board does not feel justified, under present financial conditions, in recommending any permanent additions to the teaching staff at the present time, and would request that it be authorized to make provision for the necessary teaching for the session of 1933-1934, as it was able to do so successfully for the past session.

During the year we suffered a severe loss in the removal by death of one of our most valued members the Hon. Mr. Justice D. Inglis Grant, who, in spite of physical disability, attended our meetings with regularity, and took an active and decisive part in everything affecting the welfare of the College. An appreciation of his service to the College and our regret at his death have been duly recorded in the minutes of the Board.

In concluding this report, your Board beg, respectfully, to submit a Resolution, which was adopted after the most careful and prolonged consideration:—

WHEREAS

IT IS HEREBY RESOLVED to ask the General Assembly that he (Dr. Eakin) be now permitted and requested to resume his duties as Principal of the College.
All of which is respectfully submitted.

Secretary.

Chairman.

N.B.—Blanks in above due to deletions by order of Assembly.

Re MINORITY REPORT OF THE BOARD OF MANAGEMENT OF KNOX COLLEGE

To the Venerable the General Assembly:

We the undersigned members of the Board of Management of Knox College, having duly registered our dissent, from the action of the Board, and given notice of our intention to present a minority report to the General Assembly, hereby beg leave to submit the following:—

WHEREAS the General Assembly at its meeting in June, 1932, relieved Dr. Thomas Eakin of the Principalship of Knox College,

AND WHEREAS the Board of Knox College has deemed that an appointment falls to be made for the Principalship,

AND WHEREAS the Board of Knox College has refused by a majority vote on two occasions to notify the Presbyteries of such vacancy,

AND WHEREAS the said Board has resolved to ask the General Assembly, that Dr. Eakin be now permitted, and requested to resume his duties as Principal of the College,

INASMUCH As the finding of the General Assembly in regard to Dr. Eakin, was accepted by him in the Assembly,

INASMUCH As the action of the General Assembly, which is the highest Court of the Church was final, and its finding was adopted without dissent being registered,

INASMUCH As the Board of Knox College notwithstanding the above facts, by a majority vote, permitted Dr. Eakin to appear before it, and make a statement as to conditions obtaining in the College prior to his removal from the Principalship, which statement was *ex parte*

INASMUCH As the Board of the College subsequent to hearing this *ex parte* statement, and being without access to the complete evidence now held in *relentis*, has seen fit to express an opinion of the action of the General Assembly, describing it as "unprecedented," "a direct transgression of the laws of our Church," and "a flagrant violation of the fundamental principles of justice."

THEREFORE we respectfully submit that the Board has absolutely no right to ask that Dr. Eakin be now permitted and requested to resume his duties as Principal of the College, so long as the judgment of the General Assembly now standing against him is unrepealed.

We further submit:—That the opinion expressed in the request of the Board is an unjustifiable reflection on the honour and fairness of the Senate's Committee,

the Committee of the Assembly, and the Commissioners supporting the Committee's finding.

It is our considered judgment that the division of opinion regarding the reappointment of Dr. Eakin is such, that to accede to the request of the Board would produce "an intolerable situation" in the College, similar to that existing prior to his removal from the Principalship, which situation was investigated by the General Assembly at the request of the Board, and issued in part in Dr. Eakin's being relieved of the Principalship.

WE WOULD THEREFORE RECOMMEND:

1. That the conduct of the Board issuing in its request be dealt with by the General Assembly.
2. In view of the uncertainty alleged to exist in regard to the judgment of the General Assembly of 1932, we would respectfully request: That the Assembly before taking further action should again state for the Church, the judgment, together with the reasons for the relieving of Dr. Eakin of the Principalship.

(Signed) { G. W. KEITH,
J. A. MUSTARD.

The Senate recognizing the difficult nature of the work of administration in the College at the present time wishes to express its gratification with the excellent results obtained by the Faculty, assisted by the commendable and scholarly efforts of Rev. Stuart C. Parker, M.A., D.D., and the able and skilful guidance of the Acting-Principal Reverend Robert Johnston, M.A., D.D.

The Senate recommends to the General Assembly "that the General Assembly approves the following policy in the making of summer appointments to mission fields:

(a) That first preference be given to students registered in Theology in one of the Colleges of the Presbyterian Church in Canada;

(b) That the next preference be given to students in Canadian universities who have been certified to one of the Colleges as proceeding to the Christian ministry of the Presbyterian Church in Canada."

CERTIFICATE

We have audited the books and accounts of Knox College for the year ending 31st January, 1933, and certify that the Balance Sheet and related statements are, in our opinion, drawn up so as to show a true and correct view of the affairs of the College according to the best of our information, the explanations given us, and as shown by the books.

The Cash on Hand was verified by actual count during the course of our audit and we have received confirmation of the bank accounts from your bankers.

We examined the Bond and Debenture securities and found them to be in accord with the books. These securities are held for safe keeping in the vaults of the Toronto General Trusts Corporation. No provision has been made for any decline in the market value of the investments which are shown on the Balance Sheet at book value.

REPORT OF THE TRUSTEES OF THE CHURCH EXTENSION FUND

To the Venerable the General Assembly:

The Trustees of the Church Extension Fund beg to submit the following report:—

On November 22nd 1932, Mr. James Rodger, Chairman of the Board, passed away, after a brief illness. The following resolution was placed upon the Minutes:—

"The Board of Trustees of the Church Extension and the Church and Manse Funds desires to take this opportunity of recording the great loss sustained by the death of one of its members, Mr. James Rodger. When this Board was appointed by the Board of Administration, under instructions from the General Assembly, on July 15th 1926, Mr. James Rodger was chosen as Chairman, and held that position up to the time of his death on November 22nd, 1932.

He was also for many years Chairman of the former Church and Manse Board. The work carried on by this Board for the assistance of Minority Groups and new and struggling congregations, to enable them to secure places of worship, was one in which Mr. Rodger was deeply interested, and to which he gave many years of faithful and valuable service."

Your Board has been severely limited in its activities during the past year. On account of the heavy overdraft carried over from the previous year, little could be done to assist congregations making applications for loans. There are still on file sixteen applications for loans amounting in all to \$37,500. Some of these are urgent, as building operations were undertaken in the expectation of securing a loan from this fund. In other cases the erection of a church has been delayed through lack of funds.

Financial conditions throughout the land have made it very difficult, in some cases impossible, for congregations to whom loans have been made to carry out their obligations, as a result a heavy burden has been placed upon the Fund for the payment of interest on the bank overdraft. When the Fund was started the policy generally followed was to make loans for a period of five years, and to grant exemption from payment of interest for the first three years of that period. After that period the loans would bear interest at the rate of five per cent per annum. It was expected that at the end of the three year period the interest received from congregations would more than meet the interest charges. Further that payments on account of principal would soon enable the Board to clear off the overdraft.

Unfortunately, these expectations have not been realized. Many congregations have not been able to meet interest charges, when they became due, or to make payments on account of the principal of the loan, and your Board has found it necessary to give sympathetic consideration to appeals for an extension of the time of payment.

The result however is that the interest charges have been much greater than the receipts from congregations on account of interest. From February 1st 1927, to January 31st, 1933, interest charges have amounted to \$20,522.13, while receipts on account of interest amounted to only \$6,573.98. This means that the net loss to the fund from this source is \$13,948.15. Your Board would therefore strongly urge upon congregations indebted to this fund, that every effort be made to meet interest charges as

they become due and to reduce the amount of the loan, and so help to conserve the capital of the fund. In this way your Board would be placed in a position to deal with the more urgent applications for loans.

During the past year \$6,415.58 was repaid by congregations on account of principal of loans, and new loans were made to the amount of \$1,500.

CHURCH AND MANSE FUND

It will be seen from the financial statement attached that receipts during the year from congregations on account of principal and interest on loans from the Church and Manse Fund have been very small. Under the circumstances, with the limited funds at their disposal, your Board could deal only with the most urgent applications. We trust, however, that when conditions improve, the congregations which have received help in the way of loans from this fund will make an earnest effort to reduce their indebtedness.

JAMES WILSON,
Chairman.J. W. MacNAMARA,
Secretary.REPORT OF THE COMMITTEE ON
CORRESPONDENCE

To the Venerable the General Assembly:

Your Committee begs to submit the report for 1932.

Throughout the year relations with other churches were maintained more largely by means of correspondence as in harmony with the Committee's name. We advised the Churches in the U.S.A. that:

"It has seemed desirable to our Committee on Correspondence with Other Churches, in view of the general industrial distress and its consequent heavy demands upon the resources of our people, that this year we should deny ourselves the privilege of representation at your Assembly by delegation, and be content with correspondence as the medium of expressing our regard and goodwill."

We sent but one commissioner to other General Assemblies. Rev. Geo. E. Ross, D.D., of Erskine Church, Ottawa, was our capable representative in this particular. He was commended to the various Assemblies in the British Isles and had the privilege of addressing the following: The Presbyterian Church of England in London; The Presbyterian Church of Wales in Liverpool; the United Original Secession, and the Church of Scotland in Edinburgh; the Presbyterian Church in Ireland in Belfast. As the last mentioned Assembly met at the same time as the Assembly of the United Free Church (Continuing) it was impossible for Dr. Ross to address the latter. He however sent a letter of greeting to which the Clerk made cordial reply. On all occasions Dr. Ross reports a hearty welcome and generous consideration in the time allotted in each instance for his address.

The expense incurred by the Committee on Correspondence for this service was \$250, a very marked reduction from that of the year previous and indicating the Committee's desire to reduce expenses as far as possible. The other expenses of the Committee, except as included in Record expenses, was \$34.85, a very modest outlay.

EUROPEAN RELIEF

The sum spent for this purpose was \$250, less than half of what was sent last year. In addition our Church, by its support of the work in the Ukraine, spent \$1,757.84. The Committee recommends that at least the same sum, \$250, be contributed to this object next year.

W. M. ROCHESTER,

Secretary.

W. J. WALKER,

Convener.

REPORT OF THE PENSION BOARD

the Venerable the General Assembly:

It is with gratitude to God that your Pension Board hereby beg leave to submit the following report.

For the short time that the Pension Fund in its present form has been in operation, namely since the 6th of October, 1927, it has made gratifying progress notwithstanding the very difficult period through which we are passing, and the many obstacles that had to be overcome. During this time there have been entered on the Pension Record Book about 547 names, but your Board wishes to take this opportunity of pointing out that only 345 are paying rates up to date. A goodly number of those entered on the Pension Record Book since the inception of the Fund have passed to their reward but there are quite a number of ministers who are falling behind in their payment of rates and your Board wishes to impress upon them the great necessity of keeping these rates paid up, and not allowing their connection with the Fund to lapse.

It is our painful duty to report that during the past year the following annuitants and rate payers have passed to their reward:—Rev. G. G. MacRobbie, Rev. W. S. McTavish, Ph.D., Rev. D. A. Thomson, D.D., Rev. Geo. MacArthur, Rev. W. M. Martin.

WITHDRAWALS

Up to the present time we are able to report that during the year just closed there have been no withdrawals from the Fund.

PROMOTION

During the past year there has been no very special effort put forth with regard to promoting the fund on account of the distressing time through which we are passing. Your Board did not feel that the time was opportune to press overmuch along this line. Nevertheless, every opportunity that availed itself before Synods and Presbyteries the interests of the Fund were presented with some gratifying results, also during the past year a letter was sent out to congregations directing their attention to the action of the Assembly with regard to the sliding scale, appealing to them to acquiesce in the Assembly's request, which is as follows:—

"That charges receiving aid, that is those charges that pay less than \$1,800 a year, pay into this Fund an amount equal to 2 per cent of the stipend they pay to their minister; that charges paying \$1,800 and under \$2,500 pay an amount equal to 3 per cent into the Pension Fund, and that charges paying \$2,500 a year and up, pay an amount equal to 5 per cent into the Pension Fund, each year."

The result of these letters has been satisfactory as far as expressions of willingness to help and sympathy for the Fund is concerned, but owing to the conditions in which many congregations are finding themselves at the present time, the result has not been so encouraging as far as the contributions are concerned, the total amount received from congregations during the year amounting only to \$5,625.65. However, it is gratifying to know that congregations are realizing as never before their responsibility in connection with this absolutely necessary part of the Church's work and we believe that when times improve they will more and more acquiesce in this request of the General Assembly, especially if the progress of the Fund is not disturbed by suggestions of change. One of the greatest difficulties that the Fund has had to encounter since its inception has been the Overtures that have been sent in from

various sources suggesting other methods, and thus always creating the impression in the minds of elders and congregations in these sections from whence these Overtures come, that changes are about to be made, thus nullifying any action on the part of congregations. When the Church realizes that the Pension Plan is fixed and final, much of the difficulty in its progress will be removed.

WILLS AND BEQUESTS

Your Board feels that one of the great sources of help to this Fund ought to come from those who have been blessed by a kind Providence with the possession of much of this world's goods, and what object is more deserving of their remembrance in their wills than the old and broken down ministers, the stranded widows and poverty-stricken orphans? We further feel that it would be a gracious duty on the part of ministers to bring to the attention of wealthy members within their congregations this great opportunity of relieving the suffering and dire need of these faithful servants of the Church. We are very glad to inform the Assembly that one good lady of the Presbyterian Church, Miss Mary MacGillivray of Port Colborne, has made a very substantial bequest to the Pension Fund. Her will provides that the income of the estate shall be paid to an aged relative during his lifetime, that an income of \$300 per year be paid to each of three relatives living in Scotland, an income of \$500 a year during the lifetime of an employee and a bequest of \$5,000 to another relative, the remaining corpus of the estate to the Pension Fund. The valuation placed by The Toronto General Trusts Corporation for letters of probate at the time of Miss MacGillivray's death is approximately \$104,500. Other bequests amounting to \$3,544 were received during the year. A very few bequests like these would add so materially and help to bring the Fund nearer to the goal toward which we are striving.

EMERGENCY FUND

One of the departments of benevolence in the Presbyterian Church is the taking care of ministers who become broken down in health before the time of retirement and are no longer able to carry on, and their actuarial interest in the Pension Fund, if they are connected, is very little. These must be helped, and also a number of ministers who did not utilize the opportunity of connecting with the fund and find themselves without any claim upon it. But the most distressing problem is the number of widows that have been left by ministers of the Church who were never connected with the Aged and Infirm and Widows and Orphans, or present pension plan, and have nothing. The information that comes from this source is heart breaking and to meet this need the Emergency Fund was established a few years ago, but the contributions that have been received have been very meagre, somewhere in the neighborhood of \$400 during this year, when we ought to have at least between \$3,000 and \$5,000. True, some provision is made for these through the legacy of the revered Ephraim Scott who left to the Church \$50,000 under the direction of the General Board of Administration, the interest of which was to go to help those as above described and your Pension Board has forwarded to those in control of the Ephraim Scott legacy a number of these special cases.

We do most urgently appeal to the membership of the Presbyterian Church in Canada and to congregations within the Church for a few years at least to forward some contribution, however small, to this Emergency Fund. We hope it may not be needed for very long (as those now in need will soon have passed on). If all Presbyteries will see to it at induction and ordination that all ministers connect with the Fund as required by the regulations of the Church then all will have a claim upon the Pension Fund as such. This is important.

WIDOWS AND ORPHANS ANNUITY

When the present fund became operative and the Board were fixing the allowance for Widows and Orphans, an annuity of \$300 was set for those paying full rates and for those on the optional rate, an annuity of \$250. The Board felt they could not offer anything less to those on the optional rate. To be strictly correct according

to the Pension Plan the amount that they should receive should only be \$200 per year and as there are only eight of these cases we recommend to the Assembly that these annuities be continued, and strongly urge that all ministers paying optional rates on behalf of widows and orphans make a special effort to pay the full rates for widows and orphans, so that all widows will be entitled to \$300 pension.

GENERAL PROGRESS

Your Board is glad to call the attention of the Assembly to the progress the Fund has made since 1927. At that time we started out with only \$467,000 and according to the attached financial statement of the Treasurer, Mr. E. W. McNeill, there is now \$747,426.84 in the Fund. When we couple to that the prospect of receiving the proceeds of the Mary MacGillivray Estate \$104,500, and the proceeds of the Penman Estate, and the other legacies received last year and this, it will not be hard for you to see the most gratifying progress that the Fund is making.

DR. EPHRAIM SCOTT FUND FOR THE RELIEF OF MINISTERS AND THEIR FAMILIES

To the Venerable the General Assembly:

Under the Will of the late Dr. Ephraim Scott, a trust fund was established, subject to the control of the Board of Administration, "to be used to relieve worthy cases of distress and misfortune happening to Ministers of The Presbyterian Church in Canada, or their families through ill-health or other misfortune, especially in cases where the amounts available from other funds of the said Church are insufficient to afford adequate relief, or are not available."

The Board of Administration appointed a Committee to administer the fund composed of the Executors of the Estate of the late Dr. Scott, Mr. J. G. Pelton of Montreal, and Dr. Robert Johnston of Ottawa, and the Secretary of the Board of Administration, Dr. J. W. MacNamara.

The fund came into operation in July 1932. Since that time some twenty-six applications for assistance have been received. These applications have received careful consideration. Fourteen applicants, of whom five were ministers and nine ministers' widows or near relatives have so far been granted assistance from this fund.

The Committee is pleased to report that the assistance thus made possible through the thoughtful and generous provision of Dr. Scott has already been of real help to many in need and has brought many letters of deep appreciation.

The Committee wishes to point out however that the income from the fund is limited, and in order to conserve the fund, and to carry out the wishes of Dr. Scott, as set forth in the terms of the trust, it is necessary that full information should be forwarded with each application for assistance from this fund.

It will be recalled that when Dr. Scott resigned from the Editorship of the *Presbyterian Record* in 1926 he was granted a retiring allowance by the General Assembly in grateful recognition of his long, valuable and faithful services to the Church. Dr. Scott however never accepted, or used, any of this money for his own use. At his request these payments were placed in a special fund to be used for the relief of sick and infirm ministers and ministers' widows, in urgent cases that would not come under the regulations of the Pension Fund.

This fund continued in operation for several years, and was the means of providing relief to a number of ministers and ministers' widows.

When the new fund established under the Will of Dr. Scott came into operation, the balance remaining in the Treasurer's hands from the former fund, amounting to \$4,164.39 in cash and securities, was transferred to the credit of the new fund, by order of the Board of Administration.

A statement of the receipts and expenditures for the period from July 1932 to January 31st, 1933 is appended.

J. G. PELTON,
Chairman.

J. W. MACNAMARA,
Secretary.

REPORT OF THE DEACONESS COMMITTEE AND BOARD OF MANAGEMENT OF THE PRESBYTERIAN MISSIONARY AND DEACONESS TRAINING HOME

To the Venerable the General Assembly:

In the light of conditions prevailing last year, the Missionary and Deaconess Training Home Report for 1932 is one that should give genuine satisfaction.

As yet unemployment has been a menace of word rather than deed. With all but one of its last year's graduates employed, your Board feels justified in its policy of limiting classes, and accepting but six new candidates this year.

The residential capacity of the Training Home has been taxed to the utmost. Of the twenty-three residents, twelve have been either students-in-training, or graduates employed in the work of the Church. Of these four graduate to-night for the work of the Church in Canada, and one, Miss Mary Sherrick, B.A. as missionary-teacher to the Bhil Field, India, under the W.M.S. (W.D.). The remaining eleven have been students of the various University faculties.

The Training Home has therefore served a dual purpose during the year,—that of training new workers for the service of the Church, and that of providing an ideal residence for Presbyterian University women students. The real work of the Principal has been the adjusting of these two elements, and sustaining the purpose and ideals of the Home. Incidentally we have also been a resting-place for our missionaries on furlough, for delegates attending various Committees and Boards of the Church; and we have provided hospitality for visitors from Canada and many parts of the world.

Our students have been earnest and faithful in their studies, our graduates zealous and steadfast in their duties. Our Alumnae has met regularly and with profit, our school magazine is filling a long-felt want, and our school has represented with honour, Presbyterian interests in inter-collegiate life.

No small contribution to the work of the Church in Toronto has been made by the students of the Training Home. As part of their course they have, on request, been superintendents of S.S. departments, teachers of S.S. Classes and of Bible Classes, leaders of C.G.I.T. groups and Mission Bands, and "on call" have responded to many and varied requests for contributions to programs of Church organizations. We have also assisted the various city missions of our Church. Evangel Hall, Scott Institute, Hungarian, Ukrainian, and Chinese. Surveys made of three districts at the beginning of the term, have proved of benefit, and many house to house calls have been made. During the summer our students occupied posts of responsibility under the W.M.S. at the ports of Montreal and Quebec, relieved at Chalmers Jack Mission, N.S., and Knox Church House, Toronto, and assisted at Girls' Camps.

Up to the moment of writing no remunerative summer posts have been offered the students, owing to financial conditions, but rather than forego the educational experience of practical work, they have offered their services for the months of April, May, and June.

It is this spirit of willing adaptability which has made possible the changes necessitated by a reduced allocation. Your Board is proud to report that it has lived within its four thousand allocation, and in reducing staff, and adjusting domestic arrangements, has not lessened the efficiency of the School nor curtailed its curriculum.

Board meetings have been held regularly, but have been only fairly attended. We respectfully draw the attention of the Assembly's Committee to the fact, that the requirements of an institution such as this are for a Board of local or fairly accessible membership.

In addition to routine work, in response to Assembly's request, your Board has revised the Rules and Regulations of the Deaconess Order, and provided a form of Designation Service for the setting apart of graduate deaconesses.

No report of this institution would be complete without grateful mention of those professors and members of the ministry through whose able tuition the school retains its high standard. To Dr. Eakin, Dr. Bryden, and Dr. Cunningham of Knox College, to Dr. Kannawin, Rev. H. A. Berlis, Rev. E. Foreman, Rev. John McNab, Rev. Walter McCree, Rev. J. B. Skene, Dr. H. E. Abraham, Dr. A. R. Uren, Mrs. D. T. L. McKerroll, Mrs. Koffend, to Dr. Lovell Murray, and his staff of the School of Missions, to the Social Service Department of the University of Toronto, and to Dr. Kirkpatrick, we pay tribute for unestimable benefit they have conferred on the minds and lives of our students, in giving themselves to this service.

In closing this brief resumé of the year's work, may we reiterate our conviction as a Board and a Training School, that through the young manhood and young womanhood of our Church, closed doors will open, new ways appear, and the Church's strength be renewed.

Signed:—

WINIFRED FERGUSON,
Principal.

H. A. BERLIS,
Chairman.

REPORT OF THE HISTORICAL COMMITTEE

To the Venerable the General Assembly:

The Historical Committee respectfully reports regarding the work for the year 1932-1933.

PROGRESS ON IMPORTANT MATTERS

The Synod of the Maritime Provinces took up the question of the "Gordon Homestead" as directed by the last General Assembly (*vide* Minutes page 69). The Presbytery of Prince Edward Island was instructed by it to "make a full survey and an examination of the property, and of the terms and conditions on which it was proposed to transfer it to the Church." It was found that about \$600 would be required to put the place in order, making it worthy of a memorial to the saintly missionaries and in a state of permanent repair, retaining as far as possible its original form. The said presbytery recommends it as a suitable place for gathering together material of an historical character. The Women's Missionary Society, Eastern Division, has already taken steps to that end. While the Maritimes are logically the parties most interested, nevertheless the "Gordons" are household names throughout the Church; had set such examples of consecration and heroism before the people, young and old; and therefore in a remarkable degree have been a deep, spiritual force. It will be a privilege for those who feel that way to make whatever contribution we can to the maintenance of the Memorial.

THE J. JONES BELL SCHOLARSHIP

Your Committee has endeavoured with equal veneration for a name and service to proceed according to the resolution of the last Assembly, which is found on page 115 of the Appendices. Three matters were found necessary for a foundation:—the Regulations governing the Scholarship; the locality where a sub-committee might keep in touch; and the securing of funds. Progress has been made and from the interest taken success is assured. Further conference is necessary before recommending the Constitution and the appointment of a sub-committee. As to the money required, while an encouraging start has been made of a fund, opened in the Church Treasurer's office, Toronto, the large amounts are awaiting further adjustment.

ST. ANDREW'S CHURCH, NIAGARA-ON-THE-LAKE

The members of your Committee residing in Western Ontario have been reluctant about introducing another matter which appeals to both an historic pride and a liberal hand. It is imperative, however, that something be done immediately and because it is different it is to be hoped that it does not conflict. St. Andrew's congregation was organized when the town of Newark (Niagara) was the capital of the province. The present building replaced the structure burned by the Americans in the War of 1812; is a stately edifice of brick now over 100 years old; nothing finer is to be found in America to represent the lines of architecture and the furnishing of the sanctuary, familiar long ago. There is also a large well-kept burying ground. St. Mark's Anglican church in the same town is of similar historic pride, the gifts to it being all that could be desired. St. Andrew's still offers opportunity for the installation of memorial gifts. It is however to preserve the building itself that an appeal is made. The congregation through your Committee desires to secure an adequate number of "Friends of St. Andrew's," particularly in Ontario, who by the subscription of a membership fee would thus associate themselves in maintaining in good repair the noble fabric.

WHERE IS THE MONEY TO COME FROM?

That Memorial gifts are fairly plentiful and generous the list at hand and in these trying times is ample proof. The recent gifts to St. James' Church, Charlottetown, by members of the "Goodwill family" and others, show how deep is the affection for the House of God and for men who were long and faithful in the ministry. Knox Church, Waterdown, in the Presbytery of Hamilton, completed a hundred years of service. "The Forbes' Family" were devoted workers, and a daughter, Mrs. W. O. Sealey, had the honour of laying the corner-stone thirty-two years ago of the new building. Her husband has beautified now the chancel by a large window in memory of those just named. "The Margaret Rodger Memorial Church," Lachute, Que., was opened about a year ago to the Glory of God and is the tribute of a brother to a great missionary of the Cross. Mr. William Rodger provided the major part of its cost in affectionate regard for his sister the late Miss Margaret Rodger, who was the first woman in the Presbyterian Church in Canada to go to the foreign field. St. James', Charlottetown, was further beautified by two tablets of sacred memory; one to Dr. William Snodgrass, in 1864 Principal of Queen's University and the other, to Dr. Thomas Duncan, father of Dr. George Duncan, lately deceased in Scotland.

The deep interest and expense given to the numerous celebrations of anniversaries are hopeful signs that memory is precious. Knox Church, Dundas, St. Andrew's Church, Guelph, Christie Church West Flamboro, Kirkwall Church, St. Andrew's Church, Perth, and the Assembly Church, St. Paul's, Peterboro, have had, or are celebrating their centennials. Others like Smith's Falls, and Centreville, are just a year away. Multitudes like Smithville, Milbrook, Chatsworth, Port Perry, Hagersville and Central Church, Galt, are holding various jubilees. The re-unions which take place; memorial services and names of the zealous founders; the impression upon the youth; and the new beginnings make these occasions eventful days.

Services conducted according to the forms familiar to our fathers are becoming part of the Order followed at these celebrations. Your Convener has had the privilege of officiating at several of them and under certain regulations is prepared to earnestly commend them. That is when the printed notices carefully describe the purpose and order of the service. The curious, should there be any, are thereby drawn into the spirit of forms, the purity and simplicity of which our fathers contended for, and which met their ideas of Scriptural worship. The rest, many of whom come long distances, and under strong emotion, find their hearts melted and their souls warmly stirred.

DEDICATION OF A PORTION OF THE OFFERINGS

Your Committee, after conference by correspondence with one another believe that the sources just mentioned could easily be reached for the funds referred to. It is the purpose therefore of the Committee to keep the "Gordon Homestead," the "J. Jones Bell Scholarship," and the "Friends of St. Andrew's, Niagara," before the eyes of our Presbyterian people as objects of memorial worth, and having a claim on the pride and affection of those who are heirs of the past. To aid such a mission, congregations and individuals are urged to give part of the offerings, generously reaching the treasury at anniversaries or contributed to erect memorials to adorn the walls of their sanctuaries. Such would enable your Committee to preserve these and others of the ancient landmarks of our Church.

CONVENTICLES

Mass meetings of enthusiastic Presbyterians had been held in former years, without having been called by any special name. Since 1925, when the spirit of the Covenanters protected their heritage of faith and resisted the attempt to change the Church in which we were born and wished to remain, it has seemed good to rally together. Added to this is the fact that the historic Covenantants are being recalled by anniversaries in their honour. We have just passed the 375th year since the First Covenant, known as "The Godly Band," was signed. More important still is the fact that in five years the 300th anniversary of the National Covenant will take place. Hence as a means of conserving the zeal which was so vital in 1925, and also

of having an intelligent grasp of the principles which carried the Reformation in Scotland and Ireland to its complete goal, Conventicles are being held with much enthusiasm.

In New St. James' Church, London, in Knox Church, and Cooke's Church, Toronto, instead of the prayer meetings in several congregations, on Wednesday night, large crowds assembled for Public Worship and to hear an address on the Covenanters. In Westminster Church, Hamilton, the meeting was on Sunday afternoon. In Durham everything is ready for a real Conventicle to be held under the blue sky of a Sabbath evening in June. At the Assembly Church, Peterboro, at the Wednesday evening service, May 31, being part of the Centennial, it will take the form of a Conventicle.

The offerings taken have been set apart to aid the "J. Jones Bell Scholarship Fund," being an example of means whereby similar objects could be assisted.

THE JAMES ROBERTSON MEMORIAL

Your Committee welcomes the return of the Memorial Lectureship in honour of the great Home Mission Superintendent. The Church is fortunate in securing Dr. J. S. Shortt of Barrie to deliver the course of lectures at the Presbyterian College, Montreal, and Knox, Toronto. On none of the young men "who went West under Robertson" has the mantle of the "old Chief" fallen with more telling effect.

The whole Church shared also in the "Service of Remembrance" held on the grounds of Old Kildonan, near Winnipeg, where the grave of Dr. Robertson is found amidst the other stalwarts of Presbyterianism in the West. On a Sunday evening, last August, more than 2,000 people gathered and shared in a most impressive service.

In this connection it is fitting to join with Dr. Frank Baird and his congregation of First Church, Pictou, N.S., as they were installing a beautiful mahogany grandfather's clock, the workmanship of John Geddie of sainted memory as a missionary. It is well known that his father was a clock-maker, and the lad became handy with the same tools. The dial bears the inscription, "John Geddie" and there is other evidence that he who spent his time so well in enlightening the minds of a cannibal tribe, spent his youth in making a time-piece of such beauty and significance. It was in Prince Church, now First, that Geddie was dedicated on November 3, 1846, and his memory will last as clearly as the pendulum will count out the years in a long future.

AS A TALE THAT IS TOLD

Your Committee regrets the passing of several of the "fathers" who in their busy and vigorous way made noble history, which is now "as a tale that is told." Mr. James Rodger, Montreal, was not on the official list as a member of this Committee, but gave it both his critical and encouraging support. The same is true of Mr. G. Tower Fergusson, Toronto. The loss of Dr. D. A. Thomson, Hastings, and Dr. W. S. MacTavish, Belleville, are severely felt, both of them having been active along every line of historical research and record and ever ready with their counsel.

While some are taken, there are many carrying on, and new hands are set "to the plow." Congratulations are given to Mr. Andrew Fairbairn, Lakefield, whose great interest in Presbyterianism is well-known. Also to Mr. William Watson, who at 100 years of age resides on a farm near Watford, Ont., where for eighty years he took a leading part in erecting different places of worship, teaching the young in the Sunday School and in other ways upholding the cause of religion. Another veteran's career has come to the notice of the Committee. Mr. W. H. Duncan, Regina, as a young man fitted a tent with seats, which had been used as a stable, in order that Rev. J. W. Mitchell, D.D., then a young minister, might conduct the first Protestant service in what is now the capital of Saskatchewan. Forty-four years later he officiated at the laying of the corner-stone of the splendid House of Worship now in use, and recently took a leading part at the Jubilee services. First Church Regina opened its doors to the General Assembly in 1928. The thanks of the Committee are due to Mr. James Paterson, Notary Public, Englehart, Ont., and Rev. Peter McNabb, Victoria, B.C., for interest shown in the work.

Unfortunately the whole story is not told. Your Committee again urges interested people in every congregation to record their reminiscences, forwarding the same to the Convener, along with old "Minute Books," Communion tokens and notices of the use made of the old Communion vessels.

HOW THE COMMITTEE WORKS

The Committee has been of no expense to the Church. It is felt, however, that such a position has been a loss rather than a gain. Instead of calling the members together for an annual conference three make-shifts have been adopted. An extensive correspondence is carried on; the members who are present at the March meeting of the Boards in Toronto consult on the general policy; and those who happen to be commissioners at the Assembly hold daily conferences. It would be like feeling the spirit of youth if all the members could meet in a regular way; lay the docket of business on the table, and deliberate on old and new problems. The time is already at hand when some Presbyterian of wealth and taste for historical matters might anticipate the bequests of his Will by giving a grant of money whereby in his lifetime he could see what real service the Historical Committee might render to Presbyterianism in Canada, to the Mother Church, and share with her sister churches of the world.

All of which is respectfully submitted.

AUSTIN L. BUDGE,

Convener.

REPORT OF THE COMMITTEE ON CHURCH ARCHITECTURE

To the Venerable the General Assembly:

Your Committee begs to tender the briefest of reports,—its brevity being a contribution to the cause of economy in printing the Assembly's business, and also an effect of the practical cessation of building operations in the Church.

No meeting of the Committee has been held during the year. A number of requests for advice have been met by correspondence. The General Assembly of 1932 requested the Committee to prepare an alternate plan to those hitherto offered, which would show the "Meeting-House" type of Church. Your Committee has for three years been aiming at an illustrated booklet which would meet that request. Its publication has been postponed until some revival of building activity takes place.

The present is not a favourable time for the work of your Committee. We believe, however, that its continued existence is in the best interests of the Church. When to the fact of its usefulness is added the fact that it costs the Church nothing, we are confident that this General Assembly will encourage it and commend it to the Presbyteries and Congregations.

The customary recommendation is appended:

That the General Assembly urge all congregations contemplating the erection of church buildings to avail themselves of the services of the Committee on Church Architecture, and instruct all Presbyteries to assist the Committee as opportunity arises to establish contact with such congregations.

STUART. C. PARKER.

Convener.

REPORT OF COMMITTEE ON EVANGELISM

To the Venerable the General Assembly:

This Committee was named and appointed by the Moderator in accordance with the General Assembly's resolution *re* the Overture of the Synod of Toronto and Kingston—see page 74, minutes 1932. Contact was established with representatives of other Churches and subsequently, in the fall of 1932, a "Joint Committee on the Evangelization of Canadian Life" was organized as approved by the Official Committees or Boards of the Anglican, Baptist, United, and Presbyterian Churches.

Your Committee approved the Constitution, ideals and aims of this "Joint Committee" and appointed five of its members to represent it thereon. The purpose of the "Joint Committee" is to foster a simultaneous spiritual movement throughout the whole Dominion.

It has set out "God's Challenge to His Church to-day" as follows:—

"1. A call to genuine repentance on the part alike of Churches and of individuals for past and present sins, failures, mistakes and inefficiency.

2. A call to public and private prayer for the Nation, the Church, the individual that we may see ourselves as we really are and as God sees us and that by His Spirit we may be led along the King's Highway of loving service and sacrifice.

3. A call to a fresh study of the nature and sovereignty of God; of the meaning and purpose of the Incarnation of His Dear Son, of His Atoning Death, His Triumphant Resurrection and the reality of His reign as King (see Statement of the Christian Message by the Jerusalem Council 1928, Vol. 1, pages 480-481).

4. A call to place first things first in our Church and individual life, to press forward to a deeper sense of our high calling in Christ Jesus, to realize anew the resources of the Church in the Living Christ through His Holy Spirit and our responsibility for the stewardship of the whole of life, and to recognize and develop an ever deepening sense of the supremacy of the spiritual in our Church, our national and our individual life.

5. An insistent call to evangelism, to bring home to each individual heart and life the Gospel of the Kingdom, to greater, more sustained and better planned efforts to reach the unreached, those who in a so-called Christian land are really pagan in life and outlook, and to bring about the real evangelization and consecration alike of the individual, of the community and of the nation in every phase and department of human life and activity, and thus enthrone Christ as King and to apply His teaching in our own lives, our homes, our churches, our communities, our politics, our business, our industry, our social life.

The Committee believes that these ideals are the ideals of all the Churches of our land, and that the earnest members of all will welcome an extended effort based on penitence, prayer and loving service to further their acceptance throughout the length and breadth of the land. Such an effort will indeed form part of the world movement in this direction evidenced in other lands.

The Committee further believes that such an extended effort will have everything to gain and nothing to lose, by becoming part of a sustained and simultaneous movement, thus to set forward the Kingdom of God and to make our Dominion His Dominion—in short a Dominion-wide and definitely spiritual forward movement participated in by all Churches.

Such a simultaneous spiritual movement will not impair the right or the duty of each Church to carry on its own effort along its own lines and in the way which would seem best fitted to its own constituency.

The advantages of a simultaneous movement lie in the witness borne to our willingness to co-operate in pressing the great fundamentals on which all are agreed, and to the greatly increased impact upon the Nation and the Nation's life by the very fact of its simultaneous and Dominion-wide character. The inner unity of the Spirit among all who call Jesus Lord and Master will be promoted, for the nearer we come to Him the nearer we are brought to one another. Such a simultaneous Movement for the Evangelization of Canadian life will do much to lift the life of the Nation, of the Church and of ourselves to higher levels of consecration to God and of loving service to all men."

Your Committee has taken its full share, through its representatives, in the steps already taken to rally the Christian forces of this land. The observance of the "Week of Prayer" in January was very generally and fruitfully carried out. Plans for the future include conferences and retreats for ministers with a special view to the spiritual enrichment of our executive forces and the study of Evangelism—its message and methods as best expressive of our Church's witness and mission to our present age. Later, when the co-operating Churches are fully prepared, it is hoped to launch a Dominion-wide Simultaneous Evangelistic Campaign.

It must be clearly understood that each Church co-operating through the "Joint Committee" is and must be responsible for the carrying out, in all details, of the general proposals made or to be made from time to time.

CHURCH LIFE AND WORK

This Committee on Evangelism was later named by the Moderator to act as the Committee on "Church Life and Work" (see minutes 1932, page 75). Owing to pressure of time and lack of proper organization it has not been possible to communicate with all the Synods and to prepare a competent report for this Assembly upon the lines suggested.

RECOMMENDATIONS

Your Committee in submitting this report begs to recommend:—

1. That the General Assembly appoint the Committee as a Standing Committee of Assembly to be called "The Assembly's Committee on Evangelism and Church Life and Work," and that this Committee consist of the Synodical Conveners with a Convener appointed by the Assembly. The Assembly instructs Synods and Presbyteries, for the proper co-ordination of the work, to appoint Corresponding Committees similarly described; and that these Committees deal with the promotion of such matters as Evangelism, Family Religion, Christian Stewardship, Sabbath Observance, Moral and Social Questions; and any matters relevant to the state of religion and the advancement of the Kingdom of God.
2. That the General Assembly give its most cordial approval and blessing to the work of the "Joint Committee on the Evangelization of Canadian Life"; instruct its own Committee on Church Life and Work to continue all possible co-operation; and call upon all its ministers and people to give prayerful and active help to the aggressive work of Evangelism.
3. That the General Assembly solemnly call upon the members of the Church in these days of domestic and universal disquietude to give themselves to repentance, self-examination, prayer and consecration; to the study of God's Word and a diligent use of family and public worship and all the means of grace; to the practice of a charitable and brotherly spirit towards all their fellow-creatures; and to labour and make sacrifice for the advancement of the gospel of redeeming grace amongst all classes and conditions of men.

All of which is dutifully submitted.

JOHN McNAB,

Secretary.

Galt, April 6th, 1933.

W. PATTERSON HALL,

Convener.

REPORT OF THE "RECORD" COMMITTEE

To the Venerable the General Assembly:

Your Committee begs to submit the report for 1932.

THE RECORD

In this the 53rd annual report of *The Presbyterian Record*, we have little to record that is distinctive as compared with previous years.

Our effort to make this publication a helpful medium of promoting the work of the Church has been unremitting and in this task, so far as the circulation is concerned, we have had the helpful co-operation of ministers and faithful men and women throughout the Church.

The industrial situation is reflected in a reduction of subscriptions and advertising, and consequently a smaller income. Our outstanding accounts however at the end of January, the close of the Church year, show that this statement of reduced income needs to be modified somewhat.

The receipts for the year were \$15,093.67 and expenditures \$16,672.57. Whilst receipts were \$1,627.83 less than last year, expenses were reduced by \$1,102.46. In the figures for expenditure are included the outlay for publicity and the expenses of the Committee on Correspondence, except travelling expenses in the latter case. As publicity and the work of the Committee on Correspondence with other Churches are largely a matter of secretarial help it is difficult to state the exact amount to be charged to this service and the consequent credit to be made to the *Record*.

PUBLICITY

It has seemed that the claim upon the time and energy of the Editor this year for this work has been even more exacting than hitherto. This is due in part to continued misrepresentation abroad of our cause and standing, to more numerous inquiries about Church Union in Canada, and to the opportunity provided by the census returns to advise the Churches throughout the world of our numerical strength.

As the bearer of the census message, the *Record* again rendered valuable service as a publicity medium. Its world-wide circulation and the large number of publications on our exchange list made it especially helpful in this regard.

W. M. ROCHESTER,
Secretary.

J. A. HILTS,
Convener.

REPORT OF COMMITTEE ON SCATTERED ALUMNI

To the Venerable the General Assembly:

The Special Committee on Scattered Alumni begs to report:

The Committee did not have before it exact information as to the numbers and affiliations of those who are alumni of Colleges lost in 1925, and who still adhere to the Church. It recognized, however, that the problem referred to it is only part of a larger whole. The fellowship of all our College alumni has been broken by the disruption of 1925, and the Alumni Associations of the Colleges have almost ceased to function. It is most desirable that such fellowship should be restored and fostered without further loss of time. The Committee is of the opinion that, for the sake of the men themselves, this should be done without losing the strength of old ties, or confusing them by an indiscriminate mingling of individuals of different memories and traditions. At the same time, for the sake of our educational work, it should be in definite affiliation with our existing Colleges. Further the Committee would remind the Assembly that the scattered alumni must constitute a steadily lessening body. Any action now taken must be subject to periodical review.

The Committee would recommend:

1. That the General Assembly instruct the alumni of Knox and Montreal Colleges to complete the re-organization of their respective Alumni Associations as soon as possible.
2. That the Assembly restore to each of these Associations the privilege, formerly granted and long exercised, but now lapsed, of nominating three of their members to the Board of their College—these members to hold office for three years and to be nominated one each year.
3. That the Assembly instruct the alumni of the other Colleges of the Church to form similar Associations as speedily as possible, these Associations to enjoy similar privileges as follows:
The Alumni Associations of Halifax and Queen's to be affiliated with Montreal College, and to nominate three members of the Board of that College in the same manner as the Association of the College itself, but the two Associations of Halifax and Queen's to exercise the privilege in alternate years.
The Alumni Associations of the Western Colleges to be affiliated with Knox, and to enjoy a similar privilege, these Associations to be divided into two groups for the purpose of exercising this privilege, and in alternate years, (1) the alumni of Manitoba, (2) the alumni of St. Andrew's, Robertson and Westminster Hall.
4. That the Assembly, for the inauguration of this plan, instruct the various alumni present at this Assembly, to meet without delay and to submit such nominations—the order and terms of the nominees, as for one, two or three years, to be determined by lot.
5. That this plan be adopted for the period of nine years.

T. WARDLAW TAYLOR,
Convener.

REPORT OF THE COMMITTEE ON CHURCH WORSHIP AND AIDS TO DEVOTION

To the Venerable the General Assembly:

We begin the report for 1932, as we began that for 1931, by stating that your Committee has not met during the past year, because the members wished to save expense to the Church. There are no less than twenty-one men on the Committee. Although the ministers now have the welcome privilege of travelling half-fare on the railways, the expense of holding a meeting of so large a committee would be fairly heavy.

We would draw the attention of all ministers, elders, and other members of the church to the reports presented by the Committee year after year since 1926. We have few means of knowing to what extent the suggestions offered in these various reports have been acted on; but we think that Kirk Sessions and other church courts would do well to study these suggestions.

From time to time, we receive welcome requests for copies of the booklets already issued. The Church office states that a copy of "Aids for Worship" is given to every student going to a Home Mission field for the first time. A theological professor writes: "I am taking a class of Arts students who are to be in Missions next summer, and giving them a short course on Liturgies and Homiletics. Your booklet will be invaluable to them. A synodical missionary superintendent writes: "I find "Aids for Worship" exceedingly useful throughout my district, both for students and Sunday School superintendents, many of whom need just the help it gives." A presbytery clerk writes: "I laid your letter before the Presbytery at their last meeting. After fully discussing the matter, several members of the Presbytery were of the opinion that they could place copies of "Aids for Worship" where they would be of real service." Such comments are most encouraging. The Committee, through its convener, will gladly continue to send copies of this and other booklets on hand, free, to all who will ask for them and use them.

Sometimes we receive requests for books of prayers suitable for family worship. If the old custom of family worship could be revived, it should be of untold benefit to the life of the whole Church. The Committee would willingly undertake the task of compiling or composing a small book for this purpose, if the Assembly considered that the use made of it would justify the comparatively small expense of printing and publishing.

The members of your Committee invite questions, requests and suggestions. They will count it a privilege to do all they can to encourage the worthy offering of praise and prayer in the Church, in the Sunday School, and in the home, and to further the intelligent, reverent study of God's word.

A. M. GORDON,
Convener.

March 1933.

COMMITTEE ON CONSTITUTION OF BOARDS

To the Venerable the General Assembly:

The General Assembly last year appointed a Committee to consider the whole question of the Constitutional position and character of the various Boards and Committees appointed by the Assembly with a view to determine their exact position and relation as Committees of the Court or as Boards of the whole Church and to report to the next Assembly.

Unfortunately, through the illness and death of the Convener, Mr. Justice D. Inglis Grant, there was considerable delay before the Committee could be called together.

A memorandum was prepared by Mr. R. S. Cassels, K.C., outlining the character, constitution and powers of the various Boards and Committees, in so far as they are set forth in the Minutes of the General Assembly. Mr Cassels reports as follows:—

"It is apparent that the constitution and powers of all Boards and Committees are those, and only those, which have been prescribed directly or indirectly by the General Assembly in or subsequent to the year 1925, and that the powers and duties of special officials must also have been determined by the General Assembly, or by a Board or Committee acting under authority conferred upon it by the General Assembly. Unfortunately there is ambiguity in the minutes as to the action which has been taken from time to time by the General Assembly in these respects, and it would seem to be advisable now to rescind all existing provisions and to enact a definite scheme of delegated authority."

Your Committee would therefore respectfully recommend that a larger Committee be appointed to act in terms of the original resolution and to report to next Assembly.

J. W. MacNAMARA,

Acting Convener.

BOARD OF SABBATH SCHOOLS AND YOUNG PEOPLE'S SOCIETIES

To the Venerable the General Assembly:

The Board of Sabbath Schools and Young People's Societies respectfully presents the following report for the year 1932.

OUR TASK

First let us say a word about the task that confronts your Board. According to the recent census the population of the Dominion of Canada is almost 10,400,000. A more detailed analysis of these figures reveals this interesting and arresting fact, that almost fifty per cent of the inhabitants of the Dominion are under twenty-five years of age. The number registered as Presbyterians is 870,428. Of these 425,000 must be less than twenty-five years of age. While the modern Sabbath School is meant to include the entire congregation, from the youngest babe whose name will appear on the Cradle Roll, to the oldest man or woman, who may belong to the Home Department, the special field of activity is the children and young people. Less than one-third of the above aggregate is now enrolled in our Sabbath Schools. We are building for to-morrow and these facts should present a challenge to every worker. The Church member of the immediate future should be in the Sabbath School of to-day. If we are to have a strong Presbyterian Church in Canada we must go out after the other two hundred and fifty thousand girls and boys and young people who belong to our constituency.

Undoubtedly many thousands of these live in districts beyond the reach of any organized Presbyterian Church. On the other hand we are satisfied that many thousands of them live within the bounds of well organized Presbyteries. The Board of Sabbath Schools and Young People's Societies is prepared to mail Sabbath School literature to all those isolated Presbyterian homes where the parents will agree to read and study the lesson with their children. We are pleased to report that a number of ministers have taken advantage of this offer and many homes are being thus supplied in British Columbia, Saskatchewan, Northern Ontario and New Brunswick.

THE GENERAL SECRETARY

Besides attending to the office work, which is increasing from year to year, the General Secretary visited almost one hundred different centres during 1932, and spoke, on an average, four times each week. July and August were devoted almost entirely to Summer Schools in the western provinces. In October northern Ontario was visited. Several Sabbath School Conventions and Young People's Rallies were attended. No invitation to present the work was refused if it could possibly be accepted. He experienced the heartiest co-operation from the Editor of Presbyterian Publications, Conveners of Synod and Presbytery Committees, ministers and other workers, for all of which he wishes to express his sincere appreciation.

GIRLS' WORK SECRETARY

In August, 1931, Miss Jean Cowan, B.A., undertook the task of Girls' Work Secretary. In November last, the Executive of the Board very regretfully accepted her resignation which took effect on the 30th of that month. During that short

time she endeared herself to Presbyterian teen-age girls and their leaders from Atlantic to Pacific. Besides her correspondence with groups, she sent periodical letters to leaders for their guidance, and personally visited the chief centres in every province in the Dominion. Though no longer officially connected with the Board we are pleased to say, that, as Mrs. J. G. Middleton, her advice and help are still available up to the limit of her time.

The Board has been fortunate in securing the services of Miss O. Mary Hill, M.A., as Girls' Work Secretary. She will assume her new duties on June 1st, 1933, and we have every assurance that, under her leadership, our teen-age girls' organizations will maintain the high standard which they reached under her predecessors.

Our report of Girls' Work would not be complete without reference to the very valuable assistance being given by Mrs. H. M. Coulter through her weekly contributions in *The Challenge*.

Boys' Work

Your Board is unanimously in favour of the appointment of a Boys' Work Secretary just as soon as the finances of the Church will make that possible. In the meantime the General Secretary has given considerable attention to this department, and much assistance is being rendered by Dr. A. T. Barr, of Peterborough, through the columns of *The Challenge*. Week by week a programme is outlined and suggestions for the meetings are offered. The Order of the Burning Bush, wherever tried, is proving a very real blessing to our teen-age boys.

PUBLICATIONS

One year ago our re-organized Presbyterian Publications was in the experimental stage. Now it is an established fact. The undertaking was launched in the midst of the worst depression that Canada ever experienced. In spite of these material conditions the venture has proved an unqualified success, thanks to the leadership of the Editor and Business Manager, Rev. N. A. MacEachern, and the loyalty of the vast majority of our congregations. The weekly illustrated papers—*The Challenge* and *Young Canada*—have more than maintained their high standard. In January, 1933, "Story Hour," for the little tots, was added to the list, thus completing our Canadian illustrated papers for all departments of the Sabbath School. The Board, at its recent meeting, instructed the Editorial Committee to proceed, as soon as suitable arrangements can be made, with the publication of purely Canadian Lesson Helps.

We regret to state that a number of schools continue to take American, or inter-denominational literature. This alone prevents the circulation of our own papers from reaching a point where it is possible to lower the prices. The Editor is anxious to make this reduction but the only source of revenue is the receipts from the sale of supplies. Let the entire Church take our own Publications and thus give the Editor a chance to produce the best Helps and Papers at a minimum of cost to the schools.

The General Assembly will remember that when approval was given to the re-organization of Presbyterian Publications, the Church assumed no financial obligations. It was agreed that after three years the whole matter would be reviewed, and, if the Church so desired, it might assume complete control on terms to be arranged with the Business Manager. We would therefore recommend that a committee be appointed to canvass the whole matter and bring a recommendation to the next meeting of the General Assembly.

The thanks of the Board, and of the entire Church, is extended to the Editor for opening the columns of *The Challenge* for weekly articles on the Sunday School Lesson, Young People's Topic, Teen-age Girls' and Boys' Programmes. Thus the Church has gained much both financially and spiritually through the inauguration of Presbyterian Publications two years ago.

SUMMER SCHOOLS AND CAMPS

During the summer of 1932 several hundreds of Presbyterian girls, boys and young people received special training at our own Summer Schools and Training Camps. These were held during July and August at Canoe Cove, P.E.I.; Pictou and Fisher Grant, N.S.; Huntingdon, Que.; Glenmohr, Livingstone, Kintail, Iona Beach, and Fort William, Ont.; Gonor, Man.; Saskatoon, Sask.; Sylvan Lake, Alta.; Sooke and Keats Island, B.C.

Thanks to the generosity of several friends of the youth of our Church, a number of these schools and camps were held on property donated to The Presbyterian Church. These donors will receive dividends in the form of life, for many years to come.

YOUNG PEOPLE'S SOCIETIES

We are pleased to note that an increasing number of Young People's Societies are adopting the programme issued by the Board. This may be due to the help that is given in *The Challenge*.

Besides the regular devotional and Biblical topics which are the foundation of the programme, there were two special features during the past year. First, a systematic study of our own Mission Fields, and, second, nine monthly studies in Stewardship. The object was to give our young people information about our great missionary enterprise, and also to develop systematic giving for the support of all Church work.

We wish to call the attention of the General Assembly to a book that is now on the press, "Barrier Breakers on Far Flung Frontiers," by Rev. John McNab, Convener of the Board of Sabbath Schools and Young People's Societies. This book of missionary biographies will be welcomed by all who are interested in those noble men and women who have given their lives for the extension of God's Kingdom, through the Presbyterian Church. That full advantage may be taken of this timely publication the Board has decided to make it the Study Book for Young People's Societies for the year 1933-1934.

SABBATH SCHOOL MISSIONARIES

In order to develop the missionary spirit still further your Board is giving the Sabbath Schools and Young People's Societies a practical interest in the work at home and abroad. Through the Rally Day and Mother's Day offerings much missionary work is being supported in Canada and overseas.

Miss Ruby Blyth continues her work in British Columbia. During the past year, besides canvassing several districts in and around Vancouver and New Westminster, she spent some time in Prince Rupert where a new Sabbath School was organized. She also visited two or three places in the interior of British Columbia and did much to stimulate Sabbath School and Church work generally.

At the request of the Board Rev. G. C. Shearer, Convener of the Sabbath School and Young People's Society Committee of the Synod of Saskatchewan, spent two months visiting mission Sabbath Schools in various parts of that vast province.

But our attention has not been confined to the home field. The Mother's Day Offering which amounted to \$3,327.84, was placed at the disposal of the General Board of Missions, with the request that it be used to pay the salaries of two missionaries in the foreign field.

"Sabbath School by Post" is now carried on from the central office. Presbyterian Publications mails Sabbath School literature to isolated homes as directed by the General Secretary.

Besides these special offerings most of our Schools and Societies give at least one offering each month to missions. Some schools use the duplex envelope with extremely good results. The General Secretary will be pleased to give additional information along this line.

OTHER IMPORTANT MATTERS

In order to conserve space and thus decrease printing costs, we would refer the Church to last year's report for a statement regarding Teacher Training, Bible Study Tests, Week Day Religious Education, Daily Vacation Bible Schools, and Temperance Education. All of these are very important and are receiving the attention of your Board.

PERNICIOUS LITERATURE

Before closing this report we wish to call the attention of the General Assembly to a matter that is giving deep concern to those who are interested in the welfare of girls and boys. Through low class magazines and "tabloid newspapers" much pernicious literature is brought within reach of the youth of our land. We wish to warn parents and all Sabbath School and Young People's Society leaders of this great danger. We call upon the adult membership of the Church to see that good wholesome literature, such as our own illustrated Sabbath School papers, is made available for boys and girls, and to assure members of Parliament and Provincial Legislatures that we will welcome any legislative action that may restrict the importation or publication of low class magazines or other pernicious literature.

THE PRESBYTERIAN RECORD

Again we express our gratitude to the Editor of *The Presbyterian Record* for the assistance he has given to our work during the year. An excellent outline of the Sabbath School lessons appears in each issue, and the articles in the children's section are always interesting and instructive.

A WORD OF APPRECIATION

To no other group of workers does the Church owe more than to the faithful teachers and officers in our Sabbath Schools. Our Board joins with all parents and friends of youth in expressing sincere appreciation of these consecrated labourers in the Master's most fruitful vineyard.

RECOMMENDATIONS

1. That the General Assembly place on record its sincere appreciation of the faithful work of the teachers and officers of the Sabbath Schools of our Church.
2. That instruction in missions be imparted, and systematic giving to the Budget of our own Church be encouraged in every Sabbath School and Young People's Society.
3. That the Lesson Helps, Illustrated Papers, and other Sabbath School supplies provided by the Board through its Editorial Committee and distributed by Presbyterian Publications, be used by all of our Schools.
4. That ministers and sessions be urged to give increased attention to the Home Department so that there may be more Bible Study in the home.
5. That the attention of ministers be directed to the provision made by provincial legislatures for religious instruction in public schools, and that they be urged to take advantage of the opportunity thus afforded.
6. That interest in Bible Study may be stimulated, and family worship encouraged, local Sabbath Schools be urged to place Bible picture books in all homes where there are children.

7. That we place on record our appreciation of the work of Rev. N. A. MacEachern, editor and business manager of Presbyterian Publications, for his services to the Church and that we commend Presbyterian Publications to the loyal support of every congregation.

8. That in order to carry out the provisions of the General Assembly of 1931, a committee be appointed to confer with Rev. N. A. MacEachern regarding the future of Presbyterian Publications, and to report to the General Assembly in 1934.

9. That the attention of parents and all others who are interested in the welfare of the youth of our land be called to the dangers of low class magazines and other forms of pernicious literature, that are all too prevalent in Canada, and that we assure members of Parliament and Provincial Legislatures that we welcome any legislative action that will restrict the importation or publication of all such low class magazines or other pernicious literature.

OVERTURES

No. 1.—SYNOD OF ALBERTA.

Re RECTIFYING THE INJUSTICE OF THE PROPERTY DIVISION

At Edmonton, and in First Presbyterian Church there, on Thursday, the twenty-seventh day of October, nineteen hundred and thirty-two, at ten o'clock in the forenoon, the Synod of Alberta met and was duly constituted with prayer, the Moderator, Rev. C. E. Fisher, presiding.

Inter alia.—It was agreed to transmit the following overture to the General Assembly on motion of Dr. J. H. Woodside and Mr. R. H. Lyttle.

WHEREAS the Dominion Church Property Commission, appointed under the terms of the United Church of Canada Act, statutes of Canada, 1924, allocated to the United Church, 64 per cent of the general funds, endowments and other properties, both real and personal, of the Presbyterian Church in Canada.

AND WHEREAS the last decennial census returns recently made public from Ottawa clearly show that such apportionment was made through a misapprehension on the part of the members of the said Commission, as to the number of Presbyterians leaving their Church to join the United Church.

AND WHEREAS in the interests of justice and fair dealing, the unfair division should be remedied.

NOW THEREFORE, the Synod of Alberta in regular meeting assembled, does overture the General Assembly to take such action in the premises, first by making representations to the United Church, and later by seeking an amendment to the existing legislation, if necessary, as will restore to our Church, the share of assets to which she was rightfully entitled by reason of her numerical strength.

Extracted from the Minutes of the Synod of Alberta, this first day of November, nineteen hundred and thirty-two.

F. D. ROXBURGH,
Clerk of Synod.

No. 2.—PRESBYTERY OF MONTREAL.

Re DR. GEORGE WHILLANS' NAME BEING RETAINED ON THE CONSTITUENT ROLL OF THE PRESBYTERY OF MONTREAL

At Montreal, and within Knox-Crescent Church there, at ten o'clock in the forenoon, on the thirteenth day of September, in the year of our Lord, one thousand nine hundred and thirty-two the Presbytery of Montreal met, as per adjournment and was constituted with prayer by the Moderator.

Inter alia.—It was moved by Dr. A. S. Reid, duly seconded and agreed that this Presbytery make application to the next General Assembly for permission to retain the name of Rev. George Whillans, D.D., on the Constituent Roll of the Presbytery of Montreal.

Extracted from the Minutes of the Presbytery of Montreal, this second day of February, one thousand nine hundred and thirty-three.

Montreal, Que.

H. S. LEE,
Acting Clerk.

No. 3.—PRESBYTERY OF SASKATOON.

Re RESTORING THE RIGHTS OF CERTAIN PRESBYTERS

The Presbytery of Saskatoon met at Saskatoon and within St. Andrew's Church there, on the ninth day of February, one thousand nine hundred and thirty-three. It was moved by Rev. W. G. Brown, M.A., B.D., and seconded by Rev. A. T. Macintosh that the following overture be made to the General Assembly this year. The motion carried.

WHEREAS, the parity of Presbyters is one of the underlying principles of the constitution of the Presbyterian Church,

AND WHEREAS the General Assembly of the Presbyterian Church, in Canada, in 1925, did interfere with this constitutional principle by taking from those Presbyters who are exercising their ministry as professors in our Theological Colleges, or as officials of the Church by appointment of the General Assembly, their rights to sit as constituent members of their respective Presbyteries,

AND WHEREAS, in the opinion of the members of this Presbytery, such deprivation is a real hardship and an unwarranted interference with their constitutional rights as Presbyters and seems to carry with it a suggestion of the Church's lack of confidence in these brethren,

THEREFORE, the Presbytery of Saskatoon respectfully overtures the Venerable, the General Assembly, to send down to the Presbyteries under the Barrier Act the question of restoring to these brethren their constitutional right by placing their names upon the Constituent Roll of their respective Presbyteries.

Brown, M.A., B.D., and seconded by Rev. A. T. Mackintosh that the Presbytery of Saskatoon overture the General Assembly of this year as follows:—

WHEREAS, in the work of the Church it is essential to establish and maintain the most complete confidence of all people who constitute the Church,

AND WHEREAS, such confidence can best be secured by giving to the people full information about the administration of all Trust Funds that have been provided by the people for the work of the Church,

AND WHEREAS, a sister church has suffered great loss and hardship through the maladministration of Trust Funds, which disaster would have been prevented by proper publicity.

AND WHEREAS, the knowledge of this calamity has caused many people to enquire about the Trust Funds of our own Church.

THEREFORE, the Presbytery of Saskatoon respectfully overtures the Venerable, the General Assembly, to instruct the Board of Administration to publish in the Minutes of the General Assembly of 1934 a full statement of all the Church's investments, giving the nature of the investment, classifying these according to the Fund for whose benefit they are held, giving the total annual revenue for each Fund from this source, this to be followed each year by the publication in the Minutes of the General Assembly of any change in the investments with a full statement every ten years of all the investments.

Re FINANCIAL AGENT AND EVANGELISM

Inter Alia.—It was moved by Mr. Hare, seconded by Mr. A. G. Scott, and agreed

THAT WHEREAS the Presbytery views with deep concern the unsatisfactory condition of the finances of the Church which reflects (a) a world-wide economic condition, and (b) a spiritual lethargy from which the great mass suffer;

AND WHEREAS we believe that to the utmost a policy of rigid economy should be pursued in all departments of the Church;

AND WHEREAS we believe that a wrong emphasis is being made merely to raise money for the Budget, instead of seeking to bring comfort to the hearts of our distressed people, and a soul-stirring call to repentance, by those who have had a glowing experience;

THEREFORE, this Presbytery overtures the Venerable, the General Assembly;

(1) To abolish the position of Agent-General of the Church, authorized by the General Assembly of 1932;

Re REPEAL OF UNION LEGISLATION

At Winnipeg, and within First Presbyterian Church there, on Thursday, the tenth day of November, in the year of our Lord, one thousand nine hundred and thirty-two, at two o'clock in the afternoon, which time and place the Synod of Manitoba met pursuant to adjournment and was constituted.

Inter Alia.—Hon. Judge McKay presented the following Overture for transmission to the General Assembly:—

WHEREAS Provincial and Dominion Legislation has been passed purporting to destroy the identity of the Presbyterian Church in Canada, by merging it with the Ecclesiastical Corporation known as "The United Church of Canada," and to transfer a great portion of its general and congregational property to the said Corporation;

AND WHEREAS such legislation was secured apparently on the misrepresentations that a very large majority of the members and adherents of the Presbyterian Church in Canada was in favour of the same;

AND WHEREAS such legislation was never submitted to the membership of the Presbyterian Church in Canada for approval;

AND WHEREAS the Dominion Census of the year A.D. 1932 has established the fact that a majority of the Presbyterians in Canada did not enter the "United Church of Canada";

AND WHEREAS the said Legislation is apparently *ultra vires*, as interfering with the free exercise of their religion by Presbyterians resident in Canada, by depriving them of their property, and attempting to destroy the identity of their Church, contrary to the provisions of the British America Acts;

NOW THEREFORE BE IT RESOLVED by the Synod of Manitoba of the Presbyterian Church in Canada, that we respectfully overture the Very Reverend, the General Assembly of the Presbyterian Church in Canada, to take steps to have the said Legislation repealed, in so far as it may affect the Presbyterian Church in Canada; and in the event of failure, to take action in the Courts to have the said Legislation declared *ultra vires*.

It was moved by Hon. Judge McKay, seconded by Mr. Wm. Bell, that Synod receive and adopt the Overture, and transmit it to the General Assembly. Carried.

To the Venerable the General Assembly, indicted to meet in Peterborough on the seventh day of June, nineteen hundred and thirty-three.

WHEREAS the time and place of the meetings of the respective Synods has already found a permanent place in the *Presbyterian Record*.

WHEREAS the *Record* is the only official organ of the Presbyterian Church in Canada.

WHEREAS it often happens that a minister of our Church wishes to bring some matter before a certain Presbytery, and not knowing the time and place of meeting, delay and inconvenience is caused in matters of importance, and

Re ENLARGEMENT OF BUDGET SCHEME TO INCLUDE MINISTERS' SALARIES

At Harriston, and within Knox Church there, on Tuesday, April eleventh, one thousand nine hundred and thirty-three, at ten o'clock in the morning, the Presbytery of Saugeen met and was constituted with prayer.

Inter alia.—The Presbytery having discussed at the morning sederunt the instruction of the Commission of Assembly, re the reduction of the minimum stipend on augmented charges and mission fields, the following overture to the General Assembly was moved by Rev. Samuel Lawrence, seconded by Rev. Robert Honeyman and unanimously approved by the Court.

To the Venerable the General Assembly of the Presbyterian Church in Canada.

WHEREAS the Commission of Assembly having met and given an instruction to Presbyteries for the reduction of the stipend on augmented charges and

mission fields from eighteen hundred to fifteen hundred dollars per annum and manse or rented house; the minister members of the Commission, themselves, representing an average salary of approximately thirty eight hundred dollars per annum and manse or rented house, and

WHEREAS an overture is before this General Assembly from the Presbytery of London, asking for the reduction of the minimum stipend from eighteen hundred to sixteen hundred dollars per annum and manse or rented house, the movers and supporters of this overture representing an average salary of approximately three thousand dollars per annum and manse or rented house, and

WHEREAS (while this Presbytery is not opposing the reduction of the minimum stipend), it would seem that these more highly paid brethren are desirous of solving the Church's financial problem at the expense of their lower salaried brethren, and

WHEREAS Budget shortages are due in large part to the fact that so many congregations pay stipend to their minister out of all proportion to their Budget givings,

WE would humbly submit that the time has come for the Presbyterian Church in Canada to consider, with a view to action, the enlarging of the conception of the Budget to include also the stipend of the ministry, and

WHEREAS, within the Presbyterian system there exists an outstanding precedent for our guidance in this connection, namely, the practice of the former United Free Church of Scotland,

THEREFORE, we, the Presbytery of Saugeen, humbly overture the Venerable, the General Assembly to appoint a committee to investigate the possibility of such enlargement of the Budget scheme as to include the salary of the ministry, and with the object that the strong shall assist more largely in bearing the burden of the weak. The Committee to report with recommendations to next General Assembly.

Inter alia.—Rev. J. H. Barnett, Ph.D., having intimated his willingness to have his name transferred from the Roll of Chatham Presbytery to that of Huron Presbytery, in the event of his application for retirement from the active ministry being granted by the General Assembly, it was moved by Mr. I. B. Kaine, seconded by the Clerk, and agreed, that the Presbytery make application to the next General Assembly for the transfer of Dr. Barnett's name, and for permission to place it on the Constituent Roll of Presbytery.

Extracted from the Minutes of the Presbytery of Huron, this nineteenth day of April, in the year of our Lord, one thousand nine hundred and thirty-three.

To the Venerable the General Assembly.

In support of the accompanying application it is respectfully suggested:

THAT the presence of Dr. Barnett's name on the Constituent Roll of Huron

Presbytery would add very materially to the strength of this Presbytery; in that Dr. Barnett has shown himself to be well informed of the law and practice of the Presbyterian Church in Canada, and has had wide practical experience in the work of our Synod, the Synod of Hamilton and London, so that he was chosen to occupy the position of Moderator of this Synod in nineteen hundred and twenty-eight, and is at present a member of the Synod's Commission on Presbytery Bounds.

In recognition of his ability and his usefulness to this Presbytery, the Presbytery of Huron humbly prays the Venerable, the General Assembly, to take such action as in its wisdom it may deem best in the above request.

The following is an Extract Minute from the Proceedings.

Mr. T. D. McCullough, Convener of the Committee on General Interests moved that the Overture be received and considered. The same was agreed to.

It was moved by Mr. Stuart Woods and duly seconded that the prayer of the Overture be accepted and the Overture transmitted to the Assembly with the endorsement of the Synod. Agreed.

To the Venerable the General Assembly.

THAT WHEREAS in the judgment of this Synod the cost of administering the work of our Church is too great a proportion of the givings of our people;

AND WHEREAS we deem it necessary that the most rigid economies be practised in order to keep faith with those who subscribe to the Budget Funds;

AND WHEREAS this Synod is convinced that economies could be effected;

THEREFORE the Synod of Hamilton and London respectfully Overtures the Venerable the General Assembly to appoint a Commission, with definite instructions from the Assembly, and clothed with power to inquire into present expenditures and to bring into effect the greatest possible measures of economy.

Re DIVISION OF CHURCH PROPERTY

To the Venerable the General Assembly.

WHEREAS the Parliament of the Dominion of Canada did in 1925 appoint a Commission for the purpose of dividing the general property and assets of the Presbyterian Church in Canada as they existed prior to June 10th, 1925, between the United Church of Canada and the Presbyterian Church in Canada, and

WHEREAS said Commission did make such division of assets upon the basis of 64 per cent going to the United Church and 36 per cent going to the Presbyterian Church in Canada, such division being made upon the basis that

64 per cent of the members of the Presbyterian Church in Canada did enter the United Church of Canada on the 10th of June of that year, and that 36 per cent remained with the Presbyterian Church in Canada, and

WHEREAS the Dominion Census as taken in 1931 clearly indicates that the Commission was in error in accepting this proportion as the basis of division and that the correct basis of division should have been in the neighbourhood of 60 per cent to the Presbyterian Church in Canada and 40 per cent to the United Church of Canada, and

WHEREAS the Presbyterian Church in Canada has suffered a great injustice and a great loss through this error on the part of the Commission,

THEREFORE, we, the Synod of Montreal and Ottawa, respectfully overture the Venerable the General Assembly of the Presbyterian Church in Canada as follows:—

1. THAT action be taken at the forthcoming meeting of the General Assembly at Peterborough, Ontario, to approach the proper authorities in the United Church of Canada, pointing out to them the injustice that has been done, and asking that this now be set right.

2. THAT should satisfaction not be secured in this way, action then be taken by the General Assembly to approach the Parliament of Canada, pointing out the injustice that has been done to the Presbyterian Church in Canada and asking that their Church property Commission be reconstituted with authority to re-open the whole question of the assets of the Presbyterian Church in Canada as prior to June 10th, 1925, and to make such division of these as they considered just, having before them the Dominion Census of 1931 as the basis of their consideration and action.

The Synod of Montreal and Ottawa at their meeting held in First Presbyterian Church, Montreal on the 12th day of October, 1932, decided to overture the Venerable the General Assembly of the Presbyterian Church in Canada to take some action with a view to having the church property situation reconsidered by the Dominion Parliament on the basis of the Census of 1932, and to this end they appointed a Commission with Synodical powers to prepare such overture and submit the same to the General Assembly at their next meeting.

It is hereby certified that the above overture has been prepared and submitted by the Commission thus appointed.

Inter alia.—Mr. D. H. Currie presented an overture which had been approved by the Presbytery of Hamilton praying that the General Assembly at its meeting in Peterborough appoint a special committee which during the next year be instructed to take the whole question of celebrating the Diamond Jubilee of the Presbyterian Church in Canada into consideration, dealing with it in the light of an opportunity for a forward movement in the life and work of our Church.

Mr. Currie moved that the prayer of the overture be adopted and it be transmitted to the General Assembly with the Synod's approval. It was seconded by Mr. G. Lloyd Evans and carried.

PRESBYTERY OF HAMILTON.

To the Venerable the General Assembly.

THAT WHEREAS the date of the Diamond Jubilee of the Presbyterian Church in Canada is near at hand, namely, June, 1935;

AND WHEREAS the first decade of our Church-history since the Disruption of June, 1925, will be completed by that date;

AND WHEREAS both events are bound to appeal to the deep interest of our whole Church and prove to be an opportunity for ministers, elders, and other office-bearers to renew our vow to "maintain and defend the same," and moreover be the spiritual quickening of the whole membership, both lay and clerical;

AND WHEREAS these events would be more worthily celebrated and with deeper gratitude to Almighty God were the plans already being carried out for paying off the accumulated deficit against the funds of the Mission Board be successful, thus beginning a new era free of debt and with a new consecration;

THEREFORE the Presbytery of Hamilton respectfully overtures the Venerable the General Assembly at its meeting in Peterborough to appoint a Special Committee, which, during the church year, 1933-1934, is instructed to take the whole question into consideration preparing suggestive plans for said celebration, dealing with it in the light of an opportunity for a Forward Movement in the Life and Work of our Church, and other features as they may arise;

AUSTIN L. BUDGE,

Hagersville, Ont.

To the Venerable the General Assembly.

WHEREAS in the last few years the Moderator of the General Assembly has been regarded as the one who should visit and inspire the churches;

AND WHEREAS, owing to the vast extent of the territory to be covered such a task cannot be accomplished adequately by any one man;

AND WHEREAS it is the duty of the Synod to foster the life and interests of the Church within its bounds;

AND WHEREAS the Synod is fully representative of the Church within its bounds and is capable of voicing the mind of the membership;

THEREFORE, the Synod of Hamilton and London, in session at London, respectfully overtures the Venerable the General Assembly to appoint a committee composed of the Moderator of the General Assembly, and the Moderators of the Synods, that through the activities of said Committee the work of the Synod and the work of the General Assembly could be more effectively linked and the crushing burden carried by the Moderator of the General Assembly could be shared, looking to more intensive leadership and the deepening of our spiritual life.

He moved that the Overture be received for consideration. On being duly seconded, it was carried.

PRESBYTERY OF LONDON

At a regular meeting of the Presbytery of London, held in New St. James, on Tuesday, the tenth day of January, one thousand nine hundred and thirty-three, and duly constituted.

Inter alia.—It was moved by Dr. James MacKay, seconded by Rev. M. G. Court and agreed to overture the General Assembly, as follows:—

WHEREAS Provincial and Dominion Legislation has been passed, purporting to destroy the Presbyterian Church in Canada, by merging it with a new denomination, known as the United Church of Canada, on a different and compromising basis, and transferring an unduly large portion of its general and congregational property to the said corporation.

AND WHEREAS said legislation was passed by Parliament and Legislatures under

unseemly and intimidating pressure on the part of people most of whom did not belong to the Presbyterian Church in Canada.

AND WHEREAS the division of the funds of the Presbyterian Church in Canada on a basis of 64 and 36 per cent by the Dominion Commission was made on representations of the number who entered the United Church, and of the number who remained with the Presbyterian Church, that were incorrect, namely,

1. The vote, as taken under the Dominion Act, was taken on amended clauses of a previous bill which were very confusing to the people, and allowed, and encouraged unionist leaders to prevent a vote in many congregations, and at the same time allowed them to count all the members of such congregations as favourable to the union as consummated.

2. The vote as taken in many of the Provinces, under the Provincial Acts was not by ballot, but at a single meeting of the congregation, often irregularly called, and by a show of hands, which did not secure a fair or honourable record of the attitude of the people toward the question,

AND WHEREAS there is no surprise that the Dominion census established the fact that there are 872,482 Presbyterians in Canada, and that the number of Presbyterians who went into union should, on any fair computation, be less than 50 per cent instead of 64 per cent.

AND WHEREAS the 1931 census was taken, only after careful and earnest instruction had been given to all Presbyterian people attending the United Church, to state that they belonged to the United Church of Canada.

AND WHEREAS such legislation was ultra vires of Assembly and Parliaments, illegally transferring the property of a church unincorporated, and having a fixed and definite basis of faith and polity, to another new denomination having another borrowed and unused statement of faith, and another different and conflicting system of polity, thereby violating the religious liberties of the Presbyterian people guaranteed to them by the British North America Act.

THEREFORE, be it resolved, that we respectfully overture the General Assembly, through the Synod of Hamilton and London, to take steps to have the name of our Church, the Presbyterian Church in Canada, authoritatively recognized, and the division of the property of our Church re-considered and revised, and made more equitable to the attitude of the people as expressed in the 1931 census.

WHEREAS the distribution of the general property of the Presbyterian Church in Canada on a 64—36 basis, in light of present known facts, was unfair and inequitable to those not entering the United Church of Canada.

THEREFORE we, the Presbytery of Regina, do hereby respectfully overture the Venerable the General Assembly of the Presbyterian Church in Canada to take whatever steps may be necessary to secure a revision of said property distribution in conformity with facts as revealed by last decennial census.

Re PLACING OF STUDENT IN AUGMENTED CHARGE

At Montreal, and within Knox-Crescent Church there, at ten o'clock in the forenoon, on the ninth day of May, in the year of our Lord, one thousand nine hundred and thirty-three, the Presbytery of Montreal met, as per adjournment, and was constituted with prayer by the Moderator.

Inter alia.—According to notice given at the meeting of the Presbytery, meeting on April 7th last, Rev. W. Orr Mulligan presented the following overture:—

To the Venerable the General Assembly of the Presbyterian Church in Canada.

WHEREAS the Kydd Memorial Church, Montreal, an augmented charge, having heard five candidates since it was declared vacant, and, having extended a call to an ordained minister which was not accepted,

WHEREAS the congregation and session insisted that the Presbytery appoint a student who was named, and whose appointment was to be for an indefinite time, and this was carried by a majority of Presbytery,

WHEREAS the salary promised was \$1,800.00 per annum.

The Presbytery of Montreal humbly overtures the Venerable the General Assembly, for a definite ruling on the following questions:—

1. In whom is vested the supply of pulpit ordinances? The Session or the Presbytery?

2. Can a congregation receiving no grant employ a student as supply when there is a sufficient number of efficient ordained ministers available, and when the Home Mission Board ruling is: "That no private arrangements with students can be countenanced?"

3. Is it permissible to pay a student \$1,800.00 per annum, when the stated remuneration is \$15.00 per week and board?

4. Has a congregation which, by its own action, reduced its standing from that of an Augmented Charge to that of a Student Mission Field, the right of having a representative elder at the Presbytery?"

It was moved by Rev. W. Orr Mulligan, seconded by Rev. Henry Cousens and agreed that this overture be approved, and forwarded to the General Assembly.

On motion of Mr. Mulligan, seconded by Mr. A. Allen it was agreed that Rev. Henry Cousens and Dr. D. A. Murray be appointed to support this overture on the floor of the General Assembly.

Re VACANCIES ON THE STAFF OF KNOX COLLEGE

At London, and within New St. James Presbyterian Church, on Tuesday, the ninth day of May, one thousand nine hundred and thirty-three, which day the Presbytery of London met at half-past ten o'clock in the forenoon, and was constituted with prayer.

Inter alia.—The special committee appointed to bring before the court nominations for the office of Principal, and for the chair of Systematic Theology in Knox College, Toronto, recommended the following overture to the General Assembly:—

WHEREAS the General Assembly of last year, by its action, rendered vacant the office of Principal of Knox College, and also the chair of Systematic Theology in the same place, and

WHEREAS it is in the best interest of the College and of the Church that these vacancies be filled as expeditiously as possible, and

WHEREAS the Church should seek the most outstanding and best qualified man which can be obtained anywhere to fill the dual position of Principal of Knox College and Professor of Systematic Theology.

THEREFORE the Presbytery of London respectfully overtures the Venerable the General Assembly to appoint a strong and representative body to act in conjunction with the Board of Knox College.

THAT it be an instruction to these men to invite nominations from all the Presbyteries of our Church for the dual position of Principal of Knox and Professor of Systematic Theology.

THAT they survey the whole of the English speaking Presbyterian world with a view to discovering who in their judgment is the most suitable man to fill the dual position.

THAT they be requested to make their nomination at the next General Assembly.

AND THAT the Moderator of the General Assembly be appointed as acting Principal of Knox College in the interim.

The recommendations of the overture were considered and approved seriatim, and the overture as a whole approved, Rev. Donald McKay registering his dissent.

Re FINANCIAL SITUATION IN THE CHURCH

At London, and within New St. James Presbyterian Church, on Tuesday, the ninth day of May, one thousand nine hundred and thirty-three, which day the Presbytery of London met at half-past ten o'clock in the forenoon, and was constituted with prayer.

Inter alia.—It was moved by Rev. F. W. Gilmour, and agreed to forward the following overture to the General Assembly:—

To the Venerable the General Assembly.

WHEREAS, during the past two years, the earning power of our Church constituency has greatly diminished, causing a corresponding decrease in givings to the work of the Church, and thus causing her financial position to become increasingly embarrassing to those who administer her affairs, and

WHEREAS the Church must limit her expenditure to her income if she is to function effectively, and

WHEREAS this is not a time in which to withdraw any of her workers from fields either at home or abroad, but rather, if possible, to add to our forces that a greater number of aching hearts may be comforted with the Gospel of the grace of God, and

WHEREAS the cost of living has greatly decreased during the past two years.

THEREFORE the Presbytery of London humbly overtures the Venerable the General Assembly to enact,

1. THAT, in order to assist congregations that find it impossible to pay the present minimum of \$1,800 and house, Presbyteries be given the power to settle ordained ministers in these congregations at a stipend of \$1,600 and house.
2. THAT students serving in mission fields be paid \$13.00 per week with board and travelling expenses.
3. THAT the office staff of our Church be re-organized with a view to reducing its numbers, yet maintaining its efficiency.
4. THAT less expensive office accommodation be sought and engaged at the earliest possible moment.
5. THAT steps be taken to establish a Sustentation Fund to help men in weak fields whose income, even with the grants provided at present, does not reach sixteen hundred dollars; to help men also, in many regular charges of the Church who are forced to live below the standard of ordinary comfort.

We respectfully ask the General Assembly to strike a reasonable levy on all salaries, both those fixed by Assembly, and those provided by congregations for their ministers, that is on all salaries of \$2,000 a year and upward, the levy to be scaled upward according to the increased amount received as

salary. The returns thus secured are to constitute the Sustentation Fund the resources of which are to be used for the benefit of men accepting low salaries in the Church, this to be understood as an emergent measure to obtain only during the present difficult times.

The overture was considered and on motion approved clause by clause, and also as a whole, and Mr. Gilmour appointed to support it before the Assembly.

Re THE FINANCES OF THE PRESBYTERIAN CHURCH IN CANADA

At Montreal, and within Knox-Crescent Church there, at ten o'clock in the forenoon, on the ninth day of May, in the year of our Lord, one thousand nine hundred and thirty-three, the Presbytery of Montreal met, as per adjournment and was constituted with prayer by the Moderator.

Inter alia.—Mr. Bissett, Chairman of the Board of the Presbyterian College, Montreal, presented the following overture re the finances of the Presbyterian Church in Canada:—

To the Venerable the General Assembly of the Presbyterian Church in Canada.

WHEREAS, in 1925, it was a set policy of the Church that in future no more deficits would be accumulated, but that the Church would live within its regular revenue, and,

WHEREAS representatives from the Board of the Presbyterian College in Montreal did attend a meeting in Toronto on the 22nd day of March last, of the different Spending Boards of the Church in conjunction with the Board of Administration, and,

WHEREAS at this conference certain facts were brought out, among others that the Mission Board had spent thirty thousand dollars more in the year 1932 than authorized by the Assembly, while the other Boards were held to their expenditure as set by the Assembly through the Board of Administration, and,

WHEREAS at the conference a question was asked pertaining to the reserves of the Church by one of the ministers and was not answered in a satisfactory way, and,

WHEREAS by the answer pertaining to the reserves and other information given at this conference the members of the College Board have carefully looked into the whole financial position of the Church, and,

WHEREAS they have obtained reliable information that out of the one hundred and sixty-six thousand dollars of reserves which should be on hand, less than thirty thousand dollars are there, the balance having been spent, and that against this less than thirty thousand dollars of the reserves still intact, there is a present indebtedness far exceeding this amount, and,

WHEREAS outside of these reserves the only real tangible assets are those in connection with the two Colleges and the Pension Fund, with some properties in the Home and Foreign Field, these latter properties in our opinion are of doubtful value, and,

WHEREAS two years ago an effort was made to pay off the deficits unfortunately accumulated, and a sum of money exceeding eighty thousand dollars was raised for this purpose under the "One Step Forward Movement," which

fund instead of being applied for the purpose raised, has also been thrown into the current account and spent, and,

WHEREAS it would appear that there has been an amount of over three hundred and seventy-five thousand dollars over and above the regular revenue expended, made up as follows: Bank Overdraft, one hundred and eleven thousand dollars; thirty-two thousand dollars borrowed from the Pension Fund; over eighty-one thousand dollars from the One Step Forward Fund; more than one hundred and forty thousand dollars of reserves, together with over twenty-five thousand dollars of indebtedness, and,

WHEREAS in 1932 the expenditure exceeded the receipts by practically sixty thousand dollars, which is sufficient evidence that this excessive expenditure is still continuing, and,

WHEREAS the Moderator at the end of January last, realizing the very critical position and feeling that it would be too late to wait for the General Assembly to take action, in our opinion very wisely, called a meeting of the Commission of the General Assembly to deal with the situation, and,

WHEREAS at a meeting of the Mission Board, by the votes of eight men, on a motion, seconded by the Secretary of the Mission Board, it was decided to ignore the resolution of the Commission and spend as they saw fit, and,

WHEREAS the said Mission Board, in 1932, did also ignore the resolution of instructions of the General Assembly, and exceeded its expenditure by the sum of thirty thousand dollars while other Boards were held within the limits authorized by the Assembly, and,

WHEREAS when members of this Board made further enquiries as to how a condition of this sort could possibly exist, we were informed that the Treasurer of the Church takes the position that he is responsible only to the General Assembly and not to any Board appointed by the said General Assembly, it would therefore appear that there is no authority to stop this excessive expenditure, and,

WHEREAS we believe that the large majority both of the ministers and laymen are opposed to these increasing deficits and the interest charges carried with them,

THEREFORE we humbly request that steps be taken at once to put all church officials paid, or unpaid, under the control of a standing Commission, which shall have the same authority in every way as the General Assembly, and to this Commission each and every official of the church shall be subject to and under the control of. We believe this step will assure greater co-operation throughout the whole Church, its several Boards, and the Church offices, and inspire the confidence of our people which, in turn, would bring out greater liberality. This Commission to report to the next General Assembly.

It was moved by Rev. Henry Cousens, seconded by Rev. David Scott that this overture be approved and forwarded to the General Assembly. This was carried.

On motion of Rev. W. Orr Mulligan, duly seconded, it was agreed that a copy of this overture be sent to all the Presbyteries of the Presbyterian Church in Canada.

On motion of Dr. Malcolm Campbell, duly seconded it was agreed that Mr. Hutchison and Mr. A. Bissett, or either of them, should support this overture at the General Assembly if permission is given to do so.

Re KNOX COLLEGE NOMINATIONS

In Toronto, and within Knox Church there, on Tuesday, the second day of May, Anno Domini, one thousand nine hundred and thirty-three, the Presbytery of Toronto met and was regularly constituted.

Inter alia.—Dr. James Wilson moved, seconded by Rev. Joseph Wasson, and carried that the Presbytery overture the Venerable the General Assembly as follows:—

WHEREAS the General Assembly of 1932 relieved the Rev. Dr. Eakin of the principalship of Knox College, and terminated the services of Dr. E. Lloyd Morrow as professor in Knox College, and

WHEREAS no reasons for this action of the Assembly were given, and

WHEREAS while not questioning the action of the Assembly, this Presbytery is of opinion that a degree of unrest now exists as to the justice of said action, and

WHEREAS this Presbytery deems it wise, and advisable, in the interests of the College and of the Church, to allay such unrest in so far as it may be possible,

THEREFORE the Presbytery of Toronto humbly overtures the General Assembly to refrain from making any appointments to these positions until the reasons for the action of the General Assembly in 1932 are given to this Assembly and to the Church.

In Toronto, and within Knox Church there, on Tuesday, the second day of May, Anno Domini, one thousand nine hundred and thirty-three, the Presbytery of Toronto met and was regularly constituted.

Inter alia.—It was resolved to petition the General Assembly in regard to the above matter.

To the Venerable the General Assembly.

WHEREAS a Commission was appointed in the year 1925 to meet an emergency that had arisen in our Church, and

WHEREAS the functions of that Commission have never been properly defined, and WHEREAS that Commission in a meeting in March of this year appears to have exceeded its powers,

THEREFORE, we, the Presbytery of Toronto, do respectfully overture the venerable the General Assembly to refrain from re-appointing a Commission, since the emergency no longer exists and the Assembly and its organized Boards are competent to deal with all matters concerning our Church.

Re APPOINTMENT OF MISSIONARY TREASURER IN CONGREGATIONS

In Toronto, and within Knox Church there, on Tuesday, the second day of May, Anno Domini, one thousand nine hundred and thirty-three, the Presbytery of Toronto met and was regularly constituted.

Inter alia.—It was moved by Rev. John McNab, duly seconded, and agreed that the Presbytery overture the Venerable the General Assembly as follows:—

WHEREAS it is an instruction of the General Assembly that all congregational treasurers forward all Budget contributions to the Treasurer of the Church monthly or at least quarterly, in order to avoid the necessity of heavy interest charges, and

WHEREAS in very many cases these instructions have not been followed, but on the contrary Budget contributions from congregations are frequently withheld until the closing weeks of the financial year, and even on into the opening months of the following year, and

WHEREAS this practice compels the Treasurer of the Church to borrow large sums of money during the year in order to meet current expenditures and thus entails heavy interest charges, and

WHEREAS this condition arises from the practice of using funds, contributed for Budget purposes, for local congregational expenses during the year, and

WHEREAS this practice should not be encouraged, as it is morally wrong and indefensible, and

WHEREAS it is our belief that large sums of money are in this way lost to the Church,

THEREFORE the Presbytery of Toronto respectfully overtures the Venerable the General Assembly to enact that in every congregation there shall be appointed annually a missionary treasurer other than the congregational treasurer whose duty it shall be to receive all monies contributed to the Budget Funds of the Church, and to forward them monthly or at least quarterly to the Treasurer of the Church, and that this enactment be incorporated in the next printing of the Book of Forms.

TO PLACE THE NAMES OF DR. W. M. ROCHESTER AND DR. W. M. KANNAWIN ON THE CONSTITUENT ROLL OF THE PRESBYTERY OF TORONTO

Presbytery of Toronto met in regular session in Knox Church, Toronto, on Tuesday, the second day of May, one thousand nine hundred and thirty-three, being duly constituted by the Moderator.

Inter alia.—The Clerk presented recommendations of the Committee on the roll, including:

THAT the Presbytery of Toronto overture the General Assembly, indicted to meet in St. Paul's Church, Peterborough, on June the seventh next, under Section 176, Section (c) Book of Forms, for permission to place on the Constituent Roll of this Presbytery the names of the Reverends W. Reasons:—

1. THAT the long services and the high quality of those services entitle them to a place of influence in the Church Courts, now largely denied them.
2. THAT the experience and other qualities of these men would be of high value in the councils of the Presbytery.
3. THAT the special work of each, calls for representation and expression in the Courts of the Church.

Inter alia.—The Synod called for the report of the Committee on Missions which was given in by Rev. A. G. Rintoul, Convener, who recommended that the Synod overture the General Assembly as follows:—

THAT the General Assembly be respectfully overtured by the Synod of Toronto and Kingston to initiate a policy of missionary education in Presbytery and congregations of our Church.

THAT WHEREAS in the opinion of this Synod there is a sufficient number of ministers now in our Church to supply our needs.

The Synod respectfully overtures General Assembly to make it a policy for present year that no candidate for admission to our Church from other churches be admitted other than those who come under call from settled charges in churches with whom reciprocal relations exist, and further that the General Assembly be overtured to review all existing reciprocal arrangements with other churches of Presbyterian order with a view to securing more equitable arrangements than those now prevailing.

Upon motion duly seconded the recommendation was approved and the overture ordered to be transmitted to the General Assembly.

No. 38.—PRESBYTERY OF HURON.

Re THE RECEPTION OF MINISTERS FROM OTHER CHURCHES

At Clinton, and within the Presbyterian Church there, on Tuesday, the ninth day of May, one thousand nine hundred and thirty-three, at the hour of two o'clock in the afternoon, the Presbytery of Huron met and was constituted with prayer.

Inter alia.—It was moved by Mr. D. J. Lane, seconded by Dr. C. E. Dougan and agreed, to transmit the following overture to the General Assembly with the approval of Presbytery.

To the Venerable the General Assembly.

WHEREAS there are a large number of our own ministers at present without charges, owing to the economic conditions prevailing,

The Presbytery of Huron humbly prays that the Venerable the General Assembly will not grant leave to Presbyteries to receive ministers from other denominations, desirous of uniting with our Church, at the present juncture.

Extracted from the Minutes of the Presbytery of Huron.

J. B. RHODES,

Presbytery Clerk.

REPORT ON REMIT *Re* APPOINTMENT OF FINANCIAL AGENT

To the Venerable the General Assembly:

By order of the Assembly of 1932, Presbyteries were invited to make nominations for the permanent appointment by the General Assembly "of a man whose duty it will be to keep the Church informed of its work and needs, and to assist in organizing the Presbyteries in securing funds for the prosecuting of the work of the Church in connection with the Budget." (See Overture No. 25, App. p. 143, 144, Minutes pages 53, 54).

Reports were received from 20 Presbyteries. The following Presbyteries nominated Dr. A. S. Reid:—Quebec, Montreal, Brockville (Also Overture No. 24), Orangeville, London, Moose Jaw. The Presbytery of Moose Jaw being uncertain as to the wisdom of permanently appointing a Financial Agent recommends that Dr. A. S. Reid be re-appointed for a period of one year.

The Presbytery of Brandon nominated Rev. G. M. Dunn.

The following Presbyteries report disapproval of any appointment:—Toronto, Lindsay (Overture), Guelph (Overture), Algoma, Hamilton, Paris, Chatham, Stratford, Huron, Maitland, Bruce (Overture), Regina, Edmonton.

Also Overture from Synod of Hamilton and London.

PRESBYTERY OF TORONTO:— "Resolution *re* nomination for Budget Secretary. That in the judgment of this Presbytery such an appointment is quite unnecessary, and therefore this Presbytery declines to make any nomination."

ALGOMA:— "Resolved that in view of the present financial stringency and the great need for conservation of Budget Funds, the Presbytery of Algoma places itself on record as opposed to the creation at the present time of high salaried positions, and would recommend that the position of Budget Secretary be abolished at the termination of the present one year appointment. The discussion on the motion made it plain that the resolution was not intended as any reflection on the present incumbent in office."

HAMILTON:— "That the Presbytery of Hamilton, while recognizing the untiring energy and ability of Dr. A. S. Reid during the past year, as Budget Secretary, submits as its opinion that it would not be in the best interests of the Church at this time to make a permanent appointment."

PARIS:— "Not in favour of the appointment of a Church Agent."

CHATHAM:— "That this Presbytery disapproves very strongly of the appointment of a Financial Agent, and urges that no permanent appointment be made at this time, in view of present financial conditions."

HURON:— "Recommends that no permanent appointment of a Financial Agent be made at the present time."

MAITLAND:— "That no nomination be made as the time is inopportune for burdening the Church with another official, and that the Assembly's Budget Committee be asked to take care of the work of information and publicity."

REGINA:— "That this Presbytery disapproves of the creation of the office of Budget Secretary, and declines to make a nomination."

EDMONTON:— "Report of Committee to deal with the matter. The Committee feel that the time was not opportune for the appointing of a Financial Agent for the Church, and that the cost of the same might be used to better advantage at the present time. The report was adopted."

All of which is respectfully submitted.

J. W. MACNAMARA,
Clerk of Assembly.

SPECIAL COMMITTEE *Re* RECRUITS FOR THE MINISTRY

To the Venerable the General Assembly:

Last General Assembly appointed a special committee on Recruits for the Ministry. It was composed of representatives from the Board of Education, the Board of Missions and the Board of Sabbath Schools and Young People's Societies. The work of previous committees was carefully examined, and an appeal to the ministry of our Church was forwarded in the latter part of November. It was the unanimous opinion of the committee that no one can take the place of the settled minister in stimulating recruiting and in advising prospective candidates.

The second Sabbath in December was set apart as a day in which the attention of the youth of our congregations was called to the work of the ministry.

Many communications have been received from ministers, students and prospective students. Some of these have asked for literature. Professor Bryden's pamphlet on "The Call to the Ministry" was sent out until the stock was exhausted. The committee asked Professor Bryden to issue a booklet on the reasons why young men should feel called to enter our ministry. Owing to heavy duties at the College, he has been unable to complete this task during the winter, but has assured us that this will be undertaken at the earliest possible moment. The committee plans to issue other booklets so that the young people of the church may have placed in their hands the purpose and function of the Christian ministry.

JOHN McNAB, Secretary.
F. SCOTT MacKENZIE, Chairman.

REPORT OF BOARD OF ADMINISTRATION

To the Venerable the General Assembly:

It is with deep regret that your Board reports the death of Mr. Jas. Rodger who was appointed Chairman at last Assembly. The following resolution touching the work of Mr. Rodger was placed in the Minutes of the Board:—

"The Board of Administration desires to place on record its deep sense of the great loss sustained by the Board and by the whole Church in the death of Mr. James Rodger, which occurred on November 22nd 1932, after a very brief illness, and to express its high appreciation of the long and valuable services which he rendered to the Church.

Mr. Rodger was a member of the Board from its organization in June 1925, and at the time of his death held the position of Chairman by appointment of the General Assembly. He was also Chairman of the Church Extension Board. He was deeply interested in all that concerned the welfare and progress of the Church, and had a wide and intimate knowledge of the work, gained through many years of devoted service on various Boards and Committees. For more than fifty years he held the honoured position of an Elder in The Presbyterian Church in Canada.

Because of his long and extensive business experience, his clear judgment, and keen insight he was able to render valuable service in connection with the administration of the business affairs of the Church.

The sympathy of the Board is extended to Mrs. Rodger and the members of the family in their sorrow and bereavement."

The Board also regrets to report the loss of another member, Mr. G. Tower Fergusson, who died on June 17th, 1932. The Board desires to express deep appreciation of the long, faithful and valuable services rendered to the Church through many years by Mr. Fergusson, who since 1925 has been one of its active members. His long experience and wise counsel were always available for the benefit of the Church to which he was devoted. He served for a time as Treasurer of the Church. He was a member of the Dominion Church Property Commission, and was one of the Trustees appointed in 1927.

Adverse conditions existing throughout the land have seriously affected the work of the Church at large, as well as in our congregations during the past year. Your Board estimated a decrease in Budget revenue of at least ten per cent below that of the preceding year, and an earnest effort was made, in which the co-operation of the other Spending Boards was enlisted, to reduce expenditures wherever possible, so as to avoid a further deficit. The Budget receipts for the year however show a decrease of over fifteen per cent from those of the previous year. The drop in Budget revenue became more marked during the months of December and January, contrary to the experience of former years.

The expenditures for the year ending January 31st 1933, show a marked decrease from those for 1931. Had the Budget receipts been equal to those for the preceding year, the Church could have balanced her budget. However, while the deficit on the year's operations amounts to \$36,432.11, the Treasurer will be able to show an actual reduction in the accumulated deficit. This is due to the "One Step Forward" appeal, which amounted in 1932 to \$47,877.14, and to receipts from other sources applied to the reduction of the deficit.

In accordance with the authority granted by Assembly, representatives of the other spending Boards were called into conference, and the financial situation was

made known to them. Your Board is pleased to report that, on the whole, hearty co-operation has been given by the other Boards in the effort to reduce expenditures during the year.

REDUCTION OF OVERHEAD EXPENSES

Under the instruction of last Assembly, "that the Departmental Organization be examined, and if possible relief secured from the very heavy financial overhead" your Board gave this matter careful attention, and we beg to report as follows:—

CHURCH OFFICES

The lease of the present Church Offices on the seventh floor of the Sterling Tower Building, Toronto, expires on September 30th 1933. The Women's Missionary Society occupies a portion of this floor, and pays an equitable proportion of the rental. A careful survey was made of the office space available in Toronto, and after consultation with the other Boards concerned, and with the Women's Missionary Society, a lease of the present offices has been secured for a further period of five years from the expiration of the present lease, at a greatly reduced rental, thus effecting a very considerable saving both to the Church and to the W. M. S.

OFFICE STAFF

At a conference held with the heads of the departments in the Church Offices it was agreed to give the staff an opportunity to volunteer a payment of five per cent of their salaries to the Budget Deficit to date from January 1st, 1933. This has been very willingly accepted by the staff.

ACTS AND PROCEEDINGS OF THE GENERAL ASSEMBLY

A new contract has been secured for the printing of the Acts and Proceedings of the General Assembly under which a substantial saving will be effected in the cost of printing and distribution.

THE REVISED BOOK OF FORMS

At the request of the Assembly's Committee your Board took charge of the arrangements for printing the Revised Book of Forms. A contract was made with Presbyterian Publications, Toronto, which assumes all responsibility for financing the cost of printing the book, guarantees continuous supply to the Church, and undertakes to pay to the Church a royalty of fifteen cents per copy on the first two thousand copies and after that at the rate of eighteen cents per copy. In this way it is expected that the Church will be reimbursed for the outlay incurred in connection with the work of revision.

REPORT ON INVESTMENTS

In September of last year your Board requested the Auditors of the Church to submit a statement showing the book value of the Assets of the Pension Fund, Knox College, and all other Trust Funds held by the Treasurer of the Church, and their market value as at September 30th 1932. This was done and the Auditors submitted a signed statement as follows:—

"6th October, 1932.

The Executive Committee of the Board of Administration,
The Presbyterian Church in Canada.

Gentlemen:—

As requested by you, we are submitting herewith the attached schedules showing the securities held, Book Value and Market Value, for the various funds of The Presbyterian Church in Canada as at 30th September, 1932.

We verified these investments by actual count and in the case of book stocks by confirmation on the third of October, 1932. The securities are held in the vaults of the Toronto General Trusts Corporation. The price placed on the securities for

market valuation was supplied to us by the courtesy of Messrs. McLeod, Young, Weir and Company, Limited, Bond Dealers, Toronto.

Yours faithfully,
(Sgd.) Henry Barber, Mapp & Mapp,
Chartered Accountants."

The report of the Auditors was received and accepted as satisfactory.

THE OUTLOOK FOR THE FUTURE

The expectation of your Board is that the year 1933 will show a further decrease in contributions from our congregations for the work of the Church at large. Even should there be an upturn in business, for which we all hope, any improvement is likely to be gradual. We would urge therefore that the utmost care should be taken by all spending departments of the Church, to keep their expenditures for the years 1933 and 1934 within the limits of the Budget revenue that may reasonably be expected in the light of the receipts for the year 1932.

We strongly recommend that no further extension of the work at home or abroad should be undertaken until the present deficit has been wiped out, and the Church is able to balance her budget.

Your Board would further point out that should the Budget Revenue not show a definite improvement it may be necessary to call for curtailment in some departments, and this in the opinion of your Board is the only safe and wise path to pursue under present conditions.

REPORT OF THE BUDGET COMMITTEE

The year ending January 31st, 1933, was one of exceptional difficulty. There was little, if any, change in the economic situation and as a result, many of our people in company with others, found themselves without employment and in consequence, with greatly diminished incomes.

This condition has had its effect upon our Church finances and we have to report a heavy falling off in Budget receipts.

In 1931 our total receipts from congregations amounted to \$434,199.47. In 1932 the receipts were \$366,582.34, a decrease of \$67,617.13, or 15.57% less than last year.

There are 1,319 congregations and preaching stations in the Church. Only 993 of these made any contribution to the Budget. 326 made no response to the appeals which have gone out from time to time. It is only fair to say that many of these latter are mission stations.

Every Synod and Presbytery in the Church report a decrease in Budget givings. One hundred and twenty-two congregations reached their allocation. Of this number 70 exceeded the amount asked of them.

Taking the returns by Presbyteries we find only one raising over 90% of their allocation, namely, Ottawa. They raised 95.18%. Seven raised over 70%; nine over 60%; thirteen over 50%; and fifteen were under 50%.

In spite of decreased givings we are grateful to be able to record a reduction of our accumulated deficit. This was made possible by the amount of the One Step Forward Fund which had to be applied on this year's account, and also to the co-operation of the Spending Boards in reducing operating expenses.

Your Budget Committee would respectfully remind the Assembly that last year Dr. A. S. Reid was appointed to the position of Budget Secretary for one year. He was placed under the Board of Administration and was by that body placed under the Budget Committee. Dr. Reid has worked through the Budget Committee and we desire to place upon record our appreciation of the energetic service he has rendered to the Church as he has sought to carry out the work assigned to him. Dr. Reid's report is incorporated in the Committee's Report.

We desire to express our thanks and appreciation to the Synod and Presbytery

Conveners for all they have done in the difficult year in promoting the work of the Budget within their respective bounds; also to the Editor of the *Record* for his co-operation in the matter of publicity, and to Dr. MacNamara and every member of the office staff for the help which has always been cheerfully given.

A summary of Budget receipts by Synods and Presbyteries is appended to this Report; also a supplementary report showing the total amounts given by congregations to the One Step Forward Fund.

REPORT OF THE BUDGET SECRETARY

AUGUST 1ST, 1932 TO APRIL 15TH, 1933

During this time the Budget Committee has held four meetings.

At these meetings general plans of operations were outlined.

As Executive Secretary I have endeavoured to carry out the general plans as agreed upon by the Committee.

Our efforts naturally fall under different heads.

I.—PROMOTION OF THE EVERY PERSON CANVASS

The Recommendation of the General Assembly, 1932, was:—

"That the General Assembly commend to all congregations the use of the duplex envelope as recommended by the Board, and urge that an Every Person Canvass be made annually, not later than the first week in December, for both maintenance and the Budget."

The Budget Committee meeting on August 17th decided to recommend to Presbyteries and congregations that the canvass be made on the week November 28th to December 3rd. Every possible effort was made to promote this throughout the Church, by letters to Presbyteries, Budget Conveners, Ministers and others, by literature, through publications, and by speakers.

We have no statistics showing to what extent the Every Person Canvass was actually carried out but around 40,000 subscription cards were ordered from the office. Possibly this is the largest number of subscription cards ever sent out from the central office in the history of the Presbyterian Church. With adequate promotion and quiet and constant pressure, it ought to be possible through time to make the Every Person Canvass almost 100% effective throughout the congregations of the Church. If this can be done in my opinion it will largely solve our financial problems.

II.—GIVING OUT INFORMATION *Re* THE WORK OF THE CHURCH

The terms of my appointment were —

"To keep the Church informed of its work and needs and to assist in organizing the Presbyteries in securing funds for the prosecuting of the work of the Church in connection with the Budget."

Immediately after taking up the work I opened correspondence with all the missionaries in our foreign fields, with a view to securing up-to-date information. I also sent a letter to all the ministers in the Church asking them to send me anything of special interest that they might have.

(a) Giving out information through Literature.

Finding that there was quite a demand in the Church for condensed items of literature regarding our work, I have prepared and distributed the following:—

Information Cards, Nos. 1, 2 and 3.

Three Leaflets:—

"Suggestions *re* Every Person Canvass."

"The Road to Success."

"Raising the Budget. To Succeed we need . . . ?"

These seem to have been well-received in the Church. Our method of distribution has been to send a sample of these to the ministers with the statement that additional copies will be furnished on application. We have also sent a small supply

to those congregations which have reported a Budget Committee with a Convener. In this way there has been distributed throughout the Church, in approximate numbers:—

27,000	Information Card No. 1.
19,000	" " No. 2.
15,000	" " No. 3.
5,000	" Suggestions re Every Person Canvass."
5,000	" The Road to Success."
1,000	" To Succeed we Need . . . ?"

In addition to this we have also arranged with the Editor of the *Record* to have an article each month in connection with the Budget or some phase of missionary work.

(b) *Giving out Information at Meetings.*

Soon after taking up the work I visited the Synod Conveners and all the Presbytery Conveners in the two Synods of Toronto and Kingston, Hamilton and London, and asked them to arrange as many meetings as possible throughout the Presbyteries in these Synods where the work of our Church could be presented. The general scheme was to select some centre and group other churches around that. In this way between 40 and 50 meetings were carried out, also a number in the Synod of Montreal and Ottawa. The attendance at these varied greatly, some places smaller, other places larger. In this way I estimate around 175 congregations were touched. Along this same line I have recently covered the Maritime Provinces where I have had the opportunity of speaking on 14 different occasions on the work of our Church. I have also had the privilege of occupying the pulpits of our Church almost every Sabbath since last September. At this date, April 15th, I am preparing for a visit to the West.

III.—ORGANIZATION

The second part of my commission was "to assist in organizing the Presbyteries in securing funds for the prosecuting of the work of the Church in connection with the Budget."

In line with this I have visited every Presbytery and Synod that has been possible to visit during the time I have been in this work. There is a difficulty here in that so many Presbyteries meet on the same date, and usually it is impossible to reach more than one on the same day. The scheme of organization I have submitted to each Presbytery is as follows:—

1. That each Presbytery give up one whole Sabbath in the year to carrying out a missionary educational programme.
2. That the programme for this Sabbath be:
 - (a) An exchange of pulpits among the ministers so far as possible at the morning service.
 - (b) United meetings in the evening when a few centres in each Presbytery will be selected and the other congregations asked to unite with them, and the best speakers possible secured for these few centres.
3. That each Presbytery organize their congregations into groups with a simple type of organization in each, under a sub-convener, either appointed by the Presbytery or elected at a meeting within the group.

This type of organization seems to be meeting with general approval on the part of the Presbyteries. It will take some time to work it out but I think if adopted in general throughout the Church, it will bring results.

IV.—FREE-WILL OFFERING

Finding that there was going to be a shortage in the financial operations for 1932, the Budget Committee decided to ask congregations for a Free-will Offering to be taken February 26 or March 5th. Here again everything which seemed possible was done to promote this appeal. The sum of \$6,312.91 has been received to the 30th of April, 1933. More is expected.

7. That the Assembly set three additional Sabbaths in the year when the ministers will be asked to speak at least at one service on some phase of the Church's work, and that the Assembly undertake to provide each minister with an adequate supply of up-to-date information regarding the particular phase of work to be dealt with on the dates suggested.

AUDITOR'S REPORT

To the Venerable the General Assembly of the Presbyterian Church in Canada:

In accordance with your instructions, we have audited the books and accounts of the Presbyterian Church in Canada for the year ending 31st January, 1933.

The Cash on Hand was verified by actual count during the course of our audit and we received confirmation of the respective bank accounts from your bankers.

We examined the Bond and Debenture securities and found them to be in accord with the books. These securities are held for safe-keeping in the vaults of the Toronto General Trusts Corporation. No provision has been made for any decline in the market value of the investments which are shown on the Balance Sheet at book value.

While the deficit for the year is stated to be \$36,432.11, this is subject to transfers from other funds and reserves which were applied as a reduction of expenditures made during the year and also as to whether certain amounts shown as assets can be fully realized.

Subject to the foregoing, we certify that the Balance Sheet is, in our opinion, drawn up so as to show a true and correct view of the affairs of the Church, according to the information and explanations given us and as shown by the books.

HENRY BARBER, MAPP & MAPP,

Chartered Accountants.

Toronto, 20th April, 1933.

STATISTICAL AND FINANCIAL REPORT

To the Venerable the General Assembly:

In presenting the Statistical and Financial returns from Presbyteries for the year ending December 31st, 1932, attention is called to the following features of the Report.

MEMBERSHIP

During the year 7,243 were received into the Membership of the Church upon Profession of Faith, a decrease of 204 from the previous year; 5,041 were received by Certificate, a decrease of 775. The total number of members received was 12,284 as compared with 13,263 the previous year, a decrease of 979.

There were removed by Certificate, 2,972, by death or otherwise 8,445, a total of 11,417, as against 10,846 reported in the previous year, a decrease of 571.

These figures indicate a net gain of 867. But the total membership reported is 180,174, a decrease of 782 from 180,956 reported for the year 1931.

Attention is again called to the serious discrepancies in the figures reported to the Clerk of Assembly. The total accessions reported since 1925 amount to 110,559; the total removals reported for the same period amount to 72,979. This should leave a net gain in membership since 1925 of 37,580. The actual membership reported however shows a net gain of only 25,931, a difference of 11,649. It is evident that this difference is due to the failure of Sessions in making their report to see that the figures reported correspond to those of the previous year.

Three Synods—the Maritime Synod, Toronto and Kingston and Alberta report increases, the other five Synods report decreases; the largest decrease is shown in the Synod of Hamilton and London. An examination of the reports by Presbyteries shows that the largest losses are reported by the Presbyteries of Hamilton, Stratford, Toronto, Montreal and Chatham in that order; 23 Presbyteries report gains in membership.

FAMILIES

The number of families reported is 90,537, a decrease of 588 from the previous year. Three Synods, the Maritime Synod, Saskatchewan and British Columbia report slight increases. The other five Synods report decreases, the largest decrease being in the Synod of Montreal and Ottawa.

The number of Elders reported 6,144, a decrease of 47.

Number of baptisms, infants, 5,728 as against 6,183 in the previous year, a decrease of 455; adults 865, an increase of 73.

Total number of congregations and preaching stations, 1,320, an increase of one.

The number of ministers reported is 725, an increase of 14.

Since last Assembly ten ministers have been called away by death.

FINANCES

All the Synods report a decrease in the amounts raised for Stipend, for all Congregational Purposes, and for all Purposes; one Synod, Toronto and Kingston reports a slight increase in the amount raised for other Missionary and Benevolent Purposes.

All the Synods report a decrease in the amount raised for the Budget Funds of the Church.

The details of the amount raised for the Budget Funds of the Church by congregations, together with the percentage of the allocations raised by Presbyteries and Synods, will be found in the report of the Budget Committee under the Report of the Board of Administration, page 150.

A full report of the contributions to the "One Step Forward" Fund, arranged by Presbyteries and Synods will also be found attached to the report of the Budget Committee, page 152.

MORTGAGE INDEBTEDNESS OF CONGREGATIONS

Following out the instructions of last Assembly a column was assigned in the Statistical Report in which to report the mortgage indebtedness of congregations. It is not likely that a complete report has been obtained in the first year, but from the information received it is shown that there is a total mortgage indebtedness against congregations of \$3,007,916.

Mr. James Rodger, a prominent merchant in the City of Montreal, and a valued leader in The Presbyterian Church in Canada, passed away at his home in Westmount on November the 22nd, 1932, in his 79th year.

The Presbytery of Montreal passed the following Resolution at a meeting in Knox-Crescent Church on January the 10th, 1933.

"Born in Montreal, Mr. Rodger was educated at the Montreal High School. He began his business as a young man in the firm of Gault Brothers, gaining rapid promotion. In due time, he became President of the firm, which position he retained until the day of his death.

"In addition to being a keen business man, Mr. Rodger was intensely interested in all Church work, very frequently showing his interest in a practical way, by contributing liberally for the carrying on of her work.

"For more than fifty years, he was an Elder in the Presbyterian Church, first in Erskine Church, Montreal, and latterly in Knox-Crescent Church, Montreal. At the time of the union, in 1925, he was a strong opponent of the movement, and when Erskine Church joined the United Church of Canada, he became a member of Knox-Crescent congregation.

"For many years he was a member of the former Church and Manse Board, and was Chairman of the present Church Extension and Church and Manse Board at the time of his death. He was also Chairman of the Board of Administration of which he was a valued and influential member since 1925.

"His sound judgment and moral courage were ever in evidence. In philanthropic work he always took an active interest. For many years, he was President of the Protestant House of Industry on Dorchester Street, and a Director of the Moore Convalescent Home, Longue Pointe.

"His presence will be sadly missed at the meetings of our Presbytery for he was a regular attendant, and never shirked responsibilities placed upon him. He set a noble example, and the influence he exerted will not die with his passing."

The public funeral was conducted by his minister, the Rev. David Scott, by whom a telegram was read from the Moderator, Rev. Dr. Robert Johnston, conveying the following tribute:—"Please convey to your congregation and Mr. Rodger's family my very sincere sympathy, and may I add the sympathy of the whole Presbyterian Church. A valiant warrior has fallen in our ranks, a loyal churchman and a great soul."

Mr. Rodger is survived by his widow, and three daughters, Mrs. W. Lowden, Mrs. John Bauch, and Mrs. Claude Buchanan.

MR. G. TOWER FERGUSON

Mr. George Tower Fergusson an outstanding leader in financial, philanthropic and church circles succumbed to a sudden heart attack on June the 17th, 1932, in his 76th year.

Mr. Fergusson was born at Fergus in 1856, a son of the late G. Douglas Fergusson, and his grandfather was the Hon. Adam Fergusson, after whom Fergus was named. His early education was received at Dr. Tassie's famous Grammar School, Galt, Ont.

He was interested in many Christian organizations; in Y.M.C.A. work, of which he became President in 1905; former Chairman of the Industrial Schools Association; and a member of the Board of the Home for Incurable Children.

Mr. Fergusson served for a time as Treasurer of The Presbyterian Church in Canada. He was a member of the Dominion Church Property Commission and in 1927 was appointed as a Trustee.

He is survived by Mrs. Fergusson, a daughter, and three sons all of Toronto; a brother, Rev. J. Fergusson, Renfrew, and two sisters, Mrs. J. C. Tolmie, Southampton, and Mrs. Alan Black, Kingston.

The Board of Administration at a meeting held June the 24th, in expressing their sympathy to Mrs. Fergusson and the members of the family at the loss they had sustained in the death of Mr. Fergusson passed the following resolution:—

"The Board deeply regrets the passing of one who, since 1925, has been one of its active members, and desires to express deep appreciation of the long, faithful and valuable services rendered to the Church through so many years by Mr. Fergusson.

"The Presbyterian Church in Canada has lost not only a devoted and loyal member, but also one who was a wise and able counsellor, and whose services and experience were always freely available for the benefit of the Church to which he belonged, and which he served during his life time."

Synod of Montreal and Ottawa

REV. GEORGE MACARTHUR, B.A.

The Rev. George MacArthur, B.A., a retired minister of the Presbyterian Church in Canada, and an outstanding clergyman for many years, passed away after a brief illness, at the home of his son-in-law and daughter, Dr. Hugh and Mrs. Cochrane, Arnprior, on January the 4th, 1933.

Mr. MacArthur was born near Tiverton, Ont., on April the 16th, 1852. He received his early education in the public school, later going to Guelph, then to Galt. He graduated in Arts at Queen's University, and afterwards completed his Theological Course.

During his student years Mr. MacArthur served the Church at Lake Megantic, Quebec, and at Cobden and Pakenham. After his ordination he ministered at Finch, his first charge, then at Cardinal for 21 years. In 1913 the call of the West came to him and he served the Church in Saskatchewan at Maryfield, 1913; Sintaluta, 1915 to 1918; and Arcola 1918 to 1921; and after a period of ill health he returned to his beloved work ministering to a Charge in the City of Moose Jaw.

In 1925 at the time of the discussion of Church Union he was living in retirement with his daughter in Regina, but here he worked untiringly, and to-day the First Church, Regina, one of the finest churches in the West, stands as a monument to his faithful service. But the East again called him to Merrickville, where he served until his retirement, having completed fifty years as a minister of the Presbyterian Church in Canada. Some years ago the Synod called him to the highest office in its gift, that of Moderator of the Synod of Montreal and Ottawa.

Mr. MacArthur was a persuasive preacher; a loyal and capable presbyter; a wise and kind pastor; and a faithful friend.

He is survived by his two daughters, Mrs. Cochrane, Arnprior; Mrs. Glover, Ottawa, and three brothers, Archibald, Tiverton; John, Washington; and Hugh, in Vancouver.

REV. A. WISHART DRYSDALE, B.A., B.D.

The Rev. A. W. Drysdale, a native of Scotland, and who came to Canada as a young man, passed away in his 54th year, having given 21 years of service in the Presbyterian Church in Canada.

He graduated from Queen's University in 1908, and three years later from the Presbyterian College, Montreal. He was ordained in 1911, and served the Church at White Lake, Middleville, Spencerville, Westport, and Mount Royal Vale congregations.

In 1927 he undertook the duties of Port Chaplain at Montreal in which sphere he laboured until his death. He is survived by Mrs. Drysdale.

The Presbytery of Montreal meeting in Knox-Crescent Church passed the following resolution in memory of Mr. Drysdale:—

"The Presbytery of Montreal desires to place on record its appreciation of the services of the Rev. A. W. Drysdale, B.A., B.D., Immigration Chaplain of the Presbyterian Church in Canada, at the Port of Montreal, Que., whose death occurred on October the 13th, 1932.

"Since 1927, the late Mr. Drysdale proved himself a most capable agent of our Church, in dealing with the many and varied phases of immigration work. Of a happy and genial disposition he easily gained the confidence of strangers coming to our land; whilst his accurate knowledge of our Immigration Laws, coupled with quiet and unobtrusive persistence, on many occasions proved invaluable in settling differences, and in reuniting members of families who might otherwise have been separated.

"In many instances he has been the means of saving young women from falling into the hands of those so common in large centres; and many a young man has to thank the kindly Chaplain for not only getting him a start in the New Land, but also insisting on his remembering the Old Folks at Home.

"The many high tributes paid him voluntarily by the heads of the large Transportation Companies, and their appreciation of his diligence, is strong proof that we, as a Church, have lost in him, a servant whose abilities deserved far wider recognition than they have received."

REV. GEORGE C. TAYLOR

The following resolution with reference to the late Mr. Taylor was passed by the Presbytery of Montreal:—

"The Rev. George C. Taylor was born in Ayr, Scotland, and came to Canada when he was seventeen years of age. He was educated at Manitoba College, Queen's University, Kingston, Ont., and Pine Hill Theological University, Halifax, N.S. He served the Church as a student missionary for several years in the West. He was called to First Church, Pictou, N.S. where he succeeded the late Rev. Dr. Falconer. From there, he went to Zion Church, Charlottetown, P.E.I., where he was minister for thirteen years. At Charlottetown he was instrumental in building one of the finest church edifices in the city, a church that is known in all the denomination.

"In the Church Union agitation he stood firmly to the orthodox faith, and although the great majority of the Session opposed him, he was able to hold the congregation to Presbyterianism. He went outside of his own congregation and addressed many meetings in the Maritimes supporting the Presbyterian Cause. He also addressed the Legislature of Prince Edward Island in the same interest. He was also in the battle for Social Reform and was especially devoted to taking the part of the weak.

"While at Charlottetown he influenced a number of young men to enter the Christian ministry, and exercised a good influence upon all the student body."

"When the great war came on in 1914, the late George Taylor enlisted as a private. It speaks much for his conduct and his character that he received the appointment of Chaplain on the field of action.

"He was inducted into the Calvin-Westminster Church, Montreal, on December the 10th, 1925, having been called there from Charlottetown. After a short ministry in that congregation, he was called to Maisonneuve, where he was inducted on June the 30th, 1927. As a minister in this city he was not only a faithful preacher of the Gospel and a loyal Presbyter, but was known as a special friend of the poor.

"For some time before his death, he had been in failing health. During the war he had been a victim of gas, which helped to break down his rugged constitution. Presbytery had granted him six months' leave of absence and he went to Bermuda seeking to build up his strength. He was there only three weeks when he passed away at the King Edward Hospital, Hamilton, on December the 16th, 1932. The funeral service was held in the Maisonneuve Church on December the 24th, and was not only attended by members of the Presbytery but by delegations from several organizations. A crowded church was the last tribute his loving people could pay their pastor, and this they did. The Rev. Alex. Allen, Interim-Moderator of the congregation had charge of the service."

Synod of Toronto and Kingston

REV. W. S. MacTAVISH, B.D., Ph.D.

The passing of Rev. Dr. William S. MacTavish, Clerk of the Synod of Toronto and Kingston and veteran Presbyterian minister, which occurred suddenly at his home in Belleville, Ont., on October the 4th 1932, at the age of 70, removed one of the most notable figures in the life of the Presbyterian Church in Canada, and of the Province.

Dr. MacTavish was born near Guelph in 1862 in Nassagaweya Township, of Scottish descent, being the son of the late Archibald and Mary MacMillan MacTavish.

He received his primary education in Halton; later at Rockwood Academy; and then at Georgetown. He graduated from the University of Toronto, and Knox College, and took a Post-Graduate Course at the Union Seminary, New York, which conferred on him the degree of Doctor of Philosophy.

His first Ministerial Charge was at St. George; then he served pastorates at Deseronto, ten years; Kingston, six years; and St. Peter's Church, Madoc for seven years. In 1924 he retired from the active ministry and made his home in Belleville, Ont., and became engaged in the civil, educational and religious life of the city. He was a man loyal in friendship, faithful in duty, strong in conviction and highly esteemed.

In the larger life of the Church he rendered outstanding services on Assembly Committees. He was elected Moderator of the Synod of Toronto and Kingston, and at the time of his death he was Clerk of the Synod.

Dr. MacTavish was an active writer and for many years supplied Ontario newspapers with articles on Christian Endeavour work, Temperance and Church questions in general; also editing a number of text books on Missions.

He is survived by his widow, three sons, Clarence, Wilfred and W. Gordon; and four daughters, Mrs. McCoy, Mrs. Cheyne, Mrs. Ward and Miss Jessie; also two brothers. One son, Major, the Rev. Archibald MacTavish, M.C., B.A., B.D., was killed overseas in 1916, and on a visit to Kingston the Prince of Wales presented to Dr. MacTavish the decoration his son had won for outstanding gallantry in the Great War.

REV. JOHN W. C. BENNETT

Rev. John Walter C. Bennett, one of the most widely known newspaper men in Toronto, died on the 17th of August, 1932, in his 62nd year.

Mr. Bennett was born at Three Rivers, Quebec, and was the son of the late Rev. John Bennett, D.D., of the United Church of Scotland. He was a graduate of Queen's University, and for a number of years a Presbyterian minister, his first charge at Bathurst, and later at Fairbank.

Mr. Bennett for more than twenty years was one of the most highly respected newspaper men by both Bench and Bar in Toronto. During that time he had intimate association with City Courts and its Judges. His long connection gave him a wide knowledge of legal procedure and rules of practice.

During the Church Union Controversy he covered the events of the Movement in the *Evening Telegram*, as they affected the Presbyterian Church in Canada, of which he always remained a staunch member.

He was a familiar figure at meetings of the General Assembly, where he was recognized as one of the most efficient representatives of the Press.

Mr. Bennett is survived by his widow in Toronto.

REV. DAVID ANDERSON THOMSON, D.D.

The Rev. David Anderson Thomson, D.D., was born in Dundee, Scotland, in 1852, and after passing through the primary and secondary schools there, he entered the University of Glasgow from which he graduated with honors. Following his Arts course he came to Canada and entered Knox College, graduating in 1883. On April the 14th, of the same year he was called to the Hastings congregation which he served until the day of his death. This was his only pastorate, and the congregation's only Minister.

Dr. Thomson passed away at the Manse, Hastings, on his birthday, July the 6th, 1932, having attained the age of four score years. Until a few weeks prior to his death, he went about in his accustomed way in and out amongst his people, as he had done throughout all the years of his full and useful ministry.

He was the much beloved Minister of St. Andrew's Church, father in the Presbytery of Peterborough, Dean of the Ministry in the Synod of Toronto and Kingston and a widely recognized figure in the Assemblies of our Church, taking a leading part in its great movements, as well as in the affairs of his community. He was much in demand as a platform speaker, and when the controversy over Church Union arose he was one of the leaders in maintaining the Presbyterian Church in Canada.

Among the many features of his distinguished career was his thirty-two years' Clerkship of the Presbytery of Peterborough. In 1911 he was honoured with the position of Moderator of the Synod of Toronto and Kingston. In 1928 the honorary degree of Doctor of Divinity was conferred upon him by his Alma Mater, Knox College, and which College he served as a member on the Senate for a number of years.

Dr. Thomson was of a kindly disposition, simple life, strong convictions, studious habits and industry, and was blessed with a keen sense of humor.

The surviving members of his family besides his widow are three sons and one daughter, Rev. Archibald of Elora; Walter, a Barrister of Toronto; John of Owen Sound; and Mrs. Learmonth of Hastings. A fourth son, Dr. James, died some years ago.

The Presbytery of Peterborough, as well as the entire Church have in the passing of Dr. Thomson sustained the loss of one who was a revered father and a valuable servant in the Church, and wish to record an appreciation of his life, attainments and services.

REV. GEORGE KYLE BAMFORD, B.D.

The Presbytery of Algoma with deep regret announce the death of Rev. George Kyle Bamford, B.D., late minister of Westminster Presbyterian Church, Sault Ste. Marie, Ontario, and Moderator of the Presbytery of Algoma.

Rev. Mr. Bamford's death occurred at Plummer Memorial Hospital on the evening of December the 23rd, 1932, and the sad news cast a gloom over the entire city. Although indisposed for some months, an energetic and tireless worker, he refused to give up until forced to do so. His medical advisers ordered complete rest, and after only a few weeks he passed away.

He was born in County Antrim, Ireland, and spent his early years in the City of Belfast. He came to Canada in 1910, and served as student missionary at Baysville, Ontario; Kensington Presbyterian Church, Montreal; Webbwood, Ont.; South Porcupine; and at St. Paul's Presbyterian Church, Sault Ste. Marie.

He took work in Arts at McGill University and at Pittsburgh University; and graduated from Western Theological Seminary in 1921, with the degree of Bachelor of Divinity.

After serving as pastor of New Salem Presbyterian Church, Pennsylvania, and St. David's Presbyterian Church, Toronto, he was inducted as minister of Westminster Presbyterian Church, Sault Ste. Marie, in May, 1928. While in Pittsburgh he married Miss Hazel Reid, and is survived by his widow and three children.

A public service was held in Westminster Church, conducted by Dr. E. B. Horne, of Renfrew, assisted by members of the Presbytery of Algoma, and the Bishop of Algoma, the Right Rev. R. R. Smith, President of the local Ministerial Association which attended in a body. The funeral sermon was delivered by Rev. J. Verstraate, of Sault Ste. Marie, Michigan, who bore eloquent tribute to Mr. Bamford's life and work.

REV. DAVID H. WILLIAMSON

The Rev. D. H. Williamson was born in Quebec City, of Scotch Presbyterian parentage on June the 11th, 1878. When about ten years of age, his parents removed to Toronto, and Mr. Williamson was educated in Toronto Public and High Schools, attending St. Giles Church and Sunday School where his father was an elder.

He was a graduate in Arts and Theology in McMaster University. After 3 years in the Baptist ministry he took up Social Service and Y. M. C. A. work for some 10 or 12 years. At the time of Church Union he entered the Presbyterian ministry returning to the Church of his youth, and for nearly three years was minister at Millerton, N.B.

He came to Ontario in 1928 and was at Mount Dennis for a year and a half when he was called to St. Andrew's, Parry Sound, of which church he was the pastor until the time of his sudden death on May the 12th, 1933.

Mr. Williamson is survived by his widow, three sons, Paul, Eric, and Robert, and one daughter, Mary.

A public service was held in St. Andrew's Church, Parry Sound, conducted by the Rev. R. W. Ellis of Burk's Falls; and the interment took place in Hamilton where the service was in charge of Rev. S. Banks Nelson, D.D.

Synod of Hamilton and London

REV. GILBERT GRAY MACROBBIE, D.Sc.

Dr. G. G. MacRobbie was born in the year 1844 in a Highland Scotch Settlement in the Township of Puslinch, Wellington Co.

He attended the famous Grammar School in Galt, whose Principal, Dr. Tassie, was known all over the Province for his high standards of scholarship and discipline. The young MacRobbie, a giant physically and keen in mental endowment, was fitted to fill a large place in such an institution. His prowess in sports is seen, when for several seasons, he belonged to the famous Maple Leaf Baseball team of Guelph.

He completed his studies at Knox College, Toronto, and then went to Princeton, N.J., where he sat under an able staff of teachers, Dr. Charles Hodge being at their head. Returning to Canada he was, on November the 17th, 1874, ordained at Mandaumin, in the Presbytery of Sarnia. Early promotion came and he served with success in Tillsonburg, Ridgetown, Shelburne, Kemble and Nelson.

After reaching the age of retirement he continued to preach and to do pastoral work. In the Presbytery of Hamilton he was of great service acting as "Stated Supply" and always nursing weak charges back to regular strength. That part of his ministry, extending for over fifteen years, left a deep mark on his brethren and the people. He was truly a manly man, with rich gifts of speech, fine genial qualities, sound doctrinal views and loyal to his Church. He loved the meetings of the Church Courts and although nearing eighty-eight he was able to take his seat for the last time in the Presbytery of Hamilton.

The attachment of his minister, Rev. R. J. Wilson, B.D., was that of a son, and he was the "Father in Israel" in the whole congregation. He departed to his reward Sunday evening, November the 20th, 1932, at the age of eighty-eight. Interment took place in Hamilton beside his wife and son, Dr. MacRobbie.

REV. WILLIAM M. MARTIN, B.D.

The Rev. William M. Martin, B.D. was born in Fergus, Ontario, on May the thirty-first, 1850.

His parents, Mr. and Mrs. John Martin, moved to Mount Forest when he was five years of age. Here he received his early education. He attended Literary and Theological classes in Knox College, and graduated from the Presbyterian Theological College, N.J., in 1873.

He was ordained and inducted by the Presbytery of Paris into the charge of Norwich, Ontario, in the year 1875. In 1883 he received a call to Caven Church, Exeter, where he continued a faithful and fruitful ministry for twenty-six years. In 1909 he retired from active work and resided until 1922 in London, when Mrs. Martin was called home.

For many years Mr. Martin was the honored Clerk of the Presbytery of London. When he resigned the Minute of Presbytery reads, "His duties were discharged with but one end, that of promoting the work of the Presbytery, and advancing the interests inherent in the life of the Church. Punctual and regular in attendance, careful, and methodical in his work, and courteous and considerate in his manner, he furthered the business of the court to the measure of his fine abilities."

Since the death of Mrs. Martin he has resided with Rev. R. A. and Mrs. Cranston, first at Trenton, and lately at Welland, Ontario, where he passed away on May the 8th, 1933. Mr. and Mrs. Martin have left a noble bequest to the Church and nation in their family to whom the Church extends its grateful sympathy in this time of bereavement.

REPORT OF KNOX COLLEGE COMMITTEE

To the Venerable the General Assembly:

In the terms of its appointment the Committee was entrusted by the Assembly with a three-fold task. (1) To take cognizance of the relations of the Board, the Senate and the Faculty of the College in regard to their duties, powers and functions. (2) To take steps to prevent the recurrence of a condition similar to that existing in the College by securing legislation amending the Act of Incorporation as touching the appointment of the Board and Senate, and (3) Anything further found necessary by the Committee.

I

In regard to (1); The duties, powers and functions of the Board are defined and indicated in the by-laws of the College which being re-printed in the new Book of Forms, issued since the last General Assembly, are now available for general study and perusal. In the original by-laws of 1860 the Board consisted of thirty-five members, ordained ministers and elders of the Church, and the Senate of seven members of the Assembly, together with the Principal and Professors. Evidently in later findings of the Synod (and Assembly) the by-laws were amended and appear in their amended form in the new Book of Forms. These amendments (1) leave the number of members of the Board to be determined by the Synod (now Assembly), and (2) remove the limitation of the personnel of the Board to ordained ministers and elders of the Church, by adding "or members in full communion". They also leave the number of members of the Senate to be determined by the Assembly, subject to the condition, "not less than . . .", and instead of the phrase "members of the Assembly", substitute "members of the Church". In practice the Board at present consists of 37 members, and the Senate of 27 exclusive of the Faculty.

The Committee recommends the following amendments to the By-laws:

THE BOARD

In Section (1) in the phrase "composed of . . . persons", that the word "twenty-five" be inserted in the blank space before "persons."

In Section (2) in the phrase "at least three times a year" that the word "twice" be substituted for "three times."

In Section (5) instead of the clause "and co-operate with the Senate in maintaining its discipline", substitute the following, "and the superintendence and discipline of the students as residents, and of all other persons within the said College." And that the following be added, Section (6) "It shall be the duty of the Board to take cognizance of any complaint or charge against a member of the Faculty, as touching the discharge of his duties, to investigate the same and to make a report thereon to the General Assembly at its next meeting; such complaint or charge to be made in writing to the Chairman of the Board, together with all necessary particulars and the names of complainants."

Sections (6) and (7) changed to (7) and (8).

COLLEGE SENATE

In Section (8) in the phrase "not less than . . . members of the Church", insert the word "ten" in the space before "members", and after the word "Church", insert the following, "who are also members of the Board."

After the words "and discipline of the students", add "in all matters pertaining to their studies," and omit the words, "and of all other persons within the said College."

In the clause "The Senate shall take a general inspection of the whole internal arrangements of the College, and of the studies of the students," omit the words "of the whole internal arrangements of the College, and."

THE FACULTY

While the Faculty as such is not specifically referred to in the by-laws, apart from the Senate, the Committee finds that the following are in actual practice the duties of the Faculty,—

- (1) Each professor prescribes the work in his department, including the books to be read.
- (2) He lectures on his subject, or subjects, superintends the studies of students and carries out the decision of the Senate regarding attendance on lectures, examines students on their work and reports results to the Senate.
- (3) The Faculty agrees on a common basis of marking on examinations, and reports this system to the Senate.
- (4) There is consultation between members of the Faculty upon matters of common interest, as well as upon matters of benefit to students.

The Committee recommends the addition of the following,—

- (5) The Faculty should meet at least once a month during the College term for the purpose outlined in Section 4, i.e., to take counsel together concerning their work, and the welfare and progress of the students under their care.

Note (1) *Re the Board*: While the Committee feels that it would be preferable that the Board should have the privilege of electing its own Chairman we do not consider that an amendment to the present by-law is necessary inasmuch as this alternative method is sufficiently provided for therein, and we suggest that the Assembly, if it see fit, refrain from naming the Chairman thus leaving the appointment to the Board as the by-law provides in such case. We would point to the common and recognized practice of congregations in waiving their privilege in the matter of the appointment of a Chairman of the local Board of Management.

Note (2) *Re the Senate*: It will be seen that if the recommendation of the Committee regarding the composition of the Board and Senate is adopted the members of the Senate, exclusive of the Faculty, will have equal voice with the members of the Board in the recommendation of appointments to the Staff.

II

As regards the second part of the Assembly's instructions to the Committee it is clear from the wording of the Act of Incorporation that the Assembly has full power to amend the by-laws at any time, and that so far as the appointment of Board and Senate is concerned no new legislation is necessary. We refer to Section 3 of the Act which reads in part as follows, "And the said Synod . . . shall also have power to make rules and by-laws for the government of the said College, and to alter, amend and annul the same and make other rules instead thereof, and also to constitute a Senate for the said College, with such powers as they may deem from time to time expedient; also to constitute a Board of Management for the financial and other affairs of the said College not otherwise provided for, in such manner and with such powers and under such conditions as to the said Synod shall from time to time seem expedient;

provided always that such by-laws, rules or regulations be not contrary to this Act or repugnant to the laws of the Province."

In order to prevent, as far as possible, a recurrence of a condition similar to that with which the Commission had to deal, we would point out (1) That the composition of the Board and Senate recommended by the Committee, if adopted by the Assembly, will in itself help greatly in accomplishing this desired end.

(2) The proposed amendment giving the Board the right to receive and investigate complaints against members of the Faculty.

(3) We would recommend that the following be added to the paragraph in the Book of Forms (page 145) regulating the appointment of Theological Professors: "In the event of the nominee of the Board for the position of professor being unacceptable to the General Assembly the matter of appointment to such position shall be referred back to the Board for further consideration and nomination, such nomination to come before the next Assembly, and that the Board make temporary arrangements for carrying on the work of the Chair until a permanent appointment is made."

III

The Third Part of the Assembly's instructions includes "anything further found necessary by the Committee." It has been intimated to the Committee that these concluding words had in view the securing of a new constitution by which our Colleges shall be governed. The Committee, however, are of the unanimous opinion that if the Assembly had such a purpose in mind it would have been specifically stated as one of the major instructions to the Committee. We do not feel justified, on the authority of a few concluding words of an obviously subsidiary nature, in recommending such radical changes in the government of our Colleges. Besides that, our instructions concerned only a domestic situation existing within Knox College. In recommending a new constitution to govern the Colleges of the Church we would be travelling far beyond the bounds of our instructions and interfering in matters with which we, as a Committee, were not concerned. We would suggest that if the Assembly deems it desirable, or necessary, to have a new system of government for our Colleges a Committee representative of our whole College constituency and with clearly defined instructions be appointed to consider this matter and report to the next Assembly.

J. S. SHORTT,
Convener

J. B. RHODES,
Secretary.
